any qualms, one had to sacrifice the friendly regimes to delude and deceive everybody. The main targets of all these movements were: Libya, Syria, Iran and to some extent Ivory Coast, future oil giant which took the liberty of putting in power a sovereign named Gbagbo. A man that we, agents of shadows, had promised to the masters, the illuminati, did not plan on the international scene. 

In Libya, the renegades and the Arab recruits that we convoyed secretly infiltrate the country and settle at the beginning of January 2011 in Benghazi, under the supervision of my former masters, the Arab oil-producing monarchies (Saudi Arabia and Qatar) start the “revolution”. And this is the fall of Ben Ali, an ally of the Westerners who was so used as a guinea pig to cover their tracks. The cables that reach us let us know that Washington, Paris, London and Tel Aviv are overwhelmed with joy, because our test has just turned out conclusive. On 15 February 2011, our dormant cells “our so-called opponents” “trevel” in Benghazi and highly publicized by the Media-likes such as: BBC, CNN, France24, Africa24, Al-Jazeera, Al-Arabya, RF, Voice of America (VOA), Radio France en Afrique, to spice everything, the snipers of the DGSE (The General Directorate for External Security) and the M6 (Secret Intelligence Service) fire on the crowd which was not so numerous as wanted to lead the unison towards the condemnation worldwide. This led to a resolution of the UN and give rise to the deployment of the western armed forces against the Libyan Jammahrya which is surprised by the speed of the events. Gaddafi is betrayed, he was conned and trapped by his erstwhile enemies who provoked the diplomatic rapprochement which misled him and pushed him to be lulled into a false sense of security and then surrounded him. It is not for nothing that the intelligence agencies explain the killing of the job, by receiving Gaddafi at the Elysée palace to make him definitely acept that there were no more hostilities between Libya and the West.

It was the political and fatal soporific which had just made its effect. Following the first bombings in Libya, following the media hype of the western channels, crowds of journalists land in Tripoli. Among these journalists, there were more secret agents (spies) than real press agents. These journalists had in their belongings, tags that they placed in sensitive areas to facilitate the NATO bombings with a surgical precision. Gaddafi caught in a hellish trap takes refuge in a cave to escape the fight by the Arab recruits that we convoyed secretly infiltrate the country and settle in Benghazi. He was killed on the order of the illuminati and on Sarkozy’s proposal who did not want the proofs of the financing of his campaign for the French presidential elections to be spread out in public.

May the peace of the Lord be with you!

Testimony of an ex-illuminati, Part 2 N°1

Dear warfare companions and dear friends, we are happy to share with you the continuation of the testimony that this friend, former agent in the service of the illuminati, placed at our disposal about a year ago. This time, not only did he give us the opportunity to talk about the case of Libya that he had mentioned. He even went further and revealed other cases to us, among others, the case of Syria. We would like to express our gratitude to him and sincerely wish that he places at our disposal other edifying revelations, because we are certain that he has many more.

This testimony is very instructive as you will see, it is useful to everyone. For those who believe in God, it allows them to better understand the stakes of spiritual warfare, and for those who do not believe, he allows them to understand how the world is run. In any case, this revelation helps us not to be victims any more of the lies that the leaders of this world convey through their ‘media-lies’, to justify their wickedness. Each of us is well-informed now.

This second testimony is in three parts. We encourage you to read it completely, and draw your own conclusion. For those who did not have the opportunity to read the first part of this testimony that we published since last year, you can find it on our website mcreveil.org, within “Witchcraft” section under the title: Testimony of an ex-illuminati. God bless you!

Start of testimony

For the second time, I am writing to you Publishing Director. In a previous post which dates back to about a year, I explained to you the basis of the African problem which came down to the death of Mouammar Al-Kadhiha and the arrest of Laurent Gbagbo. I repeat it, these were the basis. In this new article that I publish, I will try to explain in details some depths of these conflicts while protecting my safety under a nickname. I therefore rely on your sense of professionalism. Colonel Kadhiha was able to show to the world and to Africa that any development and emergence is possible when one relies at first on oneself, this by using intelligently the resources of his country. The development which will follow will overpower, I will attempt, to enlighten the objectives of Africa and the Arab world through my experiences and the missions carried out when I was member of the occult services of the illuminati. The events which shake for more than 2 years the Arab and African countries are not the fruit of spontaneous revolutions, but “revolutions” of laboratory made up such as HIV-AIDS. Concerning the HIV-AIDS, I might write on the subject another time. For now, I shall develop the main aspects of this global pandemic which attack our brothers and sisters in this world. This will hinge on three pivot countries, to facilitate the understanding of all. It concerns Libya, Ivory Coast and Syria. These three countries by themselves become the harmonic symbol of the peace freedom which has furthered to expose the western diabolic lie intended to break up the states chosen by my former masters from their offices in Washington, London and Tel Aviv. Without delay, I will go to the heart of the matter that leads me to send you this new document which I advise you to read attentively after the one I entitled. I repeat, about a year ago: Laurent GBAGBO versus the new world order, (The path of freedom Part I).

September 14, 2001 - Camp David - Maryland - USA

The meeting being held that day was of utmost importance because the time to implement the plan initially prepared that had led to the triggering factor for the attacks of September 11, 2001 is running out. I say triggering factor because all this gruesome drama was conceived and planned by CIA (Central Intelligence Agency) with the support of FBI (Federal Bureau of Investigation), of Military Intelligence 6 (M6) and the Mossad (the national intelligence agency of Israel) at the orders of the illuminati, their masters and masterminds; this, under the mandate of George W. Bush, a valet with the title of president of United States of America. Let me insist here that the conquest of the Eurasian and African zones is the strategic objective of the illuminati for almost 40 years. But faced with all these objectives, three major obstacles stand before them today:

- China, which acquires slowly but surely a not incomparable part of the world economic cake, that is oil, gas, high-tech, uranium and other natural resources.
- The BRICS (Brazil-Russia-India-China-South Africa) which become an antagonistic disturbing block aimed at swaying their unchallenged power of domination.
- The impressive comeback of Russia under the leadership of Vladimir Putin, this former Lieutenant-colonel of the ex-KGB of St Petersburg’s of Vladimir Putin, this former Lieutenant-colonel of the ex-KGB of St Petersburg’s of Vladimir Putin, this former Lieutenant-colonel of the ex-KGB of St Petersburg’s of Vladimir Putin, this former Lieutenant-colonel of the ex-KGB of St Petersburg’s of Vladimir Putin, this former Lieutenant-colonel of the ex-KGB of St Petersburg’s of Vladimir Putin, this former Lieutenant-colonel of the ex-KGB of St Petersburg’s of Vladimir Putin.

This history which the world lives today began under the Carter administration which ruled the United States from

is heroin, produced from poppy, cultivated on a very large scale in Afghanistan to be sold in the countries which demand it. This is co-opted by Saudi Arabia. These “guides” such as Abdul Rasul Sayyaf and Pir Sayed Abdul Ahmad Gailani are giving the responsibility of indoctrinating the recruits to make the “Jihad” in Afghanistan against the “infidel Soviets”. In the background, the CIA and the drug cartels, that is, heroin, produced from poppy, cultivated on a very large scale from Pakistan to Afghanistan in an area very suitable and appropriate for growing that crop.

During that war, American CIA produced 60% of the world’s heroin. This dirty money will first be used to finance the mujahideen fighters and then renounce these funds to the arms manufacturers, that is, The Base in Arabic language. Yes, dear friends, Al Qaeda is a pure product of the CIA, M6 and Mossad, fearsome weapons of the illuminati. Then, it was necessary to prepare the ground for the “terrorist” attacks in order to have a National Security Adviser under Jimmy Carter, is the instigator of the “Cold War” where the favorite game of the illuminati in their march towards the new world order is to create “terrorist” cells. President Jimmy Carter is the evil genius who has inspired the 9/11 attacks which were named after the American soldier killed in the attack, although not in the Soviet Union’s good graces at the time. But the most important is materialized. Al-Qaeda is effective but its activities are thus avoided in the interest of all, although when Al-Qaeda was created, the test phase was the conflict in Kosovo where one had to go and support the Muslim Brotherhood with the partial support of the kingdom of Saudi Arabia. Conflict that ended in the NATO’s bombing which cruelly put an end to the war, splitting up therefore the entire region into autonomous territories under US control, thus under the control of the illuminati. But the most important is materialized. Al-Qaeda is effective but has not got a great deal of media attention yet.

Once Al-Qaeda was tested, the war against Afghanistan was started. The wave continues with a technology developed by the CIA, which was used effectively to justify the invasion of Iraq following the “grave” sin of Saddam Hussein, that is, to destroy oil in Iraq to liquidate the “lieu of Dollar which is the currency-tool of the illuminati.

The shock caused by the attacks “against” the Americans was used effectively to justify the invasion following the “grave” sin of Saddam Hussein, that is, to destroy oil in Iraq. The jump from Afghanistan to Iraq is the evil genius of the American Foreign Policy, which had been used by the CIA to justify the war against the “evil” terrorist. Poor devils who ignore that terrorists are their own governments which play with their intelligence. Because what the world did not know, is that the CIA can order Al-Qaeda to be used whenever they want, being trained whenever necessary in a private clinic belonging to Dr Terry Callaway, Toronto. Osama used to have visits from the CIA bureau chief Larry Mitchell. Bin Laden did not die in 2011 but well before. His death was announced by the former Prime Minister of Pakistan, Benazir Bhutto in 2007 during a televised interview cost her life to preserve that lucrative business, that is, Al-Qaeda is used by the illuminati to justify their wars. So let us come back to the attacks. Before September 11th, that is from 10 March to the end of June 2001, some shady individuals working for the CIA but who were not identified in the report of the 9/11 Commission, carry out military manoeuvres intended to adjust a Kalashnikov on a shooting range surrounded by fireworks. They then put together a Kalashnikov and an arterial sprayer for injection and the ‘terrorists’ inject each other with this “drug” to induce dreams. Then, they go to the CIA, claim to be the leaders of a “terrorist” cell and all the real passengers of the incriminated flights are arrested. They then go to the CIA and the FBI, who will take care of the rest. The CIA and the FBI, that is, the FBI, which is the currency-tool of the illuminati, then uses its resources to pay the organizers to lose the battle before it. They first do that as a “tactic” which will be repeated in the war against Saddam Hussein.

But in reality what the world ignores, is that the Democratic terms in the United States are used for preparing the future wars according to the illuminati plans. The democrats are used as “sleeping dragons” by the “incubators” of Al-Qaeda. A small group of leaders of Al-Qaeda, that is, a group of the “intelligence” of Al-Qaeda, that is, Al-Qaeda, that is, the CIA, that is, the Federal Bureau of Investigation, that is, the Department of Justice, that is, the Department of Defense, that is, the Department of Homeland Security, that is, the National Security Adviser under Jimmy Carter, is the instigator of the “Cold War” where the favorite game of the illuminati in their march towards the new world order is to create “terrorist” cells. President Jimmy Carter is the evil genius who has inspired the 9/11 attacks which were named after the American soldier killed in the attack, although not in the Soviet Union’s good graces at the time.
