Jesus Christ is the True God And Eternal Life

***But you, Daniel, shut up the words, and seal the book until the time of the end; many shall run to and fro, and knowledge shall increase.
Daniel 12:4***

Go your way, Daniel, for the words are closed up and sealed till the time of the end. Many shall be purified, made white, and refined, but the wicked shall do wickedly; and none of the wicked shall understand, but the wise shall understand.

Daniel 12:9-10

DISCERNMENT

(Updated on 01 01 2024)

1- THE PARABLE OF THE WEEDS

"⁴To you, O men, I call out; I raise my voice to all mankind. ⁵You who are simple, gain prudence; you who are foolish, gain understanding. ⁶Listen, for I have worthy things to say; I open my lips to speak what is right. ⁷My mouth speaks what is true, for my lips detest wickedness. ⁸All the words of my mouth are just; none of them is crooked or perverse. ⁹To the discerning all of them are right; they are faultless to those who have knowledge." Proverbs 8:4-9.

Beloved, it is with joy mixed with praises and worship that I give thanks to our God through Jesus Christ, for this victory He grants me over the devil, by making this teaching available to you at last. Many times I tried to put this teaching at your disposal in writing, but satan hindered me. It has been a serious battle for many years, but with relief, I can now say: ***"The Lord, He is God! The Lord, He is God!"***

If we had a little discernment, we would suffer less. Discernment, yes discernment! Just a little grain would have made us escape the multiple traps satan and his agents set for us every day.

How many times have we collided with satan's manoeuvres? How many times have we fallen into discouragement, murmuring, and many other sins due to lack of discernment?

How many Children of God have ruined their spiritual life, and how many true Servants of God have destroyed their ministry, due to lack of discernment.

How many men of God have found themselves in adulteries and fornications, and in other sexual blemishes, trapped by agents of satan pretending to be in the search of deliverance?

How many of us have found ourselves in lies, in falsehoods, and in many other forms of frauds and compromises to help agents of satan who know how to attract pity and compassion to their advantage?

How many brethren have totally ruined their spiritual life by praying for disguised agents of satan without discernment?

How many Children of God have often entrusted their children to witches called sisters, to finally see these children totally initiated?

How many times have we fallen into the trap of sending our children to these abominations called ***"Sunday schools"***, at the mercy of satan's agents who love to disguise themselves as what they call "Sunday school teachers"?

How many Children of God still spend time following sorcerers called pastors, for lack of discernment?

How many men of God think they are very busy today with the work of God, just because they suffer for demons and agents of satan in disguise who come to distract them?

How many Children of God have fallen into marriages with agents of satan disguised as Children of God, due to lack of discernment?

How many, how many, how many, ...?

Without discernment, God's people are at the mercy of satan and his agents. The damages caused by the lack of discernment in the midst of the people of God are countless. Yet everything is in the Word of God! Yet, Jesus hid nothing from us. Everything is nevertheless well stocked in this wonderful testament that God left for us: The Bible. Yet, the Bible is at the disposal of everyone today.

But how many pay attention to it? How many pay heed to it? How many are still ready to pay the price by meditating day and night the Word of God? All have turned away; all run after money, all pursue vanity, all run after the easy way. All run only after senseless books that the greedy make and sell. *"... They forsake the spring of living water, to dig their own cisterns, broken cisterns that cannot hold water."* Jeremiah 2:13.

Here are My people, says the Lord! False books with various satanic doctrines have become the source of teachings of many teachers today. The satanic institutes, called bible schools have become places where so-called Servants of God are trained. Even the few who belong to the Lord no longer find the importance of going through the Bible themselves to seek understanding. They no longer find it worthwhile to be trained at the feet of Jesus. They all rush towards the temples of greed and aberration called bible schools, to receive the teachings of demons, which have no biblical foundation.

They find it easier to fall back on the bad teachings that the people of satan have carefully selected for them. That is why we now have all-purpose false teachings circulating all over, and which are unanimously accepted in so-called Christian milieus, and when the truth eventually arrives, all are astonished, and discover as for the first time the wonders of the Bible. People of God, go back to the source while there is still time.

I will read and study with you this very short passage of the Bible, a passage, which, if it were well understood, would have made us escape from many failures and frustrations that we suffer from satan and his agents:

1.1- Matthew 13:24-30, 36-43

Matthew 13:24-30 ²⁴Jesus told them another parable: The kingdom of Heaven is like a man who sowed good seed in his field. ²⁵But while everyone was sleeping, his enemy came and sowed weeds among the wheat, and went away. ²⁶When the wheat sprouted and formed ears, then the weeds also appeared. ²⁷The owner's servants came to him and said, 'Sir, didn't you sow good seed in your field? Where then did the weeds come from?' ²⁸'An enemy did this,' he replied. The servants asked him, 'Do you want us to go and pull them up?' ²⁹'No,' he answered, 'because while you are pulling the weeds, you may root up the wheat with them. ³⁰Let both grow together until the harvest. At that time I will tell the harvesters: First collect the weeds and tie them in bundles to be burned; then gather the wheat and bring it into my barn.'

In this passage, the Lord Jesus reveals to us the main thing that we need to understand, in order not to suffer unnecessarily in His work: It is about the origin of the people who are in the world. And in Matthew 13:36-43, we have the explanation of this parable.

Matthew 13:36-43 ³⁶Then he left the crowd and went into the house. His disciples came to him and said, explain to us the parable of the weeds in the field. ³⁷He answered, the one who sowed the good seed is the Son of Man. ³⁸**The field is the world**, and the good seed stands for the sons of the kingdom. The weeds are the sons of the evil one, ³⁹and the enemy who sows them is the devil. The harvest is the end of the age, and the harvesters are angels. ⁴⁰As the weeds are pulled up and burned in the fire, so it will be at the end of the age..."

The Lord clearly gives us the explanation of this parable, so that no one may try to interpret it in his own way. We thus understand from this explanation of Jesus, that there are two categories of people in the world: On the one hand, those who have been sown by God Himself, that the Bible calls wheat, or good seed, or seed of God, or Children of God, or sheep of the Lord. On the other hand, those that are sowed by satan. The Bible calls them weeds, or seed of satan, or children of the devil, or sons of the evil one, or demons.

You thus understand clearly that all the people who are in the world, small and great, rich and poor, free and slave, fall only into these two groups: ***On the one hand men sowed in the world by God, they are the sheep of the Lord, and on the other hand, men sowed in the world by satan, they are demons.***

Understand then beloved, that the term **demon** or the appellation demon that I used in my first letters is not an insult. It is just because you did not understand yet, that you found my language hard. Many men on earth are demons, that is to say, weeds, which means, the seed of satan. The appellation demon is therefore not an insult, and does not only refer to demons in spirit. It is also for demons in flesh. Whether one calls them weeds, or children of satan, or sons of devil, or seed of satan, or demons, it is the same thing.

From this teaching, it comes out clearly that there are people on earth who will never be saved. This has nothing to do with the notion of predestination as many brethren understand it. I will linger a bit on this notion, to render things clearer. But before talking about predestination, I would first of all like to warn you about the wrong interpretation of the passage of Matthew 13:28-29.

1.2- Warning

As you have read in the parable of the weeds above, the Lord has asked His *Servants not to **pull** the weeds from the field, but to **let the wheat and the weeds grow together until the harvest**...* Each time, false pastors choose to deliberately twist the meaning of this passage to justify their folly. God has asked pastors to expel from the Church all the wicked, that is all those who call themselves Christians, but refuse to obey the word of God. This teaching is clearly given to us in 1Corinthians 5:9-13.

"⁹I have written to you in my letter not to associate with sexually immoral people - ¹⁰not at all meaning the people of this world who are immoral, or the greedy

and swindlers, or idolaters. In that case you would have to leave this world. ¹¹**But now I am writing to you that you must not associate with anyone who calls himself a brother but is sexually immoral or greedy, an idolater or a slanderer, a drunkard or a swindler. With such a man do not even eat.** ¹²What business is it of mine to judge those outside the church? Are you not to judge those inside? ¹³God will judge those outside. **Expel the wicked man from among you.**" 1Corinthians 5:9-13.

But because of greed, because of the income from tithes and offerings that these sorcerers' pastors want to preserve, they refuse to expel the wicked from the Church. And when one confronts them with this teaching, by explaining that the place of the wicked is not in the Church, but indeed out of the Church, these greedy pastors say that God has asked us to allow the wicked until the last day, and that He (God) would be the one to come and take care of them.

Beloved, here is a trap into which you must never fall again. In Matthew 13:38, the Lord specifies that the field is the world, as I have underlined in the verse above, and not the Church. **The field is the world, and not the Church.** God did not ask us to leave the wicked in the Church until the harvest, He has instead asked us to leave the wicked in the world until the harvest.

We cannot expel satan's agents from this world, because we are in their world. The Lord will be the One to take care of them on the Day of Judgment. But the Church is God's territory; it is the territory of the Children of God. And we must not allow in this territory the wicked who choose, voluntarily, to live their own way, and not God's way.

Therefore you should clearly understand that in 1Corinthians 5, it is no longer about the world, but rather the Church. And there, God is asking us to expel from among us, all the wicked, that is, all those who call themselves brothers, but choose voluntarily to live their own way. Their place is outside the Church, and not in the Church. Why? The answer is given to us in 1Corinthians 5:6 "**Your boasting is not good. Don't you know that a little yeast works through the whole batch of dough?**" and in 1Corinthians 15:33 "**Do not be misled: Bad company corrupts good character.**"

Know therefore that it is because of the love of money that these sorcerers pastors twist the meaning of Matthew 13:38 to keep all the wicked in the Church. It is not because they are ignorant. Each time they think of expelling a wicked from the Church, they think twice about the amount of tithes and offerings that they will lose. It is therefore up to you to come out from all those false milieus mistakenly called churches. Let us now come back to the notion of predestination.

1.3- Predestination

When the Bible talks of predestination, many brethren always understand it to mean that God created some people for Paradise, and others for Hell. No beloved, this notion of predestination is erroneous. That is neither the thought of God nor His plan. **God did not decide to create some people for fire and others for salvation.**

What is then the meaning of predestination such as the Bible teaches?

To better understand the notion of predestination, you need to consider the Righteousness of God. God is Righteous. And in His Righteousness, He grants every man the possibility to be saved. John 3:16 tells us, *"For God so loved the world that he gave his one and only Son, that **whoever** believes in him shall not perish but have eternal life."*

In many passages of the Bible such as Romans 8:29-30; Ephesians 1:3-5, 11; 1Peter 1:19-21; Revelation 13:7-9; Matthew 25:33-35; John 17:23-25; Revelation 17:7-9 etc. the word of God gives us references on this notion. What the Bible teaches us is that God in His greatness knows beforehand those who are His, and also those who are of the evil one. He knows them all, and can presently speak, before the end of all things, as if we were already at the end. Every person in the world is thus either a seed of God, which means a sheep of Jesus Christ, or a seed of satan, which means a demon.

1.4- How many are they?

One may be tempted to ask what percentage of people on earth are the seed of satan. Know that in terms of percentage, only a small fraction of people on earth belong to the Lord. Jesus revealed it to us in Matthew 7:13-14 in which He tells us of two doors: *"¹³Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it. ¹⁴But small is the gate and narrow the road that leads to life, and only a few find it."*

The gate that leads to destruction is wide, and many go through it, since many of those who inhabit the world are the children of the devil. The one that leads to life is very small, and only a few go through it, because only very few persons on earth are the seed of the Lord. Therefore, do not be astonished at the fact that very few on earth accept the Gospel of Jesus Christ. And even among those who accept the Gospel, there are very few who remain in the Truth.

Therefore, know that there are people in the world who will never be saved, that is, people who will only go to Hell. Once more I specify, not because God made them for Hell, but rather because they are from Hell, they are of the evil one, they are satan's children, the sons of perdition. And as the Bible tells us, *"... **the whole world is under the control of the evil one.**"* 1John 5:19. In fact, they have never been real men, although resembling the normal man, seed of God. That is why God calls them weeds, which means false wheat, yet very much resembling wheat.

1.5- Why does satan send them into the world?

To cause confusion and render the work of Children of God more complicated, and life on earth very difficult. Satan has missed Heaven, and now has only one objective, win everyone for Hell. And to do this job, he needs a whole big team, many tricks and tactics. In his team, he has demons in spirit that we do not see, and that fight us day and night, and demons in flesh that live with us and in our midst. And the latter are there to bore the pants off us, to give us headache, to push us into abandoning God, if that were possible. They are there to render life extremely complicated for us.

1.6- Can They Accept the Truth?

Most of them do not accept the Truth. Many are vehemently against the Word of God, and fight the Gospel with all their might. Many do not even like hearing about God, and cannot even stand the false gospel. Therefore, do not be surprised to see that when you preach the Gospel, or when you start talking about the things of God, there are people who do not even like listening before refusing.

1.7- Can They Remain in the Truth?

There are also a good number of them who accept the Truth, but cannot remain in the Truth. When the Truth is taught, they are happy, and also commit themselves to following the sound doctrine. But not being of the Truth, they cannot withstand. After some time, they withdraw. 1John 2:19 tells us, "***They went out from us, but they did not really belong to us. For if they had belonged to us, they would have remained with us; but their going showed that none of them belonged to us.***"

2- WEEDS IN THE CHURCH

"²⁹I know that after I leave, savage wolves will come in among you and will not spare the flock. ³⁰Even from your own number men will arise and distort the truth in order to draw away disciples after them." Acts 20:29-30.

In the first part of this teaching, we studied the parable of the weeds, and this enabled us to understand the hidden mystery behind the origin of men who are on earth. As we have studied, many of those surrounding us are the seed of satan, that is weeds, or demons. And one of the questions we ask ourselves, is that of knowing if there are weeds in the midst of God's people.

2.1- Are there weeds in Churches?

If the answer was no, this teaching would almost be of no importance. In churches or still in so-called Christian assemblies today, there are more weeds than wheat, which means there are more demons than true Children of God.

Most of the so-called born again Christians today, are people who will never be saved, that is, people who in reality do **not** believe in Jesus, though they give the impression of following Jesus. Yet, they are called born again Christians; they are called brothers and sisters. And many among them have the titles of Servants of God, that is, apostles, prophets, teachers, evangelists, pastors, and other elders; without counting deacons and leaders of the different groups of madness that have been created in the assemblies today.

It is now easy to understand that many pastors and other so-called Servants of God who fill the earth today are of the seed of satan. In the same way, many Christians and so-called Children of God who fill the earth today are weeds. That is why the Truth has disappeared from the earth.

If you want churches today, you will find millions of them. But if you seek some groups of true Children of God, you will find very few. If you want pastors, prophets, evangelists and other so-called Servants of God today, you will find millions. But if you seek some true Servants of God, ready to teach the Truth and live the Truth, you will find very few. This helps us to better understand the prophecy the Lord gave us in 2Timothy 4:3-4 *"³For the time will come when men will not put up with sound doctrine. Instead, to suit their own desires, they will gather around them a great number of teachers to say what their itching ears want to hear. ⁴They will turn their ears away from the truth and turn aside to myths."*

Now that we know that in churches and so-called Christian assemblies, there are more weeds than wheat, meaning that there are more demons than true Children of God, it would be even more important for us to know how to *recognize them*.

2.2- How do we recognize them?

Because of the fact that the Truth is no longer preached, many of these demons feel comfortable in churches. Due to lack of discernment, one does no longer distinguish them from true Children of God; and this creates a serious confusion.

Glory be to God, we will now examine the elements of discernment, which help us to recognize them.

Matthew 7:15-20 *"¹⁵Watch out for false prophets. They come to you in sheep's clothing, but inwardly they are ferocious wolves. ¹⁶By their fruit you will recognize them. Do people pick grapes from thornbushes, or figs from thistles? ¹⁷Likewise every good tree bears good fruit, but a bad tree bears bad fruit. ¹⁸A good tree cannot bear bad fruit, and a bad tree cannot bear good fruit. ¹⁹Every tree that does not bear good fruit is cut down and thrown into the fire. ²⁰Thus, by their fruit you will recognize them."*

The Lord in this passage, warns us against false prophets, that is against all the children of satan, who will pretend to be Servants of God, or simply Children of God. The Lord is not satisfied with just warning us. In His love, He gives us **the most precious element** we need to recognize them: **Their fruits**. And as every tree is recognized by its fruit, all we need is to learn to recognize their fruits, and we will recognize them easily.

2.3- The fruits

Beloved, before we study their different fruits, know that there are fruits that a true Child of God cannot bear, that there are also fruits that a child of satan cannot bear, and that there are fruits which I call common fruits between Children of God and children of satan.

To save time, I will not insist on the fruits that characterize the true Children of God. In one word, it is Love and all the fruits derived from Love. We know them; they are in fact the opposite of the fruits that the children of the devil bear, fruits we will mention below.

As for the fruits that I called common, it is on the one hand, the fruits of satan that Children of God bear in times of weakness, and on the other hand, the fruits of God that satan's agents in their craftiness, pretend to bear.

The fruits of satan that Children of God often bear is sin, in all its forms. Sin is from the devil. *"Who does what is sinful is of the devil, because the devil has been sinning from the beginning."* 1John 3:8. There is no sin in God, and true Children of God are supposed not to commit any sin. But because of our nature, we sometimes in moments of weakness, commit sins before God. But when we are truly of God, we have hatred for sin, and we always make every effort to flee from sin. 1John 3:9-10 *"⁹No one who is born of God will continue to sin, because God's seed remains in him; he cannot go on sinning, because he has been born of God. ¹⁰This is how we know who **the children of God** are and who **the children of the devil** are: Anyone who does not do what is right is not a child of God; nor is anyone who does not love his brother."*

The fruits of God that the children of satan in their craftiness pretend to bear are generosity, hospitality, and some other good works. I make it clear that children of satan pretend to bear these fruits, because in fact, they cannot bear them. True generosity comes from love. And as these people have no love in them, because not being of God, even their so-called good works are soiled; they are not done with a pure motive. When agents of satan who are in churches do some

good works such as generosity and hospitality, it is always accompanied by incantations. They are generally good opportunities for them to initiate Children of God into witchcraft.

Retain again that when the Bible talks of Love, this has nothing to do with what the world in its blindness calls love, that is, love full of hypocrisy and lies. Love has nothing to do with the so-called good works that people carry out in the world. ***Love is God, and Love consists of walking according to the commandments of God. Retain very well that the children of the devil have no grain of love in them, because not being the seed of God, they do not have God.*** Hence, all what you see with your eyes and that you call love, is only a semblance of love. And it is this semblance of love that has filled the world today. ***True Love can only be found in the true Children of God, because the seed of God remains in them: Love based on the fear of God and on the Truth.***

Let us now come back to the fruits that help us to recognize the agents of satan in churches:

2.3.1- They cannot accept the truth

In the first teaching, I talked about the case of those who are not even ready to withstand the false gospel. Others on the contrary, accept the false gospel, that is, the gospel founded on lies, on false doctrine. And they rejoice greatly in this lie, they are comfortable in this kind of gospel. But they cannot stand the Truth. They are the ones who savagely fight the Truth. They ferociously persecute those who preach the Truth, even though they claim to be Christians.

If they are therefore very numerous in churches today, it is because the Truth has disappeared from the so-called Christian milieus. It is the lie, which means false doctrine that is preached and practiced in churches. And as these people are of the lie, they are at ease in these assemblies where false doctrine is taught. They are not in assemblies because they have accepted Jesus Christ; they are there because these milieus of lies fit them well. When the Truth comes, they fight it with all their heart, and savagely fight the preachers of the Truth.

The Christian milieu is full of them. They are the ones who fill all the big assemblies of madness that you know today. They appear to be so "zealous for the Lord", but woe to you if you dare bring the Truth to them. They will ask you like Pilate: What is the Truth? As from now, you will recognize them, even if they call themselves Servants of God.

Therefore, do not be surprised that in the world, there are many so-called Servants of God, with all the big titles, even titles that God has never attributed, with millions of so-called born-again Christians, but only few among them are ready to accept the Truth. It is not surprising to find large assemblies of several hundred faithful, without a single seed of God.

Beloved, do not be astonished at the fact that when you visit one of these assemblies of madness on Sunday, you have nausea seeing what is going on, and at the same time you see other people rejoicing and telling you how there is anointing in the hall. In the same way that a seed of God cannot be comfortable in lies, a seed of satan cannot rejoice in the Truth.

Know very well, that lie is false doctrine, that is, every doctrine not in conformity with the Word of God, these false teachings not in conformity with the Bible that human religion spreads today. The Truth on the contrary, is the word of God as it is written, it is the sound doctrine.

If you create an assembly of madness today, it will immediately get full. But if you try to abide in the doctrine of Jesus, all will run away, and persecutions will come to you from everywhere.

You now understand more easily that all the big assemblies of thousands of members that you know today are assemblies of demons. They are assemblies created to distract and deceive true Children of God, and to prepare the apostate church of the antichrist. That is why everything is taught in these assemblies, except the Truth.

The founders of these assemblies just use the name of Jesus as a pretext to perform their madness. The Bible tells us *they have a form of godliness but denying its power.* 2Timothy 3:5.

When the Truth is preached to them, they become furious, and they fight it violently, persecute the one who preaches this Truth. And after that, they organize what they call "prayer meetings" and "all night prayers". They deceive themselves by saying that they are praying to God. Remember that: *"One who turns away his ear from hearing the law, even his prayer is an abomination."* Proverbs 28:9.

Milieus called churches today are so rotten that, true Children of God no longer know what to do. Besides, in almost every country of the world presently, true Children of God have already come out of all these assemblies of demons, and meet in small groups in houses, to sanctify themselves while waiting for the sound of the trumpet.

This is not surprising, the word of God says, *"An unjust man is an abomination to the righteous, and he who is upright in the way is an abomination to the wicked."* Proverbs 29:27. If you see someone being at ease in these apostate milieus, know that he is in his milieu.

No true seed of the Lord can bear the false doctrine and abomination practiced in these apostate assemblies today. Their madness has become so manifest that someone indwelt by the Spirit of God cannot put up with what he sees and hears.

And even the few Children of God who by ignorance still go to these milieus, will soon come out with the help of the Holy Spirit.

2.3.2- They cannot remain in the truth

There are also many among them who accept the Truth, but they cannot remain in the Truth. Let us examine this passage from **1John 2:19** "They went out from us, but they did not really belong to us. For if they had belonged to us, they would have **remained** with us; but their going showed **that none of them belonged to us.**"

Let us also examine these passages from the Gospel of John:

John 6:60-70 ⁶⁰On hearing it, many of his disciples said, "This is a hard teaching. Who can accept it? ⁶¹Aware that His disciples were grumbling about this, Jesus said to them, "Does this offend you? ⁶²What if you see the Son of Man ascend to where he was before! ⁶³The Spirit gives life; the flesh counts for nothing. The words I have spoken to you are spirit and they are life. ⁶⁴Yet there are some of you who do not believe." For Jesus had known from the beginning which of them did not believe and who would betray him. ⁶⁵He went on to say, "This is why I told you that no one can come to me unless the Father has enabled him." ⁶⁶From this time many of his disciples turned back and no longer followed him. ⁶⁷"You do not want to leave too, do you?" Jesus asked the Twelve. ⁶⁸Simon Peter answered him, "Lord, to whom shall we go? You have the words of eternal life. ⁶⁹We believe and know that you are the Holy One of God." ⁷⁰Then Jesus replied, "Have I not chosen you, the Twelve? Yet one of you is a **devil!**"

Not being of the Truth, they always find the Truth very hard, and cannot bear it. There is a striking element here; it is the fact that Jesus is not surprised at their attitude towards the Truth. **Moreover, when these people choose to run away from the Truth, Jesus is not the least anxious. He does not run after them to beg them to come back, but on the contrary He even asks those who remained, why they do not leave too.** If one compares the Pastor Jesus to the pastors of today, one may be tempted to believe that Jesus was a bad pastor, who did not know how to take care of His sheep, and who did not run after the faithful who were getting discouraged.

We nevertheless know there is no better Shepherd than Jesus. The difference with today's pastors is that Jesus had discernment. He knew that there are people who do not believe, that is, people who cannot be saved, simply because they are not of the seed of God. Jesus also knew that even by compromising oneself, one could not win such people, because they cannot be won over at all.

How many Pastors today, because of lack of discernment, spend their time running after demons who cannot bear the Truth, and suffer unnecessarily to try to win them!

With regard to false pastors, their case has nothing to do with the lack of discernment. Rather, they are motivated by **greed**. It is the love of money that drives them. Because of greed, because of the love of money, to better collect tithes and offerings, these pastors spend their time running after people who cannot withstand the Truth. Some go to the extent of changing their messages, to bring back people who had gone, and to prevent those who want to leave from leaving. ***Not for the sake of saving souls, but in order not to lose tithes and offerings.***

John 8:30-44 "As He spoke these words, many believed in Him. ³¹Then Jesus said to those Jews who believed Him, "If you **abide** in My word, you are My disciples indeed. ³²And you shall know the truth, and the truth shall set you free." ³³They answered Him, "We are Abraham's descendants, and have never been slaves of anyone. How can you say that we shall be set free?"... ³⁷"I know that you are Abraham's descendants, but you seek to kill Me, because My word has no place in you. ³⁸I speak what I have seen with My Father, and you do what

you have seen with your father." ³⁹They answered and said to Him, "Abraham is our father." Jesus said to them, "If you were Abraham's children, you would do the works of Abraham. ⁴⁰But now you seek to kill Me, a Man who has told you the truth which I heard from God. Abraham did not do this. ⁴¹You do the deeds of your father." "We are not illegitimate children," they protested. "The only Father we have is God himself." ⁴²Jesus said to them, "If God were your Father, you would love Me, for I came from God and now am here. I have not come on My own; but He sent me. ⁴³Why is My language not clear to you? Because you are unable to hear what I say. ⁴⁴**You belong to your father, the devil**, and you want to carry out your father's desire. He was a murderer from the beginning, and does not stand in the truth, because there is no truth in him. When he lies, he speaks his native language, for he is a liar and the father of lies."

They can accept the Truth, they can believe in Jesus. That is why when one preaches the Truth, there are many among them who believe. But they cannot remain in the Truth, simply because they are not of the Truth. ***They always end up withdrawing from the Truth.***

2.3.3- They fight the truth

They are very zealous and engaged in the fight against the Truth, and they use all the means at their disposal to do this. They have as weapons: Slander, sabotage, disinformation, lies, intimidation, and threats. They often use satanic radios that they call Christian radios, to fight the Truth. When they come across books like these ones, which denounce their deeds, they go on their radio antennas, make announcements, and ask people not to read them. Several times, so-called Christian journalists have made announcements on the antennas of these radios of prostitution, asking people not to read our books.

With these same ecumenical radios that they call Christian radios, where each sect has its own slot, they pollute the world with false doctrine, thus preparing the ground on which the antichrist will operate. For them, the worshippers of the demon called "virgin mary" are Christians, paedophiles are Christians, homosexuals are Christians, people who practice magic are Christians, those who practice witchcraft are Christians, those who worship idols are Christians. See the extent to which seduction has invaded the so-called Christian milieu. Yet they are not ashamed to fight the truth, they who claim to be serving God.

Several religious leaders called pastors, seized our books to tear them up, others forbade their congregation from reading them. Some threatened to expel anyone who dared read these books. And since they have another weapon of intimidation, which they call "excommunication", they told the congregation that he who reads these books will be "excommunicated". This is how you recognize demon pastors. If you have some doubts about this, ask yourself this question: What is so serious about these books that Christians cannot read and judge with respect to the Bible?

Still others, threatened the faithful, promising to place anyone who reads these books "under discipline". That is how the gurus of satanic sects that you wrongly call churches, hold people captive under the pretext of protecting them. They have the same satanic language, you hear them saying they are protecting their

"members". The members of the body of Christ have thus become the members of these demons. Instead of saying that they are watching over their tithes and offerings takings, these hypocrites say that they are watching over the sheep.

There were churches in which we distributed these books, and when we left, these demon pastors told the faithful to bring back all these books, to be torn. Still others who found it a bit risky to recover what the congregation already had, instead collected the remaining ones which were to be distributed, to destroy them. This is how you recognize demons. And if you doubt for a moment that they are demons, ask them the kind of spirit that pushes them to throw these teachings that you appreciate so much into the dustbin. Ask them to show you what is biblically false in these teachings, so that the only solution is to destroy them as soon as possible.

Another demon, even more zealous, did not limit himself to forbidding the reading of these teachings to his faithful, he also undertook to go round an entire big neighbourhood, to knock on every door, to collect from the inhabitants all the books they had received, because he had learned that the books had been distributed in that neighbourhood. And his problem was that in these books, it is said that one must be baptized, while he, a senior pastor of a so-called Pentecostal church, did not believe in baptism. There are still others, who were a little bit craftier, and forbade the faithful to read these books, telling them that these teachings are intended only for the elders.

Look how fierce demons are against the Truth. When we did not have discernment, we wondered, "What kind of pastor can be so much against the Truth?" Since we always thought that they were true pastors. We never imagined that there were pastors who were seeds of satan, yet they are the most numerous.

I bless the Lord because He finally opens our eyes. These demons have titles in churches, titles of pastors, evangelists, teachers, prophets, apostles, etc. Even their companion Judas Iscariot, another seed of satan, had the title of apostle. It is therefore not surprising!

You will see them moving for miles, going from town to town, just to prevent people from hearing the Truth. Very often when I have to travel somewhere, there are some who go there ahead of me, sensitizing people against the message I will preach. Others instead endeavour to be present while I am teaching, to contradict me, and prevent Children of God from hearing the message.

And for others, whenever they find out that I am going to hold seminars or conferences somewhere, they quickly plan another event during the same period, in order to distract people and prevent them from attending.

All possible lies and slanders are said against us, to convince people, and prevent them from listening to the Truth. And all possible traps are set against us wherever we go. What we are going through today is what our first brothers experienced before us. If you want to understand it, read the entire passages of Acts 17:1-13, and Acts 23.

Acts 17:1-13 "¹When they had passed through Amphipolis and Apollonia, they came to Thessalonica, where there was a Jewish synagogue. ²As his custom was, Paul went into the synagogue, and on three Sabbath days he reasoned with them from the Scriptures, ³explaining and proving that the Christ had to suffer and rise from the dead. "This Jesus I am proclaiming to you is the Christ," he said. ⁴Some of the Jews were persuaded and joined Paul and Silas, as did a large number of God-fearing Greeks and not a few prominent women. ⁵But the Jews **were jealous**; so they rounded up some bad characters from the marketplace, formed a mob and started a riot in the city. They rushed to Jason's house in search of Paul and Silas in order to bring them out to the crowd... ¹³When the Jews in Thessalonica learned that Paul was preaching the word of God at Berea, they went there too, agitating the crowds and stirring them up."

Acts 23:1-35 "... ¹²The next morning the Jews formed a conspiracy and bound themselves with an oath not to eat or drink until they had killed Paul. ¹³More than forty men were involved in this plot..."

But, I rejoice beloved and will rejoice always, for **the Truth will never be suppressed**, Alleluia! Alleluia! Alleluia! If this Truth could be suppressed, it would not have reached us. For the demons who were before these ones, worked harder than these ones to destroy the Truth, but their efforts were in vain.

Glory be to God the Father, in the name of Jesus Christ the Son of the Father, for the fact that all fight against the Truth, is a fight lost in advance. The Word of God is the Truth, and God has promised to watch over His Word, to keep it, and to protect it. All those who fight the Truth, are instead cutting a tree with a razor blade, they are emptying the sea with a cup. What a tiring task! May God be praised! Alleluia!

I rejoice again, beloved, that by preventing us from speaking to the pagans so that they may be saved, and to the captives so that they may be set free, these demons who persecute us do not stop heaping up their sins to the limit. But they will not escape the wrath of God.

2.3.4- They fight the teaching on discernment

The teaching on discernment is that which demons fight the most. They are so much against this teaching that they try hopelessly, and by all means, to destroy it. This teaching has exposed them so much so that it has become impossible for them to continue to hide. To be completely unmasked in this manner, is what these demons are not ready to digest. Many have gone into the Bible, hoping to find some scriptures whose meaning they would twist in order to fight and suppress this teaching, but they have found none, and cannot find any. The Lord is alive!

The teaching on discernment is so clear and the Lord has so well presented it to us that even dishonest people recognize its authenticity. The fact that some choose not to recognize it does not in any way render the teaching wrong. When it is God who does it, He does it well. And what the Lord does, no man can undo. God knows that this teaching is true; we His children also know it. Satan and his agents also know that this teaching is true, even if some endeavour in vain to destroy it. No true child of God can fight this teaching that is so well explained,

and none can resort to tricks to discredit it. This is not the work of God's Children. Therefore, only the people of Satan, who in order to fill up the measure of their sins, embark on this absurd campaign of destruction and denigration.

If you therefore hear a so-called Christian or pastor supporting the fact that demons in flesh do not exist, do not be surprised. Just know that that so-called Christian or pastor is a demon. This is exactly how these sons of perdition deceive themselves, not because they are ignorant, but rather because the teaching on discernment has exposed them. They try their hardest to fight this teaching, even though they know that they will never be able to disprove it using the Bible. They hope that by fighting the teaching and by demonstrating that demons in flesh do not exist, they will be able to hide themselves, or even muddle people's ideas, in relation to what we already know about them.

That is how their first demon brothers tried to prove to Jesus that they were not demons, and that demons in flesh did not exist. They rather claimed to be Children of God, and accused Jesus of having a demon, as you can read in the following passage:

³⁸I speak what I have seen with My Father, and you do what you have seen with your father. ³⁹They answered and said to Him, "Abraham is our father." Jesus said to them, "If you were Abraham's children, you would do the works of Abraham. ... ⁴¹You do the deeds of your father." Then they said to Him, "We were not born of fornication; we have one Father - God." ⁴²Jesus said to them, "If God were your Father, you would love Me, for I proceeded forth and came from God; nor have I come of Myself, but He sent Me. ⁴³Why do you not understand My speech? Because you are not able to listen to My word. ⁴⁴**You are of your father the devil**, and the desires of your father you want to do. He was a murderer from the beginning, and does not stand in the truth, because there is no truth in him. When he speaks a lie, he speaks from his own resources, for he is a liar and the father of it... ⁴⁸Then the Jews answered and said to Him, "Do we not say rightly that You are a Samaritan and have a demon?" **John 8:38-44, 48.**

Know therefore, beloved, that all those so-called pastors or Christians who try to prove that demons in flesh do not exist, are demons. They know very well that demons in flesh exist. They recognize that the teaching on discernment is so clear that no one can prove the contrary using the Bible. But they are embarrassed when they find themselves unable to hide their fruits. And as Christians are now able to recognize them more easily with the elements of discernment that the Lord has given us, these demons try to shuffle the cards. They try to sow confusion in all that we have received.

They think that they can succeed in making people believe that this teaching is false. But as the Lord is alive, each time these demons try to prove that the teaching on discernment is false, they rather find themselves confirming that this teaching is true. All the arguments, which they try to use to confound us, end up confounding them the more, and prove that the Lord has really spoken through us. Alleluia! Do not forget that demons have always fought the truth, and have always tried to destroy or nullify the word of God. But for thousands of years, they have been unable to do that. And as Satan is always stubborn, he and his agents continue the same work. Be reassured, it is a waste of time. No

demon will ever succeed in destroying the truth. ***The fight against the truth is a fight lost in advance.*** This also proves to us that our God is the only true God. Alleluia!

In an attempt to prove that demons in flesh do not exist, one of these demons even declared that Judas Iscariot had repented, talking about repentance as regards to salvation. When people asked him how he could utter such nonsense, he answered by saying that in Matthew 27:3, it is said that Judas had repented, or in other words, that Judas was remorseful when Jesus was condemned. What that serpent forgets, is that, after what he calls repentance of Judas in verse 3, that same Judas went to hang himself, in verse 5.

This is how far demons go to try to contradict us. If the word "repentance" or the expression "being remorseful" mentioned in verse 3, meant repentance with regards to salvation, Judas would not have committed suicide. Now we all know that Judas hanged himself. But this serpent declares that Judas had repented, meaning that he is saved. By this, that demon wants to tell you that all those who hang themselves, or who commit suicide, go to Heaven, or that somebody can hang himself or commit suicide, and nevertheless go to Heaven. The degree of idiocy of these demons is pathological.

Another demon, still in an attempt to prove that demons in flesh do not exist, declared that *"If satan had the power to bring forth demons in flesh on earth, it would therefore imply that God is really vicious and cruel, and is joking by bringing us into an earth infested with demons in flesh, to see who would be able to cope."* When those serpents want to blaspheme, they pretend not to know what they are doing. For this demon is blaming the Lord here, and is trying to tell you that God is vicious and cruel, because He brings us in a world infested with demons in flesh. Jesus tells us in Luke 10:3 ***"Behold, I send you out as lambs among wolves."*** And this serpent, who pretends not to know that Jesus has expressly sent us on an earth filled with wolves and serpents, says that God is really vicious and cruel, to have done that. Do not be surprised that these demons blaspheme so easily; it is because they know that they have nothing to lose. Never dare to imitate them!

This same demon goes as far as saying that *"The good seed stands for the Word of God. Those who receive it become Children of God, they therefore become sons of God or seed of God."* Whereas Jesus tells us that ***the good seed stands for the sons of the kingdom.*** Now it is up to you to judge, who between the Lord Jesus and that demon knows best.

That serpent continues by saying that *"We are all weeds at birth, and it is on the way, that some accept the Gospel and become wheat."* For him, the fact that I said in the teaching that weed cannot become wheat, is a proof that my teaching is false.

I told you above beloved, that each time those demons try to prove that the teaching on discernment is false; they rather find themselves confirming that this teaching is true. All the arguments that they use to try to confound us, expose them the more. To say that *"We are all weeds at birth"*, is just another form of idiocy. The Lord Jesus says that He has only sown wheat in His field, and that it is the enemy who came during the night, to sow weeds.

That son of the evil one affirms that weeds can become wheat. If the weeds could truly turn into wheat, God would have turned that weed into wheat, instead of telling His servants to let both the weed and the wheat grow together until the harvest, so that at the time of harvest, the weeds are collected and tied in bundles to be burned. Read carefully again this parable of the weeds in Matthew 13:24-43, and you will see to what extent these demons, who believe to be as wise as us, are stupid.

2.3.5- They blaspheme against the Holy Spirit

The mission of the demons in flesh in the world in general, and in the Church in particular, is to do everything so that no one enters Heaven. These snakes therefore do all they can, either to prevent people from believing in Jesus Christ, or to turn away from Jesus Christ those who have already believed. Thus, they fabricate all kinds of lies and false slanders against sound doctrine, and against the true Servants of God who teach sound doctrine. These demons do not engage in this kind of malice out of ignorance or weakness; they do it consciously and willingly, to turn people away from Jesus Christ, the only true God and the only true Saviour, in order to lead them with them to Hell. Given the difficulty that many children of God have in understanding the teaching of Blasphemy against the Holy Spirit, I thought it best to treat it completely in a separate teaching entitled "**Blasphemy Against the Holy Spirit**", which you will find on the site www.mcreveil.org. I recommend it.

2.4- Other fruits

To know the other fruits, we will study 1Corinthians 13, Jude, Romans 16:17-18, Titus 3:10-11, 2Peter 2, 1Kings 18, and 1Kings 22.

2.4.1- Study of 1Corinthians 13

"¹If I speak in the tongues of men and of angels, but have not love, I am only a resounding gong or a clanging cymbal. ²If I have the gift of prophecy and can fathom all mysteries and all knowledge, and if I have a faith that can move mountains, but have not love, I am nothing. ³If I give all I possess to the poor and surrender my body to the flames, but have not love, I gain nothing."

In verses 1 to 3, the Lord draws our attention to the fact that manifesting some gifts does not in any way signify that we are of the seed of God. It is not the number of gifts that we manifest that makes us Children of God but rather the fruit of God in us that proves that we are of the seed of God.

Many children of the devil manifest gifts, and that is what deceives Children of God. Instead of looking at their fruits, they look at their gifts. If we were to look at gifts, we would arrive at the conclusion that these people of satan serve God more than the true Children of God, since they are generally the most numerous to manifest gifts: ***It is therefore not by their gifts that you will recognize them, but by their fruits.***

In verses 4 to 7, the Lord reveals to us another fruit that the children of the devil cannot bear. This fruit is Love, and all its branches. Let us examine this together:

"⁴Love is patient, love is kind. It does not envy, it does not boast, it is not proud. ⁵It is not rude, it is not self-seeking, it is not easily angered, it keeps no record

of wrongs. ⁶Love does not delight in evil but rejoices with the truth. ⁷It always protects, always trusts, always hopes, always perseveres."

By this you will recognize the people of satan in your midst:

- They lack patience, and kindness.
- They are full of wickedness and all sorts of envy, they are never satisfied. They are too attached to worldly things.
- They are arrogant, and like to draw onto themselves honour, which they do not have at all.
- They are dishonest, selfish, and only seek their own interests.
- Their hearts are full of all sorts of covetousness.

If the today's churches are full of egoism and wickedness, it is because these churches are full of demons. In the assemblies of true Children of God, it is love that reigns, sharing, brotherly fellowship etc. Today, you meet people sufficiently rich, and people sufficiently poor, in the same church. None is ready to share with another. Pastors and leaders themselves accumulate, accumulate, accumulate again, to the point of becoming excessively rich, and they boast of their riches, they are proud of the material goods surrounding them, and the indecent luxury in which they live. They keep themselves at ease, keep their children at ease, and keep their families at ease. Meanwhile, some of the faithful are poor, and sometimes extremely poor. All seek only their own interests.

- **They spend their time thinking evil:** If you are vigilant, you will recognize these people more easily through this criterion. They are always thinking evil. At times, they accuse you of evil, before realizing later that they were mistaken. And generally, they find evil everywhere, even where there is none at all.

- **They rejoice in iniquity:** They are generally very happy when some misfortune befalls us, very unhappy when good befalls us. They are frustrated when they see brethren succeed. They rejoice when they see us embarrassed. That is why, every time we teach the Truth, they are there, and make the effort to follow the teachings attentively; not to be edified, but to seek in the teaching a few points with which they will contradict us and embarrass us if possible. This is what they were doing behind Jesus. While people were following Jesus daily to be edified and delivered, they also followed Jesus daily, to set traps for Him, to ask Him some questions so as to embarrass Him.

- **Their hearts are full of jealousy,** incapable of rejoicing when brethren succeed. They are unhappy when brethren are blessed. They follow in the footsteps of their brother Cain. When they learn that a brother has fallen into any sin, they celebrate; they are so happy, and that becomes a topic of meditation and sharing among them. They make of it a big topic of consolation.

- **Their hearts are full of competition and rivalry of all kinds.**

You will recognize them now in your midst, the Lord is alive. ***It is not by their gifts that you will recognize them, but by their fruits.***

2.4.2- Study of Romans 16:17-18

¹⁷I urge you, brothers, to watch out for those who cause **divisions** and put **obstacles** in your way that are contrary to the teaching you have learned. **Keep**

away from them. ¹⁸*For such people **are not serving** our Lord Christ, but their own appetites. By smooth talk and flattery they deceive the minds of naive people."*

- These seeds of satan spend their time causing divisions and scandals in the midst of Children of God. Know that division is a fruit of satan, scandals as well.

Talking of scandals, **Luke 17:1-2** says, *"**Things that cause people to sin** are bound to come, but woe to that person through whom they come. ²It would be better for him to be thrown into the sea with a millstone tied around his neck than for him to cause one of these little ones to sin."* When you see what awaits those who cause scandals, you understand that it is a fruit that only children of the devil can bear.

Coming back to **division**, I will make a precision at this level before continuing: The Lord declares in Luke 12:51-53 *"⁵¹Do you think I came to bring peace on earth? No, I tell you, but division. ⁵²From now on there will be five in one family divided against each other, three against two and two against three. ⁵³They will be divided, father against son and son against father, mother against daughter and daughter against mother, mother-in-law against daughter-in-law and daughter-in-law against mother-in-law."* And Matthew 10:36 continues by saying: *"And a man's enemies will be the members of his own household."*

Therefore, the Lord came to put division on earth, and we, servants of God who follow in the footsteps of the Lord Jesus, it is division we are called to sow. But what type of division? Division between good and evil, division between the Children of God and the children of the devil, division between light and darkness, division between truth and lie. Do not therefore be surprised by the fact that the agents of satan are accusing us of sowing division wherever we go. They accuse us of sowing division in churches, in families, etc. In fact, we are not the ones sowing division, it is the Gospel of Jesus Christ that exposes the deeds of darkness, and divides those who want to abandon these deeds from those who still want to abide in them.

The division that is the fruit of satan, is that which sets true Children of God against one another. It is one of the most powerful weapons of satan. As he knows that the Lord glorifies Himself only in Unity, he always manages to sow discord between Children of God. His agents in the assemblies spend all their time in gossip and slander of all kinds, they spend their time setting up Children of God against each other.

If you know so-called brothers or sisters who are specialized in slander, know that they are demons. You meet in this group many pastors and their wives. Sometimes it is pastors and leaders themselves, who maintain gossips in churches, and most often their wives are the leaders of the different groups of slander, and all the slanders in the assembly pass through them. If you know such women, know that they are witches.

- **Their belly comes first:** Whether it is those who call themselves simple Christians or those who call themselves Servants of God, they are all the same. **Their god is their belly.** For those who call themselves Servants of God, it will be even easier to recognize them. The things of God are not a priority for them.

Even when they are in the ministry, it is simply to have something to eat, and not to serve God. That is why many are not ready to make the least sacrifice for God. They compromise every time their interests are at stake.

2.4.3- Study of Jude

"For certain men whose condemnation was written about long ago have secretly slipped in among you. They are godless men, who change the grace of our God into a license for immorality and deny Jesus Christ our only Sovereign and Lord."
Jude 4.

God clearly says that they have secretly slipped in among us... He does not speak to us about those who are in the world, but about those who are in the churches. The Lord specifies that they are godless men, **whose condemnation was written about long ago**, that is, people of Hell, people who cannot be saved.

These people **change the grace of our God into a license for immorality** and deny Jesus Christ our only Sovereign and Lord. Many of them are what one calls today great men of God. They go round the world, denigrating and sabotaging the Gospel of Jesus, destroying the faith of unstable people, teaching things which they ought not, for the sake of dishonest gain. They only preach money and power. Many among them are preachers of the different follies that you hear today. They have as messages: prosperity, miracles, faith that permits to receive material things, ecumenism, which is the fusion of all the different dustbins called churches, etc.

You will recognize them. Some go everywhere to sell gifts, they sell anointing, they sell power, they sell blessings, they sell special blessings, etc. things they do not have themselves. If at least they sold what they had! They sell healing to the sick. The sick pay for prayer according to the type of sickness they have. Others go around promising miracles to people, to attract them and collect money.

There are some who sell to the faithful the so-called: blessed pieces of cloth, blessed oils, blessed water, flasks of oil called anointing oil, etc. Some sell so-called blessed stickers to the faithful, to stick in their houses and cars, so as to attract according to them, happiness in their houses and on their cars. Every single incantation object is sold. They sell deliverance. There are some who do what they call "soul healing", and the consultation is paid, the price depending on each case. After the consultation, the price of deliverance is fixed according to how complicated the case is. I wonder how religious people can follow such people without realizing that they are dealing with demons. Do you need to be told that these people are demons?

Still others are pastors of churches. They sell everything. In the assemblies, all have equipped themselves with quite sophisticated recording devices, to record empty messages they make, and sell them. When you visit one of these assemblies of satan, as soon as the message ends, before leaving the hall, they announce to you that the CDs of the day's message are already on sale. The messages are prepared well in advance, with titles well chosen in advance, CD cases prepared in advance, labels prepared in advance, everything is ready so that every little penny is collected in time. Matthew 10:8 says, "... *Freely you*

have received, freely give." But they follow the way of their master satan. Greed, the love of money, is the only thing that interests them. They are not different from their brother Judas, they are all extremely greedy.

They have turned churches into shopping centres. Each of them seeks what to sell. All run towards the fabrication and the sale of books. Even those of them who have never finished reading their Bible, have already written what they call Christian books, to sell. Others make incantation music that they call praises, and quickly put them on CDs, to sell. In churches, you even find vending machines where you can buy biscuits and drinks, and eat and drink quietly while the message is going on.

Nowadays, before going to church, one should not forget to take enough money and the cheque book. After the distraction they call service, business begins. Trade in books, Bibles, CDs, T-shirts with religious writings on them, other small gadgets with religious writings on them, posters, trade in things to eat, etc. They have made the house of God a den of robbers, Luke 19:45-46. Some of these big churches of satan are even already equipped with machines for transactions by bank cards. They have become real supermarkets, all modern.

Freely you have received, freely give. Do not dare to use this language with them, they will stone you. When they make a message that can hold on one CD, they cut it into bits, put it on several CDs, to have more returns. That is why religious bookshops are full of CDs of less than one hour. Even some CDs which had already been made and which had the normal duration are being remade, to cut them out into several pieces, and make many CDs: ***A greed that can only find its explanation in satan.***

Today, they are all opening shops, which they call "christian bookshops". When you go to these so-called christian bookshops, you find all the abominations of the world: magic books, witchcraft books, satanic bibles, demonic games, and CDs of satanic music, statues, masks made of wood, clay, steel, etc., useless gadgets, etc. All forms of abomination are sold in these so-called Christian bookshops. And each assembly makes the effort to open its shop. It is a real race for riches, greed to excess.

For you who needed more discernment to recognize them, you now have it. To God be the glory! ***By their fruits you will recognize them, and not by their popularity.***

Some of these demons you call Servants of God even have private jets; others have so-called Christian television channels. ***By their fruits you will recognize them and not by their riches.*** Let me seize this opportunity to warn you against what they call "Christian television." ***Know that there is no such thing as Christian television. It is pure satanic seduction.***

Others have bodyguards. Anytime they move about, you see them surrounded by bodyguards. They thus show you that they are demons, and cannot expect God's protection. True Servants of God have angels of God as bodyguards.

You will recognize some of these wizard pastors with big rings on their fingers, others with chains around the neck.

Jude 11 *"Woe to them! They have taken the way of Cain; they have rushed for profit into Balaam's error; they have been destroyed in Korah's rebellion."* You will recognize them. They are very numerous among the pastors of today. Because of their salaries and some material advantages or even to preserve their titles, they are ready to teach all possible lies, and say all types of slander against those who preach the Truth.

Jude 12-13 *"These men are blemishes at your love feasts, ..." When you have weeds in your midst, you do not escape scandals. Satan regularly passes through them to frustrate your feasts, dampen your joy, cause you some trouble, and cause you bitterness. As I have already explained above, these people are instruments of satan, and satan uses them freely. If you have so-called Children of God in your midst, who are always objects of scandals, you will no more have doubt.*

"...they are clouds without rain, blown along by the wind; autumn tree, without fruit and uprooted, twice dead. ¹³They are wild waves of the sea, foaming up their shame; wandering stars, for whom blackest darkness has been reserved for ever."

Jude 16 *"These men are grumblers and fault finders; they follow their own evil desires; they boast about themselves and flatter others for their own advantage..."*

Jude 19 *"These are the men who divide you, who follow mere natural instinct and do not have the spirit."*

2.4.4- Study of Titus 3:10-11

*"¹⁰Warn a **divisive** person once, and then warn him a second time. After that, have nothing to do with him. ¹¹You may be sure that such a man is warped and sinful; he is self-condemned."*

If the Lord puts so much emphasis on division, and asks us to have nothing to do with people who provoke it, it is because He knows only children of satan bear that fruit. No true seed of God will bear that fruit. You will never see, I repeat, **never**, a true Child of God, intentionally seeking to oppose two other true Children of God, with the aim of dividing them. Only children of satan intentionally plan to set Children of God against each other. And all this has only one goal, to divide them. Do not forget that satan and his agents are totally opposed to the unity of the Children of God. And God clearly asks us to warn such people once, and then warn them a second time, and after that, we should have nothing to do with them. Do you think that the Lord, who only desires the unity of His Children, can still ask us to have nothing to do with other Children of God? The answer is absolutely: NO. They are therefore the children of satan; it is for this reason that God asks us to have nothing to do with them. It is necessary that this teaching become very clear to you now.

2.4.5- Other elements to recognize them

Here are some other points with which you can recognize weeds in churches:

2.4.5.1- Lies

They lie so much that even in the house of God, they lie. And even when they are caught, they firmly support their lies. It is not surprising. The seed of their father the devil is in them. Beloved, you know that even if by inadvertence we happen to let escape some false words from our lips, we are at least careful when we are in the house of God. For them, it is different; the house of God or the presence of God makes no difference.

Many times, I came across some so-called pastors. As soon as they realized that my teachings could open the eyes of Children of God, they drove me away, and lied to Children of God telling them that I had apologized, and that because of certain emergencies, I changed my programme, promising them I would come back later.

Another who, before the first teaching that I was to give, had already scheduled me for a second teaching, found himself caught in his own trap. His people were captivated by the first teaching I gave, and were impatiently waiting for the second teaching. Rumours went round the town, saying there is a new man of God who has come, and who preaches messages different from the yeast of Pharisees they are used to listen to. On the second day of the teaching, the hall was extremely full. People came from everywhere. Now, something had to be done. A lie had to be prepared, not just any lie, for fear of being stoned. "Fortunately", they never lack it. He and his team of leaders, rapidly arranged with another so-called pastor, to come and teach on the same topic I was supposed to teach on, apologizing on my behalf to the crowd which had come, telling them that I had had a last minute hindrance, and despite all my willingness to be there, I could not make it. Beloved, look at the level of composure with which demons tell lies to God's people!

Yet another who had scheduled me to teach the following Sunday, and who had made the mistake of announcing it to his congregation, cancelled my teaching, when he realized I was not ready to leave the truth of Jesus Christ to instead speak his own truth. And as his congregation, which had heard of me, and which had received some exhortations from me before, were waiting for me on Sunday, embarrassment started. One had to rapidly fabricate a lie. And since they are experts in the matter, they are always inspired. He came on that Sunday, apologising to his faithful, telling them that before scheduling me for that day, he had forgotten that it would be the second Sunday that he would not preach, adding that according to the bible of their father, a pastor cannot spend two Sundays without speaking to his people. You know they are Sunday pastors. The other days mean nothing to them. It was so flagrant that those who were of the seed of God in that church understood that their pastor was of the devil.

2.4.5.2- Gossips and slanders

Know that no true Child of God can bear this fruit. Only the children of satan spend all their time in gossips and slanders. They only do this with the aim of sowing division between the Children of God. This sin is one of the sins that one cannot commit accidentally or by weakness. No Child of God in weakness can intentionally seek to divide other Children of God. Therefore, do not be deceived by these so-called repentance that these agents of satan make when caught making up all sort of stories to try to divide brethren.

2.4.5.3- False generosity

They are very eager to show generosity in order to seduce and show off. With some vigilance, you will distinguish this type of generosity. It is a very artificial generosity, which is not natural.

2.4.5.4- False prophecies and false visions

I exhort you brethren to beware of those who give false prophecies, false visions, and false dreams. The unique goal behind this is to turn you away from the right way.

2.4.5.5- Treachery

They play the role of their father the devil in our midst. They are there to betray us. When they are with you, you think they are your brothers; meanwhile they are there to spy on you and betray you.

2.4.5.6- Accusations

The seed of their father is in them, do not forget that anymore. They seek only to accuse us. No matter the good works we do, they will not marvel at it. All what they wait for, is the least error that we will commit. **And even when they find no faults in us, they create some.** When their colleagues who were with Jesus did not find what to accuse Jesus of, they said that Jesus called Himself the Son of God, and that He had said He would rebuild the temple in three days. And when their brothers who were with Daniel found nothing against Daniel, they said Daniel was praying three times a day. **They never lack what to say against us.**

2.4.5.7- Tempting God

They know how to really tempt God. While some sorcerers appoint Jezebels who are called women pastors, women evangelists, women teachers, etc. they are other witches who appoint themselves pastors, evangelists, teachers, prophetess with a ministry of authority, and even apostles. Until recently, even the catholic sect which actively and unabashedly serves satan, and which is well recognized as a dead church which has no regard for God, did not dare to raise up women as "priests". But the so-called living churches, have women pastors, women evangelists, women teachers, etc. Do not be astonished, beloved; they are all demons. They are there to sow confusion in the work of God.

The Bible is not very difficult to understand. In the Bible, God strictly forbids women to teach or to have authority over men. This is what you read in **1Timothy 2:11-14** ¹¹*A woman should learn in quietness and full submission.* ¹²*I do not permit a woman to teach or to have authority over a man; she must be silent.* ¹³**For Adam was formed first, then Eve.** ¹⁴**And Adam was not the one deceived; it was the woman who was deceived and became a sinner."**

You have just read there what God said. But the demons try every time to prove to you that it is not God who said, but rather Paul. Let me prove to you that it is not Paul who said, but God, and let me shut the mouth of these demons by the word of God, and prove to you how God from the beginning had already shut

the mouth of these demons, because He knew them since the creation. It is quite wrong that I often waste time to give a whole separate teaching on women ministry. Because this subject is the simplest to explain by the Bible.

Some demons tell you that ***it was Paul who said***, and others tell you that ***it was for the Corinthians***. First, God's decision to forbid a woman to teach or to have authority over a man, was not made in Paul's time. This decision dates from the creation. Poor Paul did not exist yet. Secondly, God's decision to forbid a woman to teach or have authority over a man, was not for the Corinthians, because when God made this decision, the Corinthians did not exist yet. So this decision of God transcends times. It is not influenced by the Old Covenant or Old Testament, nor by the New Covenant or New Testament. This decision comes straight from God's original Plan. It comes from creation, and God reveals to us the reason for this decision, in this verse 13: ***"¹³For Adam was formed first, then Eve."***

God's decision to forbid a woman to teach or to have authority over a man is therefore a decision that God made at creation, by creating Adam first. This decision therefore depends neither on the Old Testament nor on the New; it depends neither on Paul nor on the Corinthians; it does not depend on Joel's prophecy in Joel 2:28-32, nor on the fulfillment of Joel's prophecy in Acts 2:1-21. It takes its origin from creation.

So Paul did not forbid a woman to teach or have authority over a man because the Corinthian women were gossiping a lot or because there was disorder in the Corinthian church; it was God who forbade a woman to teach or have authority over a man because He chose to create Adam first. Is this teaching so difficult to understand?

You understand then that these little jokers who are agitated everywhere and pretend to be teachers of the word of God, are demons who would not teach the truth, even if they knew it. They are there to accomplish the ministry of Lucifer their master. They want to recruit as many people as possible for Hell, and they want to do it very quickly, because their time is over.

So do not longer let yourself be overawed by these vain snakes who talk to you about *"exegesis"*, or *"hermeneutics"*, and who line up little words of which they do not know the meaning, just to impress the ingenuous. To give you the impression they are really scholars, they spout nonsense like *"a text out of context is just a pretext"*. And the ignorant applaud and let themselves be swallowed. Some of these serpents go so far as to tell you that the apostle Paul was on several occasions taught by women. When you hear these demons speak, do not forget that the biblical names they quote are not the names we know, but rather the names of the demons of their world, which they use to confuse ignorant Children of God. So this apostle Paul of whom they speak, is a demon of their world of darkness, and not the true Apostle Paul of the Bible.

2.4.5.8- Opposing God

These children of the evil one always oppose God, as their former colleagues Korah, Dathan, and Abiram knew how to do (Numbers 16). They contest the authority of God, oppose the true Servants of God, and also masquerade as

Servants of God. This is how they appoint themselves elders and appoint as elders those who like themselves are disqualified from being elders of the Church, according to the word of God. You only need to know the teaching of the Bible concerning the Elders of the Church, you will understand that none of these demons is qualified to be called Servants of God. You will find the teaching on the **"Elders of the Church"** on the site www.mcreveil.org. I advise you to read it. It will set you free and help you no longer fall into the trap of these demons who lead you astray. Do not forget that your salvation is precious, and that Hell is real and eternal.

2.4.5.9- Faultfinders

They spend all their time spying on the faults of Children of God. None of your faults will go unnoticed in their eyes. They do not see many good deeds you do, they only see your few faults, and they know how to amplify them. With our faults, these wicked console themselves.

2.4.5.10- Rejoice in brethren's sins

If you have in your midst, so-called Christians who are delighted every time they hear that a child of God has committed a sin, know that they are demons. They always rejoice when a misfortune befalls us. As soon as they hear that we have committed a sin, they spread the news everywhere, and make of it the main subject of all their conversation. Know that a true child of God is instead sorrowful when he hears that a brother has sinned. They are the people of satan who rejoice every time their master succeeds in catching us in one of his traps.

Insubordination, rebellion, revolt, arrogance, unforgiving, extreme dirtiness and disorder, and gluttony, are the numerous elements that characterize them.

2.5- Secret to shut the mouth to demon pastors

I know that there are many ignorant Children of God who very often allow themselves to be disturbed by agents of satan skilled in playing with words in the Bible. These agents of Hell have devised false teachings in their world to help them mislead naive and ignorant Children of God. And since they already know that their doctrines of demons are not found in the Bible, and that they will never find a verse in the Bible to support these satanic doctrines, they have conceived a whole philosophy that allows them to speak too much to say nothing, so as to confuse naive Children of God, and to give them the impression in the end, that they have said good things.

I will give you a secret that will enable you to shut the mouth to these serpents every time, and never again fall into the trap of being bamboozled by demons. As soon as demon pastors and other agents of satan begin to develop a doctrine that is contrary to the doctrine of Christ stated in the Bible, you must keep in mind that these pastors of satan excel in the art of rambling. They have extravagant speeches. And when they are stuck and do not know what to say, they completely lose their mind. When they run out of arguments, they start going in all directions; they go astray by leading you astray. They begin by arranging meaningless words in breathtaking incoherence; they try to impress you by using words they themselves do not know the meaning of. They who do

not understand anything the Bible says in their language, start giving you the interpretation of the Bible in Greek and Hebrew.

Many of these demons are so pretentious that they only carry extravagant titles. Some call themselves great bishops, others general of God. I want to remind you that when they call themselves general of god, they are not talking about our God. They speak well of their god lucifer. Our God has not given the title of general to anyone on earth. Let this message be clear once and for all. Know therefore that all these little jokers who call themselves general of god and all those who wear large togas to impress the crowd, are demons. They are agents of Hell. They are people trained in the world of darkness and sent in the field of God to create diversion and lead the maximum number of Children of God astray. To hear them speak, you do not need discernment to understand that it is not them who speak. It is demons in them who speak every time these snakes open their mouths. Woe to those who listen to them.

To avoid giving unnecessarily long teachings each time in order to contradict these demons, I give you a secret. To shut these demons up once and for all, here is what you must do. Each time these demons start to lose you by arguments which are only based on hot air, and which only find their origin in the world of satan, ask them to give you just one verse of the Bible which supports their madness. For example:

As soon as you are in front of these demons who tell you that Jesus Christ is God the Father, the Son and the Holy Spirit, do not let them confuse you with their satanic philosophy, which consists in talking for hours to say nothing. Give them the verse that is written in black and white that says Jesus Christ is the Son of God, ... or that Jesus Christ is God, ... or that Jesus is the Christ. Ask them in return for a single verse that is written in black and white and says that Jesus Christ is God the Father, and another that is written in black and white and says that Jesus Christ is the Holy Spirit. And if they do not give you this verse, drive these demons out and do not waste a single second listening to them. You will find the complete teaching concerning the divinity of Christ on the site www.mcreveil.org.

In the same way, when they tell you that a woman must teach, do the same. Show them where it is written in black and white that a woman must not teach, and ask them to also give you a single verse where it is written in black and white that a woman must teach. If they are not able to do it, drive them out. I already tell you that these demons will never be able to give you such Bible verses, since it does not exist. This is how you catch the pastors of satan. They leave every time what the Lord has said, and they only teach the opposite, and try desperately to prove that the opposite of the word of God is true.

"... Forbidding us to speak to the Gentiles that they may be saved, so as always to fill up the measure of their sins; ..." 1Thessalonians 2:16.

3- DECEIVERS

"¹³For such men are false apostles, deceitful workmen, masquerading as apostles of Christ. ¹⁴And no wonder, for satan himself masquerades as an angel of light. ¹⁵It is not surprising, then, if his servants masquerade as servants of righteousness. Their end will be what their actions deserve." 2Corinthians 11:13-15.

These so-called great men of God who are popular and who flood the world today are deceivers, that is, agents of satan. They are demons. It is not Jesus Christ that they serve, but lucifer their master. Here are some elements that allow you to recognize these deceivers, that is, these demons so-called great men of God:

3.1- They are extremely greedy

To better understand this notion of greed, we'll study the passage of **2Peter 2**.

"¹But there were also false prophets among the people, just as there will be false teachers among you. They will secretly introduce destructive heresies, even denying the sovereign Lord who bought them - bringing swift destruction on themselves. ²Many will follow their shameful ways and will bring the way of truth into disrepute. ³In their greed these teachers will exploit you with stories they have made up. Their condemnation has long been hanging over them, and their destruction has not been sleeping." 2Peter 2:1-3.

Beloved, you yourself now realize that the people of God perish, because they have abandoned knowledge. God did not choose to make of all these revelations a secret. He put everything at our disposal. Everything is clear in the Bible. But how many people still seek God with all their hearts? God told us in Jeremiah 29:13-14 ***"¹³You will seek me and find me **when you seek me with all your heart.** ¹⁴I will be found by you, declares the Lord..."***

Let us examine these first 3 verses: God clearly tells us that just as there were false prophets among the people, there will be false teachers among us, who will create churches with structures that have nothing to do with God, teaching doctrines that have nothing to do with the doctrine of Christ. Unfortunately, many follow them in their follies. Because of them, the truth is totally blasphemed. There is no longer any difference between a church and a private enterprise. There is no longer any difference between a so-called Christian assembly and a shop. Today, you hear worldly people tell you that if you want to become rich, you should just set up a church. What a shame! Many people do no longer want to believe in God, they say that pastors are swindlers, that what Servants of God do is just business; because without discernment, people call them Servants of God. Remember now that they are servants of satan, demons in flesh.

In their greed, they will exploit you with stories they have made up. They have several methods today, to swindle and steal from ignorant people, and to ruin the people of God. They send letters to people anyhow to ask for money. And to deceive these people, they call them partners. Partners they have never known, partners whose lives are totally unknown to them. They know nothing of your spiritual state, yet they call you partners.

In their greed, they travel with books to sell. And as soon as they arrive, they take the time which is supposed to be for teaching, to advertise their books. They will tell you that these books are usually more expensive, but that for the occasion, they will sell it to you at a reduced price. And they encourage you not to miss that opportunity. Their words of seduction push you into rapidly buying these satanic verses, these scrawls that they call Christian books. There are some who even ask the faithful to rather read their books, deceiving them that the Bible is difficult to understand, and that they have simplified things for them in their books. They are no more different from the sects of Jehovah Witnesses and of Mormons.

In their greed, they travel with pre-printed envelopes to ask for money. They often have the titles of their messages already printed on envelopes, pencils, and other gadgets... to collect money. They promise you blessings and special blessings, if you give much money. They promote their books and their CDs. They organize auction sale in churches. They encourage the congregation to read books written either by them, or by their companions. They spend their time recommending books to their congregation, to turn them away from reading the Bible, because they know that if you read the Bible, you will be set free. You will recognize them now. How numerous they are!

In their greed, they open what they call Bible schools and institutes, to collect money from the ignorant followers, by promising to make them "servants of God", "winners", "champions", etc. It is in schools that the servants of their gods are trained. There are other demons who have created schools of initiation into witchcraft, that they call "school of prophets". It is no longer God who makes prophets, it is in schools that they are made today.

One of the strong points of these pastors of satan, consists in rapidly giving titles to people as soon as they arrive in the church, appointing them and giving them responsibilities as soon as possible, to prevent them from leaving the church. That is why even when you draw people's attention today to the rotten nature of the milieu in which they are, they realize it is true. But when they want to come out of it, they think of the titles they will lose, and they remain in place. Satan has very well succeeded in his plan.

Another strong point of these demons is intimidation. When your eyes are opened to their follies, and you want to react, they use intimidation, they brandish threat and curse. They tell you they will curse you, and that God will strike you. They cite for that the case of Moses, Aaron and Miriam. They frighten you, by saying they will pray and that you will dry up. They brandish the authority they do not even have. And since the ignorant know nothing of the Word of God, they begin to tremble, and remain slaves of these demons.

Oh beloved, if only you knew that these people are not even known to God at all! You tremble before those who should tremble before you. What madness! Is this not the world upside down? You are afraid of curses that can never have any effect. The word of God tells us in Proverbs 26:2 "*Like a fluttering sparrow or a darting swallow, an undeserved curse does not come to rest.*"

They exploit very well the ignorance of Children of God with respect to the Word of God. As they know Children of God do no longer read the Bible, they exploit a few verses, twist the meaning, to keep Children of God captives. As soon as Children of God realize themselves that what they call church has become an unbearable milieu, and want to come out, these demons quote Hebrews 10:25 which says: *"Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another - and all the more as you see the day approaching."* And since in ignorance, these Children of God do not know that they are in satanic assemblies, they fall into the trap, and they remain in these assemblies, to spend all their time grumbling. Every inclination of the thoughts of their hearts is only turned towards business, towards the search of money all the time. They have hearts exercised in greed, and in the love of things of the world. Yet the Bible tells us in 1John 2:15 *"Do not love the world or anything in the world..."*

Their condemnation has long been hanging over them...: I have already told you that these people are children of condemnation, they are sons of perdition. They are demons. They are doing their work. Their time has come, and they are organizing themselves to form the big universal church on which the antichrist will reign. Sometime ago, they were condemning the Catholics, they were calling Catholicism sect. They were accusing the Catholics of worshipping a demon called "virgin mary", and of bowing before statutes and deaf idols. Their language has changed. They now say, "Our brothers the Catholics". As the time has come to put order in the activities of their master satan, they are uniting.

⁴For if God did not spare angels when they sinned, but sent them to Hell, putting them into gloomy dungeons to be held for judgment; ⁵if he did not spare the ancient world when he brought the flood on its ungodly people, but protected Noah, a preacher of righteousness, and seven others; ⁶if he condemned the cities of Sodom and Gomorrah by burning them to ashes, and made them an example of what is going to happen to the ungodly; ⁷and if he rescued Lot, a righteous man, who was distressed by the filthy lives of lawless men ⁸(for that righteous man, living among them day after day, was tormented in his righteous soul by the lawless deeds he saw and heard) - ⁹if this is so, then the Lord knows how to rescue godly men from trials and to hold the unrighteous for the day of judgment, while continuing their punishment. ¹⁰This is especially true of those who follow the corrupt desire of the sinful nature and despise authority. Bold and arrogant, these men are not afraid to slander celestial beings; ¹¹yet even angels, although they are stronger and more powerful, do not bring slanderous accusations against such beings in the presence of the Lord.

¹²But these men blaspheme in matters they do not understand. They are like brute beasts, creatures of instinct, **born only to be caught and destroyed**, and like beasts they too will perish. ¹³They will be paid back with harm for the harm they have done. Their idea of pleasure is to carouse in broad daylight. They are blots and blemishes, **revelling in their pleasures while they feast with you.**" ¹⁴With eyes full of adultery, they never stop sinning; they seduce the unstable; **they are experts in greed; an accursed brood!** ¹⁵They have left the straight way and wandered off to follow the way of Balaam son of Beor, who loved the wages of wickedness. ¹⁶But he was rebuked for his wrongdoing

by a donkey - a beast without speech - who spoke with a man's voice and restrained the prophet's madness.

¹⁷These men are springs without water and mists driven by a storm. Blackest darkness is reserved for them. ¹⁸For they mouth empty, boastful words and, by appealing to the lustful desires of sinful human nature, they entice people who are just escaping from those who live in error. ¹⁹They promise them freedom, while they themselves are slaves of depravity - for a man is a slave to whatever has mastered him. ²⁰If they have escaped the corruption of the world by knowing our Lord and Saviour Jesus Christ and are again entangled in it and overcome, they are worse off at the end than they were at the beginning. ²¹It would have been better for them not to have known the way of righteousness, than to have known it and then to turn their backs on the sacred command that was passed on to them. ²²Of them the proverbs are true: "A dog returns to its vomit," and, "A sow that is washed goes back to her wallowing in the mud."

3.2- They seek praise from men

They all find their glory in the number of people they have in their dustbins that they call churches. They even have people who take care of doing a head count every Sunday, to see how many people were in the hall.

You will recognize them. They speak only in terms of church growth. They compete with each other, to see who has the biggest central market, and who will preach in front of the biggest audience. What should have been a subject of shame has instead become their glory. They boast of preaching in front of thousands of people. They advertise their deeds. And for this reason, each time they travel, they request for publicity to be made on the different miracles they claim to have performed; the preaching they have done in front of a hundred or two hundred thousand people; the pictures of crutches, wheelchairs and other objects they claim to have collected after their preaching; the number of thousands of people they have in their dustbins, etc. Among them, the degree of respect depends on either the size of their dustbin, or on their riches, or on their popularity, or on the number of branches they have, etc. You know that they have many ramifications today, that they call branches. They give themselves titles of glory. They praise one another. Between them, they call each other "anointed of God". This is why none of them can believe the truth, none can teach the truth, lest people leave the assembly, and the number diminishes.

John 5:44 *"How can you believe if you accept praise from one another, yet make no effort to obtain the praise that comes from the only God?"*

Luke 16:15 *"He said to them, "You are the ones who justify yourselves in the eyes of men, but God knows your hearts. What is highly valued among men is detestable in God's sight."*

3.3- They mislead the people of God

They are presently regrouping themselves into federations and confederations, as the prophets of Baal did. They have agreed with one accord to prophesy good to the people, that is, to deceive the faithful by telling them that God loves them,

that they are a chosen people, that they are saved by grace, and that they are no longer under condemnation, that God would bless them if they give more tithes and offerings, promising them material riches, power, healings, miracles, deliverances, etc.

"¹⁶This is what the Lord Almighty says: 'Do not listen to what the prophets are prophesying to you; they fill you with false hopes. They speak visions from their own minds, not from the mouth of the Lord. ¹⁷They keep saying to those who despise me, the Lord says: You will have peace. And to all who follow the stubbornness of their hearts they say, no harm will come to you.'" Jeremiah 23:16-17.

They have already agreed on the false misleading doctrines they teach. As they have different false doctrines from each other, they have come to a point of compromise, where each must tolerate the points of derailment of the others. It is on this basis that they gather, and they tell you that they are serving God. You find in their midst those who teach that a woman should cover her head, and those who teach that a woman should not cover her head; those who say that a woman should teach, and those who say that a woman should not teach; those who teach that one must be baptized, and those who teach that one must not be baptized. They all have contradictory doctrines; but in the meantime, they are together, all serving the same god. What a mess!

And to support their madness, they quote Philippians 3:15, which says, *"All of us who are mature should take such a view of things. And if on some point you think differently, that too God will make clear to you."* A way of telling us that they think differently on some points. But what is terrible is that up till now, their god has not yet made it clear to them. Do no longer be surprised! If you think that you are of God, **come out from the midst of these demons** while there is still time.

3.4- They Fight True Servants of God

They gather together to fight the few true Servants of God, who walk in the Truth. You meet federations of about four to five hundred pastors of all denominations, just like the prophets of Baal did. And as soon as they meet a single true Servant of God, they organize themselves to fight him to death. You then understand beloved, that there is nothing new under the sun. We are suffering what our first brothers the true prophets suffered, as you will learn by studying 1Kings 18 and 1Kings 22.

All those demons who persecuted the true prophets of God and misled the people of God, never considered themselves as pagans, or as enemies of God. They always considered themselves as "Christians", as Children of God, and as prophets of God. Do not therefore expect our true persecutors to be among those who are recognized as pagans. It is in the midst of religious people that one finds the worst persecutors, that is, the sworn enemies of the Truth. You should therefore not be surprised to learn that many of those who claim to serve God, are true agents of satan.

The Pharisees and the scribes whom the Lord Jesus called serpents and brood of vipers, because that is exactly what they were, passed themselves off as

Servants of God. They gave people the impression that it is Jesus who is not of God. They were trying to prove to people that it was the teachings of Jesus that were false. This is what they continue to do today, by trying desperately to prove to people that it is our teachings that are false. The people of satan have therefore not changed, because they cannot change, and even the techniques of satan have not changed. You, true Children of God, and you, true Servants of God, must therefore expect to suffer what your first brothers suffered. In John 15:20 the Lord Jesus tells us: ***"Remember the word that I said to you, 'A servant is not greater than his master.' If they persecuted Me, they will also persecute you. If they kept My word, they will keep yours also."***

"¹But know this, that in the last days perilous times will come: ²For men will be lovers of themselves, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, ³unloving, unforgiving, slanderers, without self-control, brutal, despisers of good, ⁴traitors, headstrong, haughty, lovers of pleasure rather than lovers of God, ⁵having a form of godliness but denying its power. And from such people turn away!" 2Timothy 3:1-5.

4- FALSE PROPHETS

***"Behold, I am against those who prophesy lying dreams, says the Lord, and who tell them and lead my people astray by their lies and their recklessness, when I did not send them or charge them; so they do not profit this people at all, says the Lord."* Jeremiah 23:32.**

4.1- Study of 1Kings 18

"... ²... Now the famine was severe in Samaria, ³and Ahab had summoned Obadiah, who was in charge of his palace. (Obadiah was a devout believer in the Lord. ⁴While Jezebel was killing off the Lord's prophets, Obadiah had taken a hundred prophets and hidden them in two caves, fifty in each, and had supplied them with food and water.) ... ⁷As Obadiah was walking along, Elijah met him. Obadiah recognized him, bowed down to the ground, and said, "Is it really you, my lord Elijah?"

⁸"Yes, he replied. Go tell your master, 'Elijah is here.' ⁹"What have I done wrong," asked Obadiah, "that you are handing your servant over to Ahab to be put to death? ... ¹³Haven't you heard, my lord, what I did while Jezebel was killing the prophets of the Lord? I hid a hundred of the Lord's prophets in two caves, fifty in each, and supplied them with food and water. ¹⁴And now you tell me to go to my master and say, 'Elijah is here.' He will kill me! ¹⁵Elijah said, As the Lord Almighty lives, whom I serve, I will surely present myself to Ahab today..."

¹⁷When he saw Elijah, he said to him, "Is that you, you troubler of Israel?" ¹⁸"I have not made trouble for Israel," Elijah replied. "But you and your father's family have. You have abandoned the Lord's commands and have followed the Baals. ¹⁹Now summon the people from all over Israel to meet me on Mount Carmel. And bring the **four hundred and fifty** prophets of Baal and the **four hundred** prophets of Asherah, who eat at Jezebel's table." ²⁰So Ahab sent word throughout all Israel and assembled the prophets on Mount Carmel.

²¹Elijah went before the people and said, 'How long will you waver between two opinions? If the Lord is God, follow him; but if Baal is God, follow him.' ... ²²Then Elijah said to them, 'I am **the only one** of the Lord's prophets left, but Baal has **four hundred and fifty** prophets. ²³Get two bulls for us. Let them choose one for themselves, and let them cut it into pieces and put it on the wood but not set fire to it. I will prepare the other bull and put it on the wood but not set fire to it.

²⁴Then you call on the name of your god, and I will call on the name of the Lord. The god who answers by fire - he is God.' Then all the people said, "What you say is good." ²⁵Elijah said to the prophets of Baal, "Choose one of the bulls and prepare it first, since there are so many of you. Call on the name of your god, but do not light the fire." ²⁶So they took the bull given them and prepared it. Then they called on the name of Baal from morning till noon. "O Baal, answer us!" they shouted. But there was no response; no one answered. And they danced around the altar they had made. ²⁷At noon Elijah began to taunt them. "Shout louder!" he said. "Surely he is a god! Perhaps he is deep in thought, or busy, or travelling. Maybe he is sleeping and must be awakened."

²⁸So they shouted louder and slashed themselves with swords and spears, as was their custom, until their blood flowed. ²⁹Midday passed, and they continued their frantic prophesying until the time for the evening sacrifice. But there was no response, no one answered, no one paid attention. ³⁰Then Elijah said to all the people, "Come here to me." They came to him, and he repaired the altar of the Lord, which was in ruins. ³¹Elijah took twelve stones, one for each of the tribes descended from Jacob, to whom the word of the Lord had come, saying, "Your name shall be Israel." ³²With the stones he built an altar in the name of the Lord, and he dug a trench around it large enough to hold two sears of seed.

³³He arranged the wood, cut the bull into pieces and laid it on the wood. Then he said to them, "Fill four large jars with water and pour it on the offering and on the wood. ³⁴Do it again," he said, and they did it again. "Do it a third time," he ordered, and they did it the third time. ³⁵The water ran down around the altar and even filled the trench. ³⁶At the time of sacrifice, the prophet Elijah stepped forward and prayed: "O Lord, God of Abraham, Isaac and Israel, let it be known today that you are God in Israel and that I am your servant and have done all these things at your command. ³⁷Answer me, O Lord, answer me, so these people will know that you, O Lord, are God, and that you are turning their hearts back again."

³⁸Then the fire of the Lord fell and burned up the sacrifice, the wood, the stones and the soil, and also licked up the water in the trench. ³⁹When all the people saw this, they fell prostrate and cried, "The Lord -He is God! The Lord -He is God!" ⁴⁰Then Elijah commanded them, "Seize the prophets of Baal. Don't let anyone get away!" They seized them, and Elijah had them brought down to the Kishon Valley and slaughtered there..."

Beloved, after having read this first passage together, let us try to draw some conclusions from it:

4.1.1- Difference between the Children of God and those of satan

The Children of God always have the fear of God and the fear of true Servants of God. You see it with the example of Obadiah. In his fear of God and of the Prophets of God, he refused to take part in the crime of the witch Jezebel, and he risked his life by saving some Prophets of God, and by taking care of them secretly.

4.1.2- Jezebel spirit

Officially Jezebel had no power, since she was not the one who was "king"; she was just the king's wife. Yet, as you can see, faced with her decisions, the king was almost non-existent, and completely powerless. This is the power of Jezebel, this is the spirit of rebellion, of insubordination, and of domination which drives the women servants of satan. When you have the misfortune to marry one of them, your case becomes like that of king Ahab. All these women possessed by the spirit of satan, have only one desire, that of rising up against the authority of God. By so doing, they dispute all the laws, statutes, and decisions of God. That is why you see them today claiming equality between man and woman.

God has forbidden a woman to teach and to have authority over a man. This message is clear in the word of God. Yet you have thousands of Jezebels today, who have risen up against the authority of God, and who call and make themselves called **women pastors, women evangelists, women doctors, prophetesses with independent ministries, and even women apostles.** This is an element of discernment that the Lord gives you. **All these women, who make themselves called elders of churches, that is, who bear one of the titles that we have just mentioned, or quite simply who exercise a ministry having authority over men in the Church, are witches. They are demons sent into the world to tempt God, deceive, and mislead as many people as possible.**

If you were still in ignorance and were following such witches, taking them to be servants of God, repent now, and flee from them quickly. They are not God's servants, but rather the agents of Hell. Flee from these witches if you were in ignorance. Since you now know the truth, you have no more excuses.

4.1.3- The proportion of true Servants of God in the midst of satan's prophets

Are you not struck by the great proportion of the prophets of satan faced with the prophets of God? If we were to talk about proportion, each time there would be one prophet of God out of several hundred prophets of satan. That is not surprising, true Children of God are in very small numbers in this world. The world is under the control of satan, and he shares this reign with his agents.

4.1.4- The acceptance of false prophets by the people

The prophets of satan are always those who are accepted by the authorities of this world, and by the people. Since these authorities have rejected God and do not like anyone to speak to them about God, and since the people do not like the Truth and prefer to listen to pleasant things, false prophets are those who are ready to offer them their kind of messages.

4.2- Study of 1Kings 22:1-38

"... ²But in the third year Jehoshaphat king of Judah went down to see the king of Israel. ³The king of Israel had said to his officials, "Don't you know that Ramoth Gilead belongs to us and yet we are doing nothing to retake it from the king of Aram?" ⁴So he asked Jehoshaphat, "Will you go with me to fight against Ramoth Gilead?" Jehoshaphat replied to the king of Israel, "I am as you are, my people as your people, my horses as your horses." ⁵But Jehoshaphat also said to the king of Israel, "First seek the counsel of the Lord."

⁶So the king of Israel brought together the prophets - about **four hundred** men - and asked them, "Shall I go to war against Ramoth Gilead, or shall I refrain?" "Go," they answered, "for the Lord will give it into the king's hand." ⁷But Jehoshaphat asked, "Is there not a prophet of the Lord here whom we can inquire of?" ⁸The king of Israel answered Jehoshaphat, "There is still one man through whom we can inquire of the Lord, but I hate him because he never prophesies anything good about me, but always bad. He is Micaiah son of Imlah." "The king should not say that," Jehoshaphat replied. ⁹So the king of Israel called one of his officials and said, "Bring Micaiah son of Imlah at once."

¹⁰... the king of Israel and Jehoshaphat king of Judah were sitting on their thrones ... with all the prophets prophesying before them. ¹¹Now Zedekiah son of Kenaanah had made iron horns and he declared, "This is what the Lord says: 'With these you will gore the Arameans until they are destroyed.'" ¹²All the other prophets were prophesying the same thing. "Attack Ramoth Gilead and be victorious," they said, "For the Lord will give it into the king's hand." ¹³The messenger who had gone to summon Micaiah said to him, "Look, as one man the other prophets are predicting success for the king. Let your word agree with theirs, and speak favourably." ...

¹⁵When he arrived, the king asked him, "Micaiah, shall we go to war against Ramoth Gilead, or shall I refrain?" "Attack and be victorious," he answered, "for the Lord will give it into the king's hand." ¹⁶The king said to him, "How many times must I make you swear to tell me nothing but the truth in the name of the Lord?" ¹⁷Then Micaiah answered, "I saw all Israel scattered on the hills like sheep without a shepherd, and the Lord said, 'These people have no master. Let each one go home in peace.'" ¹⁸The king of Israel said to Jehoshaphat, "Didn't I tell you that he never prophesies anything good about me, but only bad?"

¹⁹Micaiah continued, "Therefore hear the word of the Lord: I saw the Lord sitting on his throne with all the host of Heaven standing around him on his right and on his left. ²⁰And the Lord said, 'Who will entice Ahab into attacking Ramoth Gilead and going to his death there?' "One suggested this, and another that. ²¹Finally, a spirit came forward, stood before the Lord and said, 'I will entice him.'"

'²²By what means?' the Lord asked. "'I will go out and be a lying spirit in the mouths of all his prophets,' he said." 'You will succeed in enticing him,' said the Lord. 'Go and do it.' "²³So now the Lord has put a lying spirit in the mouths of all these prophets of yours. The Lord has decreed disaster for you." ²⁴Then Zedekiah son of Kenaanah went up and slapped Micaiah in the face. "Which way did the spirit from the Lord go when he went from me to speak to you?" he asked.

²⁵Micaiah replied, "You will find out on the day you go to hide in an inner room." ²⁶The king of Israel then ordered, "Take Micaiah and send him back to Amon the ruler of the city and to Joash the king's son ²⁷and say, 'This is what the king says: Put this fellow in prison and give him nothing but bread and water until I return safely.'" ²⁸Micaiah declared, "If you ever return safely, the Lord has not spoken through me." ... ³⁷So the king died and was brought to Samaria, and they buried him there. ³⁸They washed the chariot at a pool in Samaria (where the prostitutes bathed), and the dogs licked up his blood, as the word of the Lord had declared."

Here are some other lessons that we draw from this second passage:

4.2.1- The deliberate choice to lie

The prophets of satan deliberately choose to prophesy lie to the people, with the aim of leading all those who listen to them astray. They are therefore not ignorant, contrary to what one had always thought. The Lord gives us another proof in these passages. Know therefore that all the false teachings that the

pastors of satan give nowadays, are not a proof of their ignorance, but a proof of their wickedness. They deliberately choose to teach lies to Christians.

4.2.2- The desire to listen to fables

The authorities of this world recognize who is a true Servant of God and who is not. But they are more at ease with the pastors and preachers of satan, because these false prophets prophesy to them what they truly want to hear. The servants of satan called pastors or prophets or preachers, never tell the authorities of this world what God expects from them. They prefer to prophesy good to them, and obtain their favour.

Religious people also recognize who is a true Servant of God and who is not. But since they are not ready to put the word of God into practice, they prefer the agents of satan who will give them teachings to entertain them, messages to strengthen them in their sins; while promising them blessings of all kinds, to all those who will faithfully give a lot of tithes and offerings. Many of these so-called Christians who follow these preachers and pastors of satan are therefore not innocent, and they are not ignorant. They enjoy themselves in these satanic assemblies. The Lord told us about this in 2Timothy 4:3-4.

In their inability to accept and live in the Truth, they are filled with jealousy for the few true Servants of God, and make them their main targets. That is why all the few true Servants of God who have remained faithful to God like Elijah and Micaiah quoted above, receive all the slanders, gossips, incantations, persecutions, and blasphemies from these demons.

4.2.3- The pride and seduction of the agents of satan

These pastors and other demon prophets know how to deceive themselves, and push their pride to the limit. It is with ease that they tell whoever wants to listen to them that God speaks to them, and that they are the only ones to whom God speaks. The example of the false prophet Zedekiah, son of Kenaanah, helps you to understand well this character of the agents of satan. That demon dares to strike the Servant of God, and ask him which way the spirit from the Lord went from him to speak to the Servant of God. It is just incredible. And with this satanic courage, they eventually make some Christians weak in the faith to believe that they have really received some authority from God. That is why some ignorant take these demons for true servants of God.

4.2.4- The sad truth

It is not because men refuse to believe in God, that God does not exist for all that. And the fact that all reject the word of God, does not nullify the word of God. And it is not because a great number of people preach and teach lies that lie can become Truth. The fact of not believing in God's prophecies, will not nullify those prophecies, and will not prevent them from being fulfilled. Turning away the ears from hearing God's sentence will not prevent that sentence from taking effect.

King Ahab, by hardening his heart to the word of the Lord declared by the prophet, thought he could escape. He finally understood it at the cost of his life. He, who wanted to despise the Servant of God and his words, and safely return

from war at all cost, died according to the words of the prophet. The dogs licked up his blood, and the prostitutes bathed in his blood, **as the word of the Lord had declared.**

All the agents of satan who rise against God and who fight us thinking that they can succeed in turning the Truth into lie, and all those who follow them, will understand it at their own expense in the next days. Let all those who are of God repent while it is still time.

"³This is what the Sovereign Lord says: Woe to the foolish prophets who follow their own spirit and have seen nothing! ⁴Your prophets, O Israel, are like jackals among ruins ... ⁶Their visions are false and their divinations a lie. They say, "The Lord declares," when the Lord has not sent them; yet they expect their words to be fulfilled."
Ezekiel 13:3, 4, 6.

5- SORCERERS

"¹Finally, my brothers, rejoice in the Lord! It is no trouble for me to write the same things to you again, and it is a safeguard for you. ²Watch out for those dogs, those men who do evil, those mutilators of the flesh. ³For it is we who are the circumcision, we who worship by the Spirit of God, who glory in Christ Jesus, and who put no confidence in the flesh."
Philippians 3:1-3.

5.1- Difference between sorcerers and demons

A demon is a seed of the devil as we have already studied. A sorcerer on the contrary, is someone who practices sorcery, who knows how to use and manipulate the power of satan. **A demon** is not necessarily a sorcerer. Many demons are not sorcerers, that is, they do not know the practice of sorcery. But being the seed of satan, that is the property of the devil, they are instruments satan can use at will. It is in this light that they constitute a problem to the people of God. **A sorcerer** on the contrary, is an extremely dangerous element for the people of God. Sorcerers never have a minute to lose. When they are in a church, they have just one mission, destroy God's people as fast as possible.

5.2- Sorcerers and their works

Presently, sorcerers are very numerous in churches, and are in majority, women. Many have gifts of prophecy, others manifest talents in music. You meet them in great numbers in the groups of folly which they call choir groups, groups of praise, groups of worship, women groups, intercession groups, Sunday school teachers, etc. You will recognize these sorcerers by their attachment to vanity, to things of the world, to the search of glory, and to objects of seduction such as rings, bracelets, chains and other jewels, perfumes, etc. Here is an element that will help you to recognize some of these sorcerers. **They are constantly chewing gums**, even during sermons.

Many of those you call praise and worship group leaders, are great satanists, frightful sorcerers. It is with their incantations and their power of hypnotism that they seduce the crowd; and you hear people praising them, saying when they sing, there is so much anointing, the "holy spirit" comes down. And it is their songs that attract people into churches. They work in collaboration with sorcerers' pastors, to win for satan people who have escaped from the world. Do not be surprised by the fact that all those churches today, have invested enormously on musical equipment and other musical instruments. At times, you find assemblies more equipped in musical instruments than night clubs. Beloved, do not think they are mad. It is not an unnecessary investment that they make; that is what they use to hold the crowd captive. That is the reason why even when people see all the abominations going on in these places, they are unable to take the decision not to go there anymore. They are bound and completely deceived.

Most of the women you call prophetesses in the assemblies, are frightful vampires. Women who are either demons of the waters, demons of forests, or demons of cemeteries. And the prophecies they give, are prophecies fabricated in the world of darkness. It is with these things that they make themselves

accepted in the assemblies. They act in a way as to be adopted and appreciated by pastors. With their "gifts", they blindfold people, to the point that even when they do something extremely outrageous, it goes unnoticed and no one takes it into consideration.

These sorcerers always try to become integrated without wasting time into the different aspects of the assemblies, to quickly initiate and destroy the few Children of God who are in these places. While some embark on initiating adults, others concentrate on children. ***That is why it is quite risky for a child of God to remain in an assembly which operates on false doctrine.***

Here is another incantation that those among them who call themselves Servants of God, make on the people of God. Each time these sorcerers visit assemblies, they invite people in front to pray for them, calling them by categories. In the different categories they call in front, there is the category of people who are not yet married. They tell them that they will pray for them to get married. They make incantations on ignorant people, deceiving them that they are praying for God to give them a partner. As soon as they turn their backs, the people for whom they prayed, start burning, and can no longer control themselves; they start looking for a partner with eagerness.

5.3- Why do sorcerers operate freely in assemblies today?

It is because of false doctrine. God has no place in the gospel of lies. It is only under the cover of false doctrine that sorcerers can freely operate; for in false doctrine, favourable structures have been created for them: Models have been created which have nothing to do with that of Jesus Christ: Rhythmical and well programmed services, men taking the place of the Holy Spirit by choosing each time who should sing; who should prophesy, who should pray; what the one praying should say; when to stand up, and when to sit down; when to close the eyes, and when to open them; when to raise the hands, and when to lower them...

In some of these sects, even hymns and songs, which should be sung, are chosen long in advance. If during the week you go in the hall where they have their service, you will find on a board the hymn numbers that will be sung on Sunday. Some even specify beside these chosen numbers the song that will be accompanied by piano, and that which will not. Those are holy spirit men. The Holy Spirit of God has nothing to do in their midst. They can do everything by themselves. They can program everything, and coordinate everything to the letter. For them, Jesus wasted His time by sending us the Holy Spirit.

They have created bible schools and bible institutes, different groups of follies, which are called choir groups, praise groups, worship groups, intercession groups, prayer groups, women groups, youth groups, deliverance groups, "healing of soul" groups, usher groups, counselling groups, CDs sales groups, books sales groups, evangelism group, commandos groups, Sunday school teachers, etc. I wonder in which bible they found all these follies. And what is astonishing is that in all these groups, you will never find a group for the Reading of the Bible.

Sorcerer pastors do everything to prevent Children of God from reading the Bible. They always organize themselves to distract Children of God and waste their time with useless things. Most of these sorcerers' pastors play music. Music is one of the principal means of seduction they have. They constantly organize music classes and rehearsal sessions. They encourage the faithful to learn how to play the different musical instruments such as guitar, piano, etc. And these poor faithful spend their time practicing, learning play these instruments. They allow themselves to be flattered by the pride of standing in front to sing, and have no time to read and meditating the Word of God.

This is how these agents of satan hold the faithful captives in the bondage of ignorance. They know that if you read the Bible, you would know the Truth, and the Truth would set you free. That is why they use all methods of seduction and distraction, to prevent you from spending time in what saves, in what can open your eyes. Musical instruments have become the Bible of these sorcerers. In these false assemblies, we also have nominations based on greed, considerations based on the search for material, carnal management of spiritual things, messages inspired by the thirst of money and swindling.

As soon as you arrive in these assemblies, if you are a manager of a company, you are appointed deacon or elder. If you are a businessman, you are appointed deacon or elder. If you are a bit rich materially, you are appointed deacon or elder or leader of one of these groups of folly. And if you are poor, even if you died, no one would take notice. All these structures are satanic, and satan uses them as he pleases. In such structures, the Child of God is not at all protected. *"¹⁷Therefore **come out from them** and be separate, says the Lord. Touch no unclean thing, and I will receive you. ¹⁸I will be a Father to you, and you will be my sons and daughters, says the Lord Almighty." 2Corinthians 6:17-18. "Then I heard another voice from Heaven say: "**Come out of her, my people**, so that you will not share in her sins, so that you will not receive any of her plagues." Revelation 18:4.*

5.4- Traps to avoid

Deliverance: Know that each time you catch witches, being stuck; they disguise themselves as innocent people asking for deliverance. **Never fall into the trap of praying for such vampires.** You will simply be wasting your time. They are demons, and you will never succeed in delivering them. It is yet another trick to empty you spiritually, and to better deceive you. Let me now establish the difference between sorcerers that can be delivered, and those that cannot. There are sorcerers seed of God, and sorcerers seed of satan. Sorcerers seed of God can be delivered, sorcerers seed of satan are demons, and can in no circumstances be delivered.

5.5- How to recognize a sorcerer seed of God?

A sorcerer seed of God is a sorcerer only in the world; this means that he is a sorcerer only when he does not yet know the Lord Jesus Christ. Know that to become a sorcerer, it suffices to have the misfortune to be born or to grow up in an environment where people practice witchcraft. In such environments, one can be initiated. This means that you cannot easily say if a pagan who is a sorcerer is a demon or if he can be delivered. It is with the Gospel that discernment becomes clearer. When a sorcerer seed of God receives the Gospel,

he gives his life to the Lord Jesus Christ, repents with an honest heart, confesses his deeds, and receives deliverance. ***You will therefore never meet a seed of God practicing witchcraft in a Church.***

5.6- How to recognize a sorcerer seed of satan?

On the contrary, demons as we have already studied are liars. In order to come and destroy churches, they pretend to accept the Gospel. They voluntarily hide their witchcraft, and give the impression of being true Christians. They show themselves zealous, with the goal of deceiving the people of God, in order to operate freely. They then spend time destroying the assembly with their numerous incantations. They are the ones who by their incantations create divisions, slanders, quarrels, scandals, divorces, coldness, adulteries, fornications, sicknesses, deaths, etc. in the assemblies.

They are the ones who by their incantation entangle true Children of God in false marriages with them. They are the ones who through their witchcraft fabricate false prophecies and false visions, which are generally at the origin of bad marriages, and other errors in assemblies. They are the ones initiating children into witchcraft in the assemblies. They even succeed in initiating adults into witchcraft. When the Lord out of love for His people ends up exposing them, either by a prophecy, or by a dream, or by a revelation, or by a vision, or by a word of knowledge, these sorcerers, feeling exposed, pretend to regret their actions, and ask for deliverance. They are mostly women. ***I say it again; do not fall into the trap of praying for these vampires. Put them quickly out of the Assembly.***

These witches spend their time carrying children, giving sweets and other small gifts to children, objects on which they have made incantations. They spend time probing brethren to see who is in need, to better plan the type of trap to set. They spend time offering gifts to people in assemblies, to seduce them and win their confidence. And when they arrive in assemblies, they make incantations to be accepted in the different groups, generally as leaders, to better operate, and control the situation.

Their works are so many that I cannot enumerate all of them. The only thing I can still tell you is that sorcerers operate only when they find a suitable setting. And the setting is appropriate for them only in milieu where the Truth is abandoned for the benefit of lies, for the benefit of false doctrine. Children of God are terribly in danger in assemblies where these sorcerers operate. Know that any church large in number is an ideal setting for sorcerers. Any worldly structured church is an ideal setting for sorcerers. Any church that is carnally organized is an ideal setting for sorcerers. Any church with rhythmic and cadenced programmes is an ideal setting for sorcerers. Any church, which denies the gifts of the Holy Spirit, is an ideal setting for sorcerers. Therefore, ***"... come out of her, my people, so that you will not share in her sins, so that you will not receive any of her plagues."*** Revelation 18:4. Come out of all these assemblies with doors wide open to satan and his agents. Prepare yourselves; the Lord is at the door. The trumpet will soon sound. ¹⁷***... Come out from them and be separate, says the Lord. Touch no unclean thing, and I will receive you.*** ¹⁸***I will be a Father to you, and you will be my sons and daughters, says the Lord Almighty."*** 2Corinthians 6:17-18.

5.7- Here are some other traps that witches set for you in assemblies

Cries: Witches have as best weapon cries. As soon as you catch them, they cry so much that you are again confused. They deceive you with tears, and you wonder if what God has revealed to you is correct. You end up doubting all the evidence you have before you. And they know how to cry, and they have tears available, ready to flow in streams. Beloved, be careful! Never again fall into the trap of these agents of Hell.

Pity: One of their tricks is to gain pity. You will often see them come and shout: "Pastor, pray for me, pray for me...", behaving as if they are terribly suffering and may die. Beloved, do not fall into the trap of these vampires. These are incantations they are making on you. Others are always asking for the same prayers. You pray, and they are never relieved. Others are always in need of deliverance, and are never delivered.

Deliverance: These witches know how to exploit your ignorance. They come each time, pretend to be people who want deliverance. And since they know that you are totally blind today, they are sure to trap you. They come with the complicity of many other demons to create a spectacle to exhaust you, to waste your time, and ruin your spiritual power. As they know the naivety of many pastors today, some come to you with clothes well prepared in advance, with no underwear. As soon as you ignorantly start to pray for them, they fall down and start rolling on the ground, and make sure they expose themselves to contaminate you with their rottenness.

Confession of sins: You will understand after these teachings, that when you turn away from the doctrine of Christ to teach and live false doctrines, which have nothing to do with the Bible, you pay the price. Satan exploits every derailment you make, each false doctrine you have invented. Demon pastors have created what they call "cure of soul", and many pastors of God, because of ignorance, also follow this satanic doctrine. It has become the fashion in all the dustbins called churches today. Each person coming for the first time must go through his "cure of soul".

Witches know well how to exploit your folly. Each time they come to you for their "cure of soul" with lies and coarseness well prepared in advance. And when you give them the opportunity, they tell you a lot of filth and dirt of all types, to completely defile your thoughts, contaminate you, and hold you captive with those defiled thoughts, until the day the Lord will deliver you from them. Beloved, run away from false doctrine, and you will escape the traps of satan and his agents.

Seduction: Many go to churches in short skirts, with other satanic outfits, with all sorts of make-up, lipstick, eye shadow, drawn eyelashes, powder on faces, extravagant hairstyles, coloured hair, bizarre, sumptuous and extravagant clothing, and all other forms of seduction, to seduce Children of God, and lead them into adulteries and fornications.

You find some who dye their hair in different colours, to match either their clothes, or their shoes, or their nail varnish, or their earrings, etc. There are some who change their nail varnish to match the colour of their earrings, or their

bags, or the big belts they wear. There are some also who pluck their eyebrows, and in the place of hairs, they draw a line with a black pencil. You will also recognize them with various jewels of seduction: Earrings, chains on the neck, chains on the feet, chains on the arms, rings...

You see them looking like nightclub girls. The reason they can no longer cover their head today is because the seductive hairstyles they make on their heads must be seen. When you stand by the roadside on a Sunday morning, since Sunday is the only day of madness they have, you have the impression that you are by the roadside on a Saturday evening, when many people go to nightclubs. When you go to some of these assemblies on Sunday morning, since it is only on Sunday that they meet, you have the impression that you are in a nightclub on a Saturday night. At times, there is more extravagance in the so-called living churches than in nightclubs. That is an abomination that lacks an adjective.

"²¹I did not send these prophets, yet they have run with their messages; I did not speak to them, yet they have prophesied. ²²But if they had stood in my council, they would have proclaimed my words to my people and would have turned them from their evil ways and from their evil deeds." Jeremiah 23:21-22.

6- PROSTITUTION

"¹⁴Now thanks be to God who always leads us in triumph in Christ, and through us diffuses the fragrance of His knowledge in every place. ¹⁵For we are to God the fragrance of Christ among those who are being saved and among those who are perishing. ¹⁶To the one we are the aroma of death leading to death, and to the other the aroma of life leading to life. And who is sufficient for these things? ¹⁷For we are not, as so many, peddling the word of God; but as of sincerity, but as from God, we speak in the sight of God in Christ." 2Corinthians 2:14-17.

6.1- Prostitute assemblies

When you visit these assemblies today, you can no longer distinguish between a woman and a man. All are in trousers. Once you rebuke them, some tell you that God only looks at the heart; others tell you that you are still living under the law; still others tell you that nothing proves that trousers are men's clothing; the most intelligent explain instead that there are "women styled" trousers. For you who want to fear God, know that it is an abomination in the sight of God, to be in the midst of saints, without being able to clearly distinguish between a woman and a man. When you go to an assembly of demons, you are unable to distinguish who is a man and who is a woman. Men and women are alike, in trousers, have plaited hair, pierced ears wearing earrings, etc. You see men with long hair, at times tied behind the head, you see women with short hair, etc.

When you go to an assembly of religious people who avoid some of the abominations I have just cited, you still cannot distinguish who is a man and who is a woman. Both men and women are in trousers. Sometimes the men wear hats when the women have their heads uncovered. They are unable to remain faithful to God in the least things. They are incapable of being different from those who have openly chosen to make a mockery of God; they are incapable of behaving like the light of the world; they are incapable of behaving like the salt of the earth; they are incapable of being a role model to the world. Where then is the **difference** between you who claim to know God, and pagans who do not yet know Him? And when you draw the attention of these religious people to these errors, they prove that you are still under the law. Anything that people do not want to put into practice, they throw it in the law. Today, they have a dustbin called "law", in which they throw all the aspects of the word of God whose practice does not suit them. May the Lord touch the heart of His Children!

6.2- What does God say about women dress?

Deuteronomy 22:5 *"A woman shall not wear anything that pertains to a man, nor shall a man put on a woman's garment, for all who do so are an abomination to the Lord your God."* Know that God deliberately made man to be what he is, and woman to be what she is. God having voluntarily made man and woman different, had chosen to mark this difference even in their respective clothing. If you fear God, do not try to prove to Him that you reason better than Him. Those who try to provoke arguments around trousers only have to refer to history, and they will understand that it is at the beginning of this last generation that was to prepare the reign of antichrist, that women started wearing trousers. It was

a sign of women's emancipation, that is, a sign of rebellion in God's sight. Know that that what you call emancipation here, is nothing else but true rebellion in the sight of God.

1Timothy 2:9-10 "9I also want women to dress modestly, with decency and propriety, not with braided hair or gold or pearls or expensive clothes, ¹⁰but with good deeds, appropriate for women who profess to worship God."

1Peter 3:3-6 "3Your beauty should not come from outward adornment, such as braided hair and the wearing of gold jewellery and fine clothes. ⁴Instead, it should be that of your inner self, the unfading beauty of a gentle and quiet spirit, which is of great worth in God's sight. ⁵For this is the way the holy women of the past who put their hope in God used to make themselves beautiful. They were submissive to their own husbands, ⁶like Sarah, who obeyed Abraham and called him her master. You are her daughters if you do what is right and do not give way to fear."

In these prostitute assemblies, women do not cover their head. Agents of satan have taught them that their hair is sufficient as a covering. Meanwhile when you read 1Corinthians 11, the teaching is absolutely clear. Let us review this teaching together:

6.3- 1Corinthians 11:3-16

"3But I want you to know that the **head** of every man is Christ, the **head** of woman is man, and the **head** of Christ is God. ⁴Every man praying or prophesying, having his head covered, dishonours his head. ⁵But every woman who prays or prophesies with her head uncovered dishonours her head, **for that is one and the same as if her head were shaved.** ⁶**For if a woman is not covered,** let her **also** be shorn. But if it is shameful for a woman to be shorn or shaved, let her be covered. ⁷For a man indeed ought not to cover his head, since he is the image and glory of God; but woman is the glory of man. ⁸For man is not from woman, but woman from man. ⁹Nor was man created for the woman, but woman for the man. ¹⁰For this reason the woman ought to have a symbol of authority on her head, **because of the angels.** ¹¹Nevertheless, neither is man independent of woman, nor woman independent of man, in the Lord. ¹²For as woman came from man, even so man also comes through woman; but all things are from God. ¹³**Judge among yourselves. Is it proper for a woman to pray to God with her head uncovered?** ¹⁴Does not even nature itself teach you that if a man has long hair, it is a dishonour to him? ¹⁵But if a woman has long hair, it is a glory to her; for her hair is given to her for a covering. ¹⁶But if anyone seems to be contentious, we have no such custom, nor do the churches of God."

Each time the agents of satan leave all that is taught from verse 3 to verse 14, and they cling to verse 15, which they distort, as they do the other Scriptures, each time that it does not suit them. In verse 15, the Lord reminds us again of the place of the woman in His plan. From creation, God gave the woman a position of submission in relation to man. And the long hair of the woman is there to remind her each time of her position in relation to man, who is her head. This means that in a natural way, **the woman with long hair is covered**

before man. For long hair is given to her as a covering, that is as a sign of submission. But in the presence of God, the woman has to cover her head, which has nothing to do with the covering that her hair represents. And since satan can never succeed in perverting the Word of God, verses 5 and 6 render the teaching even clearer, and definitively close the mouths of these demons.

To help you to better understand the stupidity of these sorcerer pastors who persist in showing that the covering that is mentioned here, is the hair of the woman, I invite you to make this small verification. In verses 5 and 6, replace each word "covering" that you will find, by the word "hair", and you will have the result below: **Verse 5:** But every woman who prays or prophesies with her head "**without hair**", dishonours her head, for that is one and the same as if her head were shaved. **Verse 6:** For if a woman "**has no hair**", let her also be shorn. But if it is shameful for a woman to be shorn or shaved, let her "....." (I leave you fill the gap).

You have just discovered there, the great idiocy of the agents of satan. While trying to pervert the word of God to lead people astray, they really make a fool of themselves. In other words, to succeed in twisting the meaning of the word of God with the aim of leading astray those who follow them, these demons are obliged to flirt with inanity, as you have just noticed.

Despite the fact that God chose to render this teaching absolutely clear, demon pastors, who are there only to oppose God, do not lack what to say to lead Children of God astray. Some demons will tell you that it was for the Corinthians, by explaining nonsense to you, others will tell you it was Paul who said it.

6.4- Other elements to recognize demon pastors

6.4.1- "It was Paul who said" - "It was for the Corinthians"

By this, beloved, you will recognize sorcerer pastors: As soon as you meet a pastor who turns you away from the Word of God by telling you that "**It was Paul who said**" or that "**It was for the Corinthians**", know you are dealing with a demon. In the Bible, there is neither the word of Peter, nor that of John, nor that of James, nor that of Paul. The whole Bible is the Word of God. Retain also that in the Bible there is no word for the Corinthians, no word for the Galatians, no word for the Ephesians. The whole Word of God is addressed to every Child of God, and every true Servant of God, seed of Jesus Christ, knows it. You should never again fall into the traps of demons whose only mission is to set you against God in order for you to be struck down.

Here is another element that will help you to recognize sorcerer pastors. Every time they are unable to back up the folly they teach with the Bible, they tell you that, "**certain manuscripts have said that...**" Once you meet a pastor who turns you away from the Word of God by evoking what other manuscripts have said, know that you are dealing with a demon. They do not know the Bible God left for us, yet they claim to know other manuscripts. The Bible, the only and unique book which God put at our disposal, they are incapable of understanding it, but they even teach what other manuscripts say. With this you recognize the demons.

6.4.2- "He stole my members"

Here is a language with which you will recognize servants of satan: **"He stole my members"**. Once you hear a so-called pastor using this language, know that he is of the evil one. All are so driven by greed that the things of God are totally strange to them. They spend their time arguing over men, because of what they call tithes and offerings. They become enemies of one another, accusing each other of what they call "theft of members"; a real abominable language. Men have become their property.

And each time you meet them, you need not spend ten minutes with them, before hearing this deep cry of their hearts, this sigh they cannot help expressing: "It's my members who are in the church of so-and-so ", "So-and-so stole my members"; "My church was full before, once he came, he stole everything." "That pastor is a thief of souls"; "He no more calls me, because he has stolen my souls". The Bible tells us that each of us has only one soul, for them, they have many. They do everything to hold people captive, because of tithes and offerings.

6.4.3- They put their wives above all others

You will recognize them. These dogs put their wives above everyone. If they make themselves to be called apostles, their wives will be assistant apostles, if they make themselves to be called pastors, their wives will be assistant pastors, etc. They have large assemblies with thousands of faithful, with hundreds of men. But when they are not present, it is their wives who control the assembly. There are some foxes, a bit craftier, who, to prove to people that they respect the order by which a woman must not have authority over a man, have instead appointed their wives **"teachers of women"**. Other demons, even bigger, are already calling their wives **"First Ladies"**. There are even more extravagant couples of demons, in which the man is rather a pastor, and it is his wife who takes the title of apostle. It is therefore the witch who distributes the titles in the church, and gives to her little demon husband the title she wants. She is the one who hands over to the husband in the church when she wants to. This is how far the abomination has come. With that, you do no longer need to be told that we are living in the end time. If you believe to be of God, come out of all these dustbins called churches, and sanctify your lives for the rapture.

The Bible says: ***As in all the Congregation of saints, women should remain silent in the churches.*** But in the churches of demons, abomination is permitted. That is why Jezebels can do whatever they want. They are constantly on the pulpit holding the microphone. You hear them giving orders to men; "Now stand up, we are going to sing... sit down..." To lead you astray, demons will tell you about Kathryn Kuhlman, Deborah, the women who were the first to see Jesus after the resurrection, the verse of Joel 2:28 which says: ***"And afterwards, I will pour out my Spirit on all people. Your sons and daughters will prophesy, your old men will dream dreams, your young men will see visions"***, etc. Other demons will tell you that the Samaritan woman in John 4 was the first female evangelist.

Retain once and for all, that a woman has no right to teach, or to have authority over a man. Do no longer fall into the traps of demons. ***All what you call "women pastors", "women evangelists", "women teachers", women***

prophetesses who have a ministry not depending on a local assembly, "women apostles" or simply "women elders", are witches; they are agents of Hell. Let he who has ears to hear, hear. And if anyone wants to be contentious about this, we have no other practice, nor do the Churches of God.

"³³For God is not a God of disorder but of peace. **As in all the congregations of the saints,** ³⁴**women should remain silent in the churches.** They are not allowed to speak, but must be in submission, as the Law says." 1Corinthians 14:33-34. 1Timothy 2:11-12 "¹¹A woman should learn in quietness and full submission. ¹²I do not permit a woman to teach or to have authority over a man; **she must be silent.**"

6.4.4- Testimonies

I give you two testimonies, to show you to what extent demons are cold-blooded when they oppose God.

First Testimony: I was one day invited to a small assembly of so-called revived christians who had run away from folly of those rotten churches, and who were meeting rather in their houses to pray. Once I arrived, I realized that those "enlightened brethren" who escaped blindness from big assemblies, were even blinder than those from whom they had run away. Once they finished singing, that is, "praising God", they gave me the floor. Believing I was in the midst of my brethren, with love and gentleness I asked them why women had not covered their heads. I then started with this exhortation. Once I finished, to my greatest surprise, it was the men themselves who told me that women do not need to have their heads covered, that their hair was sufficient. I took them back to the passage of 1Corinthians 11, that I had already studied with them. I asked them to explain to me verses 5 and 6. Once the leaders reread verses 5 and 6, they realized their folly.

I was then logically expecting them to repent and give glory to the Lord. But what did they do? They rather started reciting the same verses over and over, without ceasing. And finally, they remained on their former position. It is terrible! And after that, I realized from the question one of them asked me, that it was a small branch of this satanic sect that teaches that Jesus Christ is a liar and that He never had a Father. For them, Jesus Christ who spent all His time on earth talking only of His Father, had lost His mind. For they say that Jesus Christ is the Father, Jesus Christ is the Son, Jesus Christ is the Holy Spirit. And they glorify themselves of being the only ones who understand the secret and the mystery hidden behind the Person of God, of the Son and of the Holy Spirit; at least what the Catholics have chosen to call Trinity.

Second Testimony: The second testimony concerns another pastor, who boasted of being the only one who feared God and taught holiness among all the pastors of his region. Once I realized that in his assembly, women were not covering their heads, I sat with him in private, with another pastor, to examine this subject. He started displaying theories of satanic institutes they call bible schools, in which they learn to go astray and to lead others astray. He demonstrated to us how women should not cover their head, how it is a thing of the past, how it was for the Corinthians, how Paul said that for certain reasons, how to be covered is different from covering the head, how the headscarf is

different from the covering, what certain manuscripts would have said, and what certain research would have revealed, etc. Once he finished his philosophy, we brought him back to the Bible.

Calmly, we examined the passage of 1Corinthians 11, from verse 1 to verse 16. When we finished, he was stuck, and stopped the philosophy. He then agreed the teaching was clear, and expressed himself clearly. He then explained to us that before, he himself taught that women should cover their head, and that all the women of his former assemblies, since he had several, used to cover their head. He went on to say that he was now in a new denomination, and that the gurus of this new sect were against head covering. And to stay in harmony with his gods the gurus that he called the founders and the bishops, that demon chose to despise God. We even thought that after our sharing, he would repent, and ask God for forgiveness.

Expecting these people to repent is actually not knowing them at all. He just concluded by telling us that the teaching was really clear, and that no one could prove the contrary. He added that if he wanted to put this teaching into practice, it would put him in a bad position vis-à-vis his mother sect. To safeguard his title and his own interests, this pastor, "the only preacher of holiness in the region", got plenty of nerve to voluntarily despise the True God, and **deliberately** mislead the Children of God. What mattered to him was to be in harmony with his companions. That is how you recognize them. And they are so numerous, who **willingly** pervert the Word of God, **and hold the truth captive**, because of their belly. If only they were ignorant!

"Truth has perished; it has vanished from their lips." Jeremiah 7:28.

7- DEMON CHILDREN

"I will speak of your statutes before kings and will not be put to shame." Psalm 119:46.

7.1- Who are they?

Demon children are satanic spirits who come into the world of humans, taking human forms, and who, once on earth, live like any other normal child. They are born, grow, live, and die, normally. They are sown in the world by satan as we studied in the parable of the weeds at the beginning of this teaching.

7.2- How do they come into the world?

They come into the world of humans either voluntarily or sent by the devil, and arrive by the natural way of childbirth. So they come into the world with human forms, and are born of women, like any other normal seed child of God. Some come with a specific mission, others come just to be mere instruments in the service of their master lucifer. Whether those who come voluntarily or those who come as simple agents in the service of satan, all are sown in the world by satan to thwart the plan of God, and try to perpetuate the war that satan and his camp have been waging against God since creation.

Satan with his power of manipulation thus sows his children in the world by using women, as God Himself does. And the fact that these demons also come under human forms, creates so much confusion that it becomes very difficult to distinguish them. This is what justifies the use of discernment to recognize them. Let us recall before continuing, that ***satan has no power of creation***. Satan has never created anything, nor can he create anything. All he knows how to do is to copy, to falsify, to manipulate. So he succeeds with his power of manipulation, in causing disorder in the field of God, by flooding the field of God with artificial humans.

As said above, some of these demons come into the world voluntarily, with a very specific mission. Those are very dangerous, and are very conscious of their mission in this world. They therefore know very well why they are in this world. Some of them come with the complicity of either one or both of their parents. We have had cases of male demons who came with the complicity of their witch mothers; these demons being in fact the husbands of their mothers in the world of darkness. Generally, these demons arrive in this manner when their witch mothers find themselves in difficulty with regard to the mission that satan had entrusted to them, and need reinforcement. So when they bring their husbands from the world of darkness in the form of children in this world, it is when their mission has failed and they find themselves in danger. These demons then arrive very well prepared and very equipped. They come with a power greater than that of their mother wife. And when these little demons arrive, they become the real husbands of their mothers, and the official husbands become mere extras. The world of satan is truly abominable beloved! Blessed are those who have never known the depths of satan.

Revelation 2: 24-25 *"²⁴Now to you I say, and to the rest in Thyatira, as many as do not have this doctrine, who have not known the depths of satan, as they say, I will put on you no other burden. ²⁵But hold fast what you have till I come."*

There are demons that come into the world several times. This means that they come, live, die, and once buried, come back into the world by another birth. They have the power to come and go as many times as they want. In some parts of the world, parents recognize them, and even try to fight them, because they are aware of the fact that these demon children are extremely dangerous.

There are parts of the world where arrangements are made to prevent these demon children, once dead, from returning. Sometimes their fingers are cut off before they are buried, sometimes their toes are cut off, sometimes incisions and marks are made on certain parts of their body. But in spite of all these measures, there are reckless demons who come back with the marks that were made on them. If some come back by being born in different families and even in different countries, others allow themselves to return to the same families where they lived before. We end up with children who are born without the fingers or toes that were cut off before their last burial, or with all the incisions and other marks that were made on their bodies, in exactly the same places.

The phenomenon of demon children is therefore not new, it is not strange either. Several traditions have come to terms with it, and each of these traditions has its own way of dealing with these little demons. Among the Jews, there is even a special name for such children. This name translated word for word means "**Four eyes**". It is believed that these demons being mystically powerful, have four eyes, two of which are like any normal being, and two others to see and deal with the world of darkness.

If some demons come into the world of their own free will, others on the other hand are sent into the world by satan, and are during all their time on earth, instruments that satan can use at will. These are the most numerous. Many of them may be ignorant of their true nature, up to a certain level.

7.3- Who can bring forth a demon child?

Satan can use any woman not covered by the blood of Jesus to sow into the world. And since many women are not covered by the blood of Jesus, we now understand the ease with which he has filled the world with demons in flesh. The only women who cannot be used by satan, that is who cannot serve as open doors to satan, are women, seed of God, who are covered by the blood of Jesus.

7.4- Open doors

By open doors, I mean the different elements that give access to satan or the different failings that satan exploits to bring forth his seed into the world. These doors can be classified into two categories: Doors not opened by man, and doors opened by man.

7.4.1- Doors not opened by man

On the one hand, it is the natural case of women who are seeds of satan, and on the other hand, the normal case of women not covered by the blood of Jesus. Any woman not covered by the blood of Jesus, whether she is a pagan or a so-called Christian, can be used by satan. But this does not mean that a pagan woman cannot bring forth true children. The pagan women seed of God can, by the grace of God, bear true children, even when they have not yet given their life to Christ.

7.4.2- Doors opened by man

It is the case of all those people who, in their ignorance or in their madness, believe that there are several Creator Gods. They thus manage, by an alchemy that only they can master, to convince themselves that apart from the true Creator God Jesus Christ, some creatures are also capable of creating children. In doing so, they run to unnatural methods to have children. These unnatural methods are satanism and science.

7.4.2.1- Satanism

There is the case of people who seek children by resorting to mysticism, that is, to the power of satan. Some go to witchdoctors and marabouts to look for children, others make pacts with demons. Very often, either because of lack of patience, or because of pressure from those around, people run to marabouts and sorcerers, or to unclean spirits in so-called sacred places, when after some time in marriage they have no children. Of this number, one even meets so-called born-again Christians.

When you run to marabouts and witchdoctors in search of children, where do you think these people who are only creatures like you, will get children from to give to you? And when you make pacts with unclean spirits in the world of darkness, such as water spirits, forest spirits, cemetery spirits, etc., you automatically open doors for satan to use you to bring his demons into the world. All the children that you go to seek from marabouts and sorcerers, or at the edge of waters, or in forests, or in so-called sacred places, by offering sacrifices to the gods of these places, are all demons.

7.4.2.2- Science

There is the case of the stupid who resort to medicine to have children. Do I need to remind you that it is God who created man and not medicine? Do I really need to tell you that it is by His power that God created man, and not in human laboratories? Would I surprise you if I told you that babies made in test tubes are demons? Know therefore that all the children that you conceive with the help or the assistance of doctors are only demons.

7.4.2.3- Conclusion

Fools, when you go either to marabouts, or to satanic places called sacred places, or to clinics and hospitals to look for children, where do you think they will get children from to give you? These people to whom you go, are also only creatures. How can you be so stupid as to believe that a simple creature can create a child for you? Now that you have understood that marabouts, doctors, and the unclean spirits of the so-called sacred satanic places cannot make any child, understand that they are demons that you receive from them. Therefore, clearly understand that all the children that you have had with the help or the assistance of marabouts, sorcerers, and doctors, are only demons.

7.5- Answers to questions I am often asked

Every time I have found myself before Children of God giving this teaching on Discernment, their amazement has been great to hear these mysteries that have

been hidden from us for a long time, and their joy was even greater, to finally receive these revelations that will totally free them from the ignorance that made them eternal prisoners of satan. And each time, at the end of the teaching, it is almost the same questions that come up. I therefore found it necessary to bring together all these questions, and to answer each one of them, in order to liberate all the sons and daughters of Abraham who have long been victims of the cunning and seduction of the agents of Hell.

7.5.1- Can a woman, true seed of God give birth to a demon child?

The answer is yes, if she is not covered by the blood of Jesus, that is, if she is not yet born again, that is, if she has not yet accepted Jesus Christ as Lord and Saviour through a true repentance, a true baptism in water, and a true deliverance.

7.5.2- Can a couple of true Children of God bring forth demon children?

It all depends on what we mean by a couple of true Children of God. If we consider the expression "***couple of true Children of God***" to mean two people, seeds of God, who have both already given their lives to Jesus Christ and have gone through a true baptism in water and a true deliverance, and who had their children while they were already born again, the answer is emphatically **NO**.

If therefore you meet a couple of so-called born again Christians, both baptized in water and baptized in the Holy Spirit, who bore one or more demon children, being already born again, know that in reality they were not really born again before the conception of these children. And if you have some proofs that they had really believed in Jesus-Christ, it means that the only reason that can justify this kind of situation, is that the woman was still possessed before the conception of these demon children. And as long as she remains possessed, all the other children she will give birth to, will unfortunately be demons.

7.5.3- Can a couple of born again Christians have demon children?

The answer is yes. But this is only possible if they had this child or these children in the world, that is, when they had not yet given their lives to Jesus Christ.

7.5.4- Can a woman bring forth demon children and normal children?

The answer is yes. A woman seed of God can have children among whom some are demons, and others Children of God. This happens if she is not yet born again. Do not forget that from Eve came out children seed of God and seed of satan, as you can read in the passage of 1John 3:11-12. *"¹¹This is the message you heard from the beginning: We should love one another. ¹²Do not be like Cain, who belonged to the evil one and murdered his brother. ..."*

Also remember that of the two twins of Rebekah, Isaac's wife, one was of God and the other was not, as you can read in Malachi 1:2-4. *"² "I have loved you," says the Lord. "But you ask, 'How have you loved us?' "Was not Esau Jacob's brother?" the Lord says. "Yet I have loved Jacob, ³but **Esau I have hated**, and I have turned his mountains into a wasteland and left his inheritance to the desert jackals." ⁴Edom may say, "Though we have been crushed, we will rebuild*

*the ruins." But this is what the Lord Almighty says: "They may build, but I will demolish. They will be called the Wicked Land, **a people always under the wrath of the Lord.**"*

It is therefore established that one and the same woman can bring forth children among whom some are demons, and others children of God.

7.5.5- Is a child born with an anomaly a demon?

The answer is no. The fact that a child is born with a bodily or physical abnormality does not make him a demon. There are some elements that can justify the anomaly of some children at birth; we will not study them within the framework of this teaching. But there are certain types of anomaly which prove that the child concerned is a demon; you will know how to recognize such cases, because they are generally glaringly obvious. There are some who come with only one eye open and the other closed, others who come with only one arm, still others who are born very old, others even with teeth, etc.

7.5.6- Are all twins demons?

Twins are for the majority born sorcerers, that is demons. Several traditions recognize twins as beings who come into the world with a certain power, and who for that reason deserve a very particular attention. In certain regions of the world, they are venerated, and in others, there are even special ceremonies destined to new-born twins. But can one say that **all** twins are demons as some people affirm it? No. Such a generalization is not based on wisdom.

7.5.7- Can a demon child be delivered?

Do not be deceived by the word "child". A demon is a demon, and cannot be delivered.

7.6- How to recognize them?

If it is a little bit easier to recognize demons in flesh when they are already grown up, it is not the case when they are still very small. The fact of taking them for babies or small children masks many things, and renders discernment a bit difficult. But when we love God, He always permits us to recognize these demons, no matter what their degree of dissimulation is.

The elements of discernment that help us to recognize them are almost the same that we use for adults demons: It is their **Fruits**. But since at times it takes time before starting to observe their fruits, God in His love intervenes by revelation. While waiting therefore for their fruits to become naturally visible, the Lord very often reveals to us either by a dream, or by a vision, or by a prophecy, or by a revelation, the nature of those children.

As for the fruits, these little demons always present the character of their master satan, and always bear the same fruits as their father the devil. There are many elements of discernment that help us to recognize them. The list is long, and I will not be able to enumerate all. I will nonetheless give you enough elements of discernment that will help you to recognize them. And if there are some cases that escape you, God is faithful; He will reveal them to you:

7.6.1- Intelligence

Some are too intelligent for their age. The normal child should be intelligent, but we know that our intelligence develops as we grow.

7.6.2 - Stupidity

Others are too stupid for their age. There is a margin of stupidity that can be tolerated in a normal child. There is another degree that shows us that something is wrong.

7.6.3 - Wickedness

Still others are extremely naughty. When you observe them, their wickedness surprises you.

7.6.4- Cunning

You find some who are too cunning, like their father satan. Their level of cunning is always too high for their age.

7.6.5- Tendency to do evil

Many also distinguish themselves by their tendency to do evil.

7.6.6- Violence and brutality

You also find some who are too violent, and too brutal. When you observe them playing with other children, their degree of brutality and violence frightens you.

7.6.7- Stubbornness

Some of these demons are extremely stubborn. Know that a normal child can be stubborn. In one way or the other, we have all been disobedient during childhood. But the Bible teaches us that the only real remedy God has provided for the disobedience of a child is correction. A small whip suffices to discipline the normal child. *"Folly is bound up in the heart of a child, but the rod of discipline will drive it far from him."* Proverbs 22:15.

But with demon children, neither the rod nor correction changes anything. That is why in the old covenant, God rather asked for such children to be stoned. ¹⁸*If a man has a stubborn and rebellious son who will not obey the voice of his father or the voice of his mother, and who, when they have chastened him, will not heed them, ¹⁹then his father and his mother shall take hold of him and bring him out to the elders of his city, to the gate of his city. ²⁰And they shall say to the elders of his city, "This son of ours is stubborn and rebellious; he will not obey our voice; he is a glutton and a drunkard." ²¹Then all the men of his city shall stone him to death with stones; so you shall put away the evil from among you, and all Israel shall hear and fear."* Deuteronomy 21:18-21.

7.6.8- Revolt, rebellion

Many of these demons are full of revolt and rebellion. As we have just seen above, true Children of God are easily set right by correction. If you hence have so-called children that you cannot control, know that you are dealing with demons. What you often call unbearable children, are demons. They have never been children. True children are bearable.

7.6.9- Gluttony

Another element that helps you easily recognize many of these children is gluttony. At times, you meet children who eat two to three times what an adult can eat. You usually wonder how they do it, and in which bellies they put all this.

7.6.10- Lie

Many of these children lie excessively. When a normal child lies, if you take a small whip, the truth will come out from his mouth immediately. But with a demon child, even when you see him doing silly thing, when you ask him, he denies until swearing. And even when you hit him, he does not give in.

7.6.11- Sexual vices

You know yourselves that at a certain age, the child knows nothing about sex. Yet if you have little demons, you will often surprise them in acts that will astonish you.

7.6.12- Gap between attitude and age

Many are recognized by the wide gap that exists between their attitude and their age.

7.6.13- Harmful, destructive

Many are too harmful, and destructive. They will break everything you have in the house.

7.6.14- Scandals

Generally, they are real subjects of scandals. They make you feel ashamed and embarrass you all the time. They put you in confrontation with your people around you. And with their incantations, they induce you to support them in their stupidities, and make you have many enemies unnecessary.

7.6.15- Sickly

There are some who are constantly sick. These are among those who come with specific missions. They are always sick. Once you have money, they fall sick, and when you finish spending, they pretend to get well, and fall sick again when you have money again. Others even come into the world with strange sicknesses. Sometimes sicknesses that cannot be justified or explained.

7.6.16- Cries

Many of them spend all their time crying, and at times at odd hours, and at times at the wrong moment. You cannot satisfy some of these children, you cannot make them happy. You feed them, they cry; you bath them, they cry; you try to play with them, they cry. Their only desire is to distract you and upset you to the maximum. This gets worse when they are in the Church. In the presence of God, that is, in the middle of service, these children always cry excessively, to distract the service. If you then have children who cry each time you are at a service, know that they are demons. The spirit of true children is always at peace in the presence of God. It is the children of satan who always have troubled spirit in the presence of God. It will therefore be easier for you now to recognize them.

7.6.17- Theft

Some of these small demons are great thieves. Know that a normal child in extreme poverty can steal. But when you have children who lack nothing, but who steal, understand that it is abnormal. Some of these cases can come from a demonic possession; such cases can be solved through prayer.

7.6.18- Fear of God's presence

Many of these demons are extremely afraid of the presence of God. You will be able to recognize such children if you have them. If you have children who are afraid of the presence of God, and who only feel at ease away from God's presence, understand that they are not of God. True Children of God are always happy in the presence of God.

7.6.19- Unbearable children

I have already mentioned it, but I would like to repeat myself. Know that what you call unbearable children, are nothing but demons. They have the spirit of their father satan. They do not yield to anything. They are afraid of nothing, and they have no respect for older people. If you meet children who have no consideration for older people, know that they are demons. True children always have respect for adults.

7.6.20- Other elements

Many other elements of the characters of demon children are noticeable: Pride, spirit of dominion, waste, strange games, spirit of rejection, attitude of an adult, spirit of accusation, withdrawn into oneself, the tendency to initiate other children, etc. On the whole, the people best placed to detect these demon children are women. First, because they are the ones who are there during childbirth, and secondly because they are the ones who take care of the babies and watch over them day and night.

There are observable elements during the delivery of some of these demons. Wise midwives detect some of them at the time of delivery; either by the way they come into the world, or by other revealing signs. There are also things that can be observed by the mothers who take care of these little snakes. Women, because of their proximity to children, have plenty of opportunity for recognizing demons when they are still very small. Many women detected some of these demons while bathing them. Some women gave us testimonies of female children whose sex was like the sex of a woman who not only has already known men, but who has even given birth. While bathing some baby girls, they realize that their sex is much more worn out than the sex of women who already have several children.

They have also caught other demon children by watching them sleep. Many women have found that when they put the baby to bed, they are surprised to find that the little baby, who is supposed to be sleeping, is instead making movements that show that they are having sex with an invisible partner. Many women have been traumatized by experiencing these abominations. They find themselves unwillingly watching pornographic scenes played by people they thought were babies. It is in this way that, even without being spiritual, these

women were able to detect demon children. And when the teaching on discernment came, they did not find it hard to accept. They even helped other people to understand the teaching well, by sharing with them the experiences and the proofs that they had demon children.

There are also parents who very quickly recognized the teaching on discernment as true, because they had the evidence. They explained how some of their children were getting sick every time the father got his salary, and all the money was squandered on these illnesses. And as soon as there was no more money, the sickness disappeared. As soon as the next salary came, the same situation would start again. Eventually, even without being spiritual, they realized that they were dealing with ghosts, not children. And they decided not to fall into the trap of these demons anymore. The next time these demons fell sick, they clearly told them to die, swearing that they would not spend any more money on them. And after these firm words, the imaginary sick people were instantly healed.

There are many clues, beloved, to recognize them. But I think I have given you enough. Know therefore that it is possible to recognize these demon children. Mothers are generally well informed about the nature of each of their children, and the testimony of an honest woman about her children must be taken very seriously. Let me give you a testimony about this.

7.6.21- Testimony

Some years ago, we had a very zealous brother among us. This brother had joined us after having read and appreciated our teachings. As soon as he contacted us, the zeal and commitment that he showed prompted me to accept him in our midst with joy, and to organize a meeting with him. As soon as this brother had committed himself to following sound doctrine, I had done with him what I do with all those who commit themselves to the path of the Lord. I asked him if his parents were still alive, if they had already given their lives to Jesus Christ, etc.

From our sharing, it emerged that his mother was still alive, but had not yet accepted the Lord. So I encouraged him to preach the Gospel to his mother. He was reluctant, saying that his mother was a difficult woman, and that he was not sure she would believe. I told him that until you preach the true Gospel to a person, and in a good way, you cannot conclude that the person cannot believe. In his reluctance and hesitation, I asked him to take a moment of fasting for his mother, and promised to accompany him in this moment of fasting. We then took three days of fasting for this mother. After this moment of fasting and intercession, we organized a meeting with this mother. I had travelled particularly to his country to bring the Gospel to his mother myself.

We had spent a wonderful time in the presence of God with this mum, and to this brother's surprise, his mum believed and accepted Jesus Christ as her Lord and Saviour. After baptism, we blessed the Lord for His grace, and for the confirmation of His word. The brother then understood what I had told him several times. I had told him before that I never accept the testimony that a person cannot believe until I have had the opportunity to preach to that person myself. So we glorified the Lord, and a few days later I returned to my country.

The brethren continued with the practice of the word of God as I had taught them. And I called them regularly to encourage them. One day this brother's mother called me. She told me that she had some concerns that she wanted to explain to me. And I told her I was willing to listen to her. She said she wanted to talk to me about her son. She began by telling me that in all her life she had never met a man of God like me, and that the mere fact that she believed in Jesus after my preaching was proof of that. She added that no one could imagine that she would ever believe in Jesus. I told her that I was very happy to hear all this testimony.

She went on to say that she had seen in me a man of God who was full of wisdom, and who had much discernment. I said to her, "To God be the glory!" She continued and said that she did not understand why with all the discernment I had, I had failed to discern who her son was. These words chilled me a bit as to the testimony she was about to give me about her son. I immediately called this brother and put him on another line, so he could listen live to what his mother had to say about him. The brother got on the line and listened to us.

His mother had then started her testimony. She said to me, "Apostle, how can you walk with a monster without knowing it? I am convinced that you are a true Servant of God, but I do not understand how you could not discern who my son is. He is a demon." I interrupted her gently and said, "Mum, don't say such things. This brother is very zealous for the Lord, and his zeal is very encouraging." She said to me, "You don't know him." I answer her, "Mum, he may have been a bad child in the past, but he has become a man who has even started a family already; moreover he has accepted the Lord, and the Lord forgives, and changes hearts." She said to me, "Apostle, he is my son. I know him. The love you have for him blinds you. ..." With all the harsh words she was uttering, I said to her, "Mum, Mum, don't be so bitter. Your son has changed. He is no longer the demon you knew, he has become a child of God." She said to me again, "Apostle, you better believe me, my son is a demon, he is the devil in person." I said: "All right, mummy, I understood." I encouraged her, and then I took leave of her.

As soon as I finished with her, I said to that brother who was still on the line and who had been listening to everything: "Beloved, you just heard live what your mother said about you. I am happy that the Lord allowed you to listen live. What did you do to make your mother's testimony about you so sad?" He tried to explain as much as he could. Sometime later, his mum told me that she could not stay in a church with that kind of demon. And as I could not chase the brother out of the Church just because of his mother's testimony, the poor woman preferred to leave the Church.

Day after day, the evil fruits of this so-called brother became visible, but I made the effort to be patient and tolerant. When the Lord saw that I was not ready to abandon this so-called brother, He totally exposed him, uncovering all his works and his rotten heart. The Lord had exposed him so much that I had no choice but to drive him out of the Church immediately. It was then that I took the testimony his mother had given me about him seriously. His mother's words, which I had thought were the words of a mother angry with her child, were confirmed.

This leads you to understand, beloved, that it is difficult for people to know a child better than their own mother. Even when mothers do not say anything about their children, very often it is because they do not want to say anything, and not because they do not know.

7.7- What to do when one has demon children?

If you have such children, you will have no other solution but to pray to God for deliverance. Not for their deliverance, but for your deliverance. Never fall into the trap of imitating the methods of the old covenant. In the Old Testament, it was allowed to stone such children. In the new covenant, this is no longer the case. So you cannot take the liberty of either killing these children, or torturing them. It would be a serious sin in God's sight. Do not seek to solve spiritual problems by physical methods. It is only with prayer that you can suppress the deeds of such children, and not by violence. Killing a child, even if it is a demon, is a crime in God's sight. And torturing a child, even if it is a demon, is a sin before God. It is not up to us to take these children out of the world, it is up to God alone to do so. The Lord has well clarified it in the passage below:

Matthew 13:27-30 ²⁷*The owner's servants came to him and said, 'Sir, didn't you sow good seed in your field? Where then did the weeds come from?' ²⁸An enemy did this,' he replied. The servants asked him, '**Do you want us to go and pull them up?**' ²⁹**No,' he answered, 'because while you are pulling the weeds, you may root up the wheat with them. ³⁰Let both grow together until the harvest...**"*

Therefore, remember very clearly that **you have no right to kill a demon child**, and you must not torture them either. The fight we must wage against these people is spiritual, and not carnal. Do not burn demon children like in some parts of the world. If the justice of your country turns a blind eye to such things, God will punish you for any crime. Know that a demon, as soon as it already takes human form, is considered in the sight of God as a man, and to kill him, whatever the reason, is seen in the sight of God as a crime. I therefore want to warn those who live in these regions where killing sorcerers is not a crime. I remind you that you must not only submit to the justice of men, you must even better submit to that of God. If the justice of men contradicts the justice of God, it is the justice of God that you must apply. And in this case, the justice of God demands that we leave the demons in flesh alive, until the time of harvest. The angels of God will take care of them.

7.8- Children sorcerers

There is a difference between demon children and children sorcerers. On a whole, children sorcerers are demons. But, it does not rule out the possibility of encountering some rare cases of children sorcerers, who are not demons. It would be the case of the few normal children who would have been initiated into witchcraft. These can be delivered. They are nevertheless rare cases.

7.9- Conclusion

To end this teaching on demon children, I would again like to give thanks to God the Father, through His Son Jesus Christ our Saviour, for the revelation of His Word. And as the Scripture says, **"The unfolding of your Words gives light; it gives understanding to the simple."** Psalm 119:130.

8- CAN ANYONE KNOW HE IS A DEMON?

"My mouth will speak words of wisdom; the utterance from my heart will give understanding." Psalm 49:3

This question is one of the questions that I have often been asked in conferences and seminars on Discernment. The teaching on Discernment is one of the most captivating teachings, which each time raises many questions, among which the one we want to answer. While some are just curious to know if a demon in the flesh can recognize itself as such, others only ask this question for what concerns them, that is to say, they want to know if they are demons.

Many of them therefore ask me every time if they are demons. To those, I always said that God did not appoint me to designate who is a demon in flesh and who is not, and that God did not make me a consultant to consult people every time in order to reveal to them their spiritual nature. I always remind them that I will never take myself for what I am not, and that it is not from me that they will get the answer to this purely personal question.

Nevertheless, in order to make this teaching as clear as possible, I must answer this question in a general way, so that every person may know his spiritual nature, for those who still have doubts. The question ***"Please Apostle, tell me; am I a demon?"*** comes on the one hand, from demons who ignore themselves, that is to say people of satan who are not convinced of their belonging to the camp of the devil, and on the other hand, from Children of God during moments of great discouragement, or when they face excessive trials.

I will now answer your question. Can anyone know that they are a demon? The answer is **YES**. How? If God has given you this teaching on discernment, it is not so that you discern others, as many like to do; it is first so that you discern yourselves.

8.1- Demons in the flesh who ignore themselves

As I said in the teaching on ***Demon Children***, apart from the great powerful demons who come into the world voluntarily and consciously, with a specific mission, there are many other small demons who are rather sent by satan, very often without their permission and without their opinion. Some of them are unaware of their demon nature, and it is in the face of the teaching on Discernment that they begin to ask themselves questions, in view of certain things they experience. The elements below will help you know if you belong to God or not.

8.1.1- Deep hatred of Jesus Christ

If you have a deep hatred of Jesus Christ, if you hate Jesus Christ without really understanding why you hate Him so much, then you are a demon.

8.1.2- Disgust for the work of God

If you feel a real disgust for the work of God, if you happen to say or think that God would be exploiting you by asking you to do His work, then you are a demon. We have known this kind of so-called Children of God in the past, who were not

ashamed to declare loudly and intelligibly, that they felt deeply inside them, that God was just exploiting them. This element was enough for us to know that we were dealing with demons. And precisely that was confirmed afterwards, because as soon as God exposed their works, we drove them out of the Church.

If you willingly choose to distort or falsify God's work, or if you are often driven to willingly and consciously sabotage God's work, then you are not of God. In this case, you are not much different from those who willingly and consciously teach false doctrine to people. You are therefore not different from those who blaspheme against the Holy Spirit. You are a demon!

8.1.3- The joy of seeing innocent people suffer

If you feel joy every time you see innocent people suffer, or if you like to torture people while feeling joy in seeing your victims suffer and moan, then you are a demon.

8.1.4- So-called true Christians not baptized in the Holy Spirit

If you call yourself born again Christians, baptized in water for a long time, but not baptized in the Holy Spirit, whereas, not only do you know well the teaching on the baptism of the Holy Spirit, but in addition, you have been several times to prayer sessions organized for the baptism in the Holy Spirit, it is because you are not of God. A true child of God when he is not yet baptized in the Holy Spirit, it is either when he has not yet been well explained the teaching on the baptism of the Holy Spirit, or when he has not had the grace to meet a true servant of God to pray for him.

8.1.5- So-called true Christians who fight the baptism of the Holy Spirit

As you have read in the teaching on the baptism of the Holy Spirit and speaking in tongues, if you call yourselves born again Christians, baptized in water and knowing well the teaching on the baptism of the Holy Spirit, and you are against the baptism of the Holy Spirit and speaking in tongues, then you are a demon.

8.1.6- The so-called true Christians who avoid the baptism of the Holy Spirit

If you call yourselves born-again Christians, and you are indifferent to the baptism of the Holy Spirit, that is, the baptism of the Holy Spirit does not mean anything to you, or if you avoid the baptism of the Holy Spirit, using cunning to shun the prayer sessions held for the baptism of the Holy Spirit, then you are a demon. A true child of God does not run away from the Holy Spirit, and does not feel comfortable without the Holy Spirit and the anointing of the Holy Spirit.

8.1.7- People who are happy to be wicked

If you are wicked and take great pleasure in it, then you are a demon.

8.1.8- The so-called true Christians who practice witchcraft

If you say you are born again Christians, baptized in water and even in the Holy Spirit, and you practice witchcraft in the Church, and resist the different calls to

repentance that are launched, then you are a demon, a true agent of Hell. If a Christian seed of God can be possessed and still find himself, for inexplicable reasons, practicing witchcraft in the midst of Children of God, this Christian seed of God will seize the very first opportunity given to him, to confess his works, and renounce witchcraft. You will never see a born again Christian, true seed of God, remaining voluntarily and consciously in the Church, practicing witchcraft, and waiting for God to expose him first, before he pretends to repent.

8.1.9- The so-called true Christians who fight the true Children of God

If your heart is filled with hatred, jealousy and malice towards the true Children of God, while you call yourself born again Christians, baptized in water and even perhaps in the Holy Spirit, then you are a demon.

8.1.10- The so-called true Christians who are never delivered

If you call yourselves born again Christians, baptized in water, but not delivered, whereas, not only do you know well the teaching on deliverance, but moreover, you have had the grace to attend at least one prayer session organized especially for deliverance, then you are not of God. Those eternal possessed, who call themselves born again Christians, baptized in water, and who each time seek deliverance, and are never delivered after multiple prayers of deliverance, are not of God.

8.1.11- The so-called true Christian thieves in the Church

All these so-called born again Christians, baptized in water and even perhaps in the Holy Spirit, who steal tithes and offerings from the coffers of the Church or from the accounts of the Church, are demons. They are no different from their brother Judas Iscariot who stole the offerings made available to Jesus and the disciples. John 12:4-6 *"⁴Then one of His disciples, Judas Iscariot, Simon's son, who would betray Him, said, ⁵"Why was this fragrant oil not sold for three hundred denarii and given to the poor?" ⁶This he said, not that he cared for the poor, but because he was a thief, and had the money box; and he used to take what was put in it."*

Let me give you some examples of this kind of demon thieves that we have encountered. There is the case of a sorcerer who was supposedly the leader of an assembly that was held in his house. In the assembly there was a box in which the brothers came to put their tithes and offerings. Each time this thief would watch when all the people in his house went out, and would go to steal the money of God deposited in the box. One day, thinking that everyone had already gone out, this demon went as usual to the box to steal. While he was helping himself to the cash register of the Church, his first daughter arrived. Surprised in the middle of the theft, the thief panicked. His daughter also surprised asked him: *"Daddy, what are you doing like that?"* And the demon, all covered in shame, replied, *"No I'm going to pay it back."*

There is also the case of a sorcerer, so-called leader of an assembly, who spent several years systematically stealing the tithes and offerings that Children of God gave. This demon spent his time accusing Children of God of giving nothing. He was each time the only one to be indignant and to complain that he never

saw Christians who never gave anything to God, and to wonder if these Christians who never gave tithes or offerings were true Children of God. Yet during that time, some of these Christians regularly gave their offerings to the Lord. But this demon stole everything, but did not keep silent. This serpent played this game successfully until the Lord exposed him, uncovered him completely before everyone, and drove him out of the Church.

There is also the case of a small demon who came from the world of darkness, to help his witch mother out, who felt in danger because the mission that satan had entrusted to her had failed. It happened that the assembly was held in the house where this little demon lived. Despite his small age, the little sorcerer was stacking the chairs to reach the box of tithes and offerings that was placed above a very high cupboard. So the little demon made his own ladder to the box, helped himself to what was put into the box, and went to school with big banknotes that no elementary school child could have. He spent as he pleased, and distributed some of it to his classmates. The parents of the other children, alerted by the fact that their children were in possession of large sums of money whose origin was unknown to them, in turn alerted the school officials, who after investigation, realized that this kind of money, which was pouring out as if from a counterfeit money maker, came from this little demon.

They then summoned the parents of the little demon, to understand how a little child who had just left nursery school could have so much money every day. It was then that the parents realized that the little demon spent his time emptying the box of tithes and offerings. And as no one was watching this box, they did not realize it. This leads you to understand that the expression "**demon child**" is misleading. A demon remains a demon, whatever his age. So be very careful.

There is another case of a witch who went to a spiritual retreat. When she arrived at the retreat, she went to a child of God who was worshipping in the assembly of the town where the retreat was taking place. She then asked this child of God where their offering box was. Quite naturally, this child of God asked her if she wanted to give her offerings, the witch, all embarrassed, answered no. She certainly did not expect such a question. It is then that the brothers of the assembly where the retreat was to be held wondered, trying to understand why a person who has no intention of giving any offering to God, can seek to know where the offering box is. It is when the Lord exposed this witch that the brothers understood that she wanted to locate the offering box, in order to steal.

Beloved, there are so many examples to give you. But in order not to make this teaching too long, I will stop at these few. The conclusion to be drawn from these examples is that one of the things that characterizes demons in flesh is theft in the house of God. Big demons or small demons, it is the same thing, as you have just read. They all have the spirit of their father the devil, and all act like their brother Judas Iscariot. So this is another fruit with which you will recognize them. If you know a so-called child of God, who allows himself to steal the money of God, know that he is a demon. It is the same for those who feel comfortable stealing tithes and offerings, finding each time reasons not to give. Some of them, a little more cunning, say each time that they have just borrowed God's money, and that they will pay it back.

If you are a born again Christian, baptized in water and perhaps even in the Holy Spirit, if you have ever stolen God's money, if you believe that you are not a demon, then know that you are possessed. Quickly confess your works, and ask for your deliverance. Remember that if you do not repay all the money of God that you have stolen, Hell awaits you. And if you believe like Jehovah's Witnesses that Hell does not exist, be stubborn.

Beloved, now that you have learned that demon Christians spend their time stealing the offerings that you give to the Lord, make the effort at your level, to secure it. Take measures to block the way for these agents of Hell who, besides making incantations against you, also spend time ruining you. Find at your level the means to secure all your offerings, so that it is no longer possible for christian-demons to steal them.

8.1.12- The so-called servants of God who willingly hide the truth

All these so-called Children of God or Servants of God who voluntarily and consciously hide the truth, are demons. These wicked people voluntarily block the source of truth, for fear that other Christians will stumble upon it. Some are so-called pastors who come on our website to draw their teachings, and others are so-called social media evangelists who have our teachings as the basis for evangelism. Dear brothers, the fact of using our teachings to teach or to evangelize is not a bad thing. In fact, it is recommended. It is rather what these wicked people do with these teachings that is satanic.

8.1.12.1- What do these demon pastors do?

They come to our website, take the teachings, and give them to their faithful while giving them the impression that these teachings come from them, by carefully hiding the true source of the teachings. They therefore draw from our teachings, everything that will present them to the eyes of their followers as true teachers who know the word of God, and make every effort each time to extract from the teachings, the elements that can expose them to the eyes of their followers. And to pull off this satanic stunt, they do everything they can to hide our website from the faithful, because they know that if the faithful discover the website, not only will they know that the teachings they received did not come from their sorcerers of pastors, but they will also discover that some parts of these teachings were carefully removed.

8.1.12.2- What do the demon evangelists of social media do?

They come to our site, take the teachings, use them for their so-called evangelism, but ensure they hide the real source of our teachings. Let me give you some examples of this type of demons:

8.1.12.2.1- First demon evangelist of social media

The first demon takes the time to read each teaching line after line, removes from these teachings all references to the site, and remains with texts in which there is no mention of the site www.mcreveil.org. It is therefore these teachings emptied of all references to our site that he publishes on his various social media pages. All those who come across these teachings on social media, comment on them, appreciate them, and are convinced that it is this demon who wrote them.

This trick of satan leads people to believe that this demon teaches the truth. Once people are convinced that this demon teaches the truth, they then believe unreservedly everything that comes from him. This serpent takes advantage of this and introduces into these teachings, false teachings fabricated from the world of darkness. He does this knowing that naive Christians will no longer realize it. This is how he turns people away from the way of God. This is the primary objective of satan's agents.

When some people who know our teachings found them distorted on social media and alerted us, we contacted this demon. He blocked us from accessing his Facebook page to witness the extent of the damage he is creating with our distorted teachings.

The second objective of these sons of the evil one is greed. We were able to find the WhatsApp number of this snake in a message of greed that he sent to people begging for money. Once these sorcerers have won the hearts of ignorant Christians with our teachings, they start creating false reasons to extort money from them.

The WhatsApp number of this wizard is: 0022367501343. He would be in Mali according to his own words. One of his Facebook profiles is "**Élie Elie**", at <https://www.facebook.com/profile.php?id=100056852889863>.

8.1.12.2.2- Second demon evangelist of social media

The second demon, very cunning, pretended to repent, promising us that he would put back the sources of the teachings. But what he did was spectacular. He chose to distort the source of the teachings, so that those who click on the links he added never get to the site. Here is the real address of our site: **www.mcreveil.org**. But look at how this snake writes this address on his Facebook pages. First, he correctly writes **mcreveil**, but he ends with **.com**. This is enough to mislead anyone who wants to reach the site through this link. But it turns out that we have also activated **.com**, even though we only use **.org**. As soon as this wicked realized that the **.com** is functional and leads people to the site, he made another link, which is the following: **www.mcereveil.com**. Look closely at the address, and you will see his ruse. He inserted an "e" between c and r, to distort the address. As soon as he is challenged on the fact that our address ends with **.org**, he makes a new address with **.org**, which is: **www.mcreviel.org**. Now that he is forced to use the **.org**, **mcreveil** becomes **mcreviel**.

The manipulation of this demon did not start with the address of our site. It started with the site itself. It was the name of our site that this snake took as the name of one of his Facebook pages, with the very image that was on the site. So everyone who comes across this Facebook page is convinced that it is our page. This is how far this demon has gone to lead astray all those who are looking for us on social media. I want to make it clear that we do not have a Facebook account. We are not on any social network at the moment. This snake apparently has several Facebook pages, including this one: <https://www.facebook.com/DNG-100568642178253/>

8.1.12.2.3- Third demon evangelist of social media

The third demon takes the teachings and changes the formatting of those teachings. He deletes all references to the website www.mcreveil.org. He removes the calls to repentance, and replaces them with his own messages, and in the end, he puts up his own addresses, and pretends to be the owner of these teachings.

Here are the contact details of this demon:

This is how demons work. There are thousands of them sent from the world of satan, to flood the social networks, with the mission of turning as many people as possible away from the way of God. And all of them claim to be born again Christians, and claim to be serving Jesus Christ. To better deceive and seduce naive and unstable Christians, these demons put on their pages lots of Bible verses and other little messages that give their visitors the impression of being on the pages of true Children of God. It takes enough vigilance and discernment to detect the cunning of these demons, and not to fall into their traps.

If we go back to the question that was asked, the answer becomes obvious. Can these demons know that they are demons? The answer is of course YES! They know it very well. They are on a mission against the people of God. It is voluntarily that they engage in this kind of wickedness, and they do it consciously. Besides, they refuse to repent even when given the opportunity to repent.

God always chooses to give several opportunities for repentance to these demons, but they harden their heart, and freely continue their satanic ministries. Such demons are very numerous on social media. They pretend to be born-again Christians. Some give themselves the title of servants of God. All of them claim to be preaching the Gospel of Jesus Christ. But their mission in reality is to turn people away from the way of God. It is up to you, Children of God, to be vigilant.

8.2- Children of God prey to excessive trials

Many Children of God, who had never imagined that God could subject His Children to excessive trials, do not hesitate in their moments of extreme discouragement, to ask themselves if they are really of God, for lack of asking themselves if God Himself is real.

Before answering your question, I would like to remind you that the difficulties you are going through on this earth are not a function of your spiritual nature. We are all called on this earth to suffer. Whether you are of God or of satan, you have to face the whims of the earth. Whether you are on this earth from God or from satan, you cannot escape the sufferings. So it is not according to the type

of suffering you endure, that you can determine your spiritual nature. I hope that this point is well understood.

We can now go through the Bible in search of some cases that can help us understand this subject better. Can a true child of God in moments of extreme torture doubt his spiritual nature or even his relationship with God? The answer is **YES**. How can this happen? The extreme torture that God often allows His true children to endure sometimes pushes them to delirium.

For all these children of God who in their moments of discouragement or in the face of excessive trials, wonder if they are really of God, I encourage you to handle your trials with more dignity and courage, knowing that each trial will pass. Nothing is eternal on earth, and our trials will be no exception. So be filled with courage, and do no longer let satan, the thief of joy, steal your joy, this precious joy that the assurance of our salvation gives us! Here are some testimonies that can help you to overcome the extreme trials you are going through, without however doubting your spiritual nature.

8.2.1- Case of the woman possessed by a spirit of infirmity

Luke 13:10-17 ¹⁰Now He was teaching in one of the synagogues on the Sabbath. ¹¹And behold, there was a woman who had a spirit of infirmity eighteen years, and was bent over and could in no way raise herself up. ¹²But when Jesus saw her, He called her to Him and said to her, "Woman, you are loosed from your infirmity." ¹³And He laid His hands on her, and immediately she was made straight, and glorified God. ¹⁴But the ruler of the synagogue answered with indignation, because Jesus had healed on the Sabbath; and he said to the crowd, "There are six days on which men ought to work; therefore come and be healed on them, and not on the Sabbath day." ¹⁵The Lord then answered him and said, "Hypocrite! Does not each one of you on the Sabbath loose his ox or donkey from the stall, and lead it away to water it? ¹⁶"So ought not **this woman, being a daughter of Abraham, whom satan has bound - think of it - for eighteen years**, be loosed from this bond on the Sabbath?" ¹⁷And when He said these things, all His adversaries were put to shame; and all the multitude rejoiced for all the glorious things that were done by Him."

When you read this passage of Luke 13:10-17, you see how a true seed of God was kept by satan in excruciating pain for 18 years. For 18 good years, she suffered this indescribable torture. Yet she was a daughter of Abraham, that is to say a seed of God.

8.2.2- Case of John the Baptist

Luke 1:13-17 ¹³ But the angel said to him, "Do not be afraid, Zacharias, for your prayer is heard; and your wife Elizabeth will bear you a son, and you shall call his name John. ¹⁴"And you will have joy and gladness, and many will rejoice at his birth. ¹⁵"For he will be great in the sight of the Lord, and shall drink neither wine nor strong drink. **He will also be filled with the Holy Spirit, even from his mother's womb.** ¹⁶"And he will turn many of the children of Israel to the Lord their God. ¹⁷"He will also go before Him in the spirit and power of Elijah, 'to turn the hearts of the fathers to the children,' and the disobedient to the wisdom of the just, to make ready a people prepared for the Lord."

John 1:29-36 ²⁹The next day John saw Jesus coming toward him, and said, **"Behold! The Lamb of God who takes away the sin of the world!"** ³⁰"This is He of whom I said, 'After me comes a Man who is preferred before me, for He was before me.' ³¹"I did not know Him; but that He should be revealed to Israel, therefore I came baptizing with water." ³²And John bore witness, saying, "I saw the Spirit descending from heaven like a dove, and He remained upon Him. ³³"I did not know Him, but He who sent me to baptize with water said to me, 'Upon whom you see the Spirit descending, and remaining on Him, this is He who baptizes with the Holy Spirit.' ³⁴"And I have seen and testified that this is the Son of God." ³⁵Again, the next day, John stood with two of his disciples. ³⁶And looking at Jesus as He walked, he said, **"Behold the Lamb of God!"**

Matthew 11:2-3 ²And when John had heard in prison about the works of Christ, he sent two of his disciples ³and said to Him, **"Are You the Coming One, or do we look for another?"**

John the Baptist, although he did not ask himself if he was really of God, did not refrain from asking God if He was really the true God. He who had been filled with the Holy Spirit even from his mother's womb, and who had been sent especially to prepare the way of God, and to make God known to God's people, found himself in an indescribable trial, wondering if God was really God. John the Baptist remained a seed of God, a true child of God, and a true Servant of God, despite the trials. Know therefore that, trials, no matter how atrocious they are, will never make a seed of God, a seed of satan.

8.2.3- Case of Jeremiah

Jeremiah 20:14-18 ¹⁴**Cursed be the day in which I was born!** Let the day not be blessed in which my mother bore me! ¹⁵Let the man be cursed who brought news to my father, saying, "A male child has been born to you!" Making him very glad. ¹⁶And let that man be like the cities which the Lord overthrew, and did not relent; let him hear the cry in the morning and the shouting at noon, ¹⁷Because he did not kill me from the womb, that my mother might have been my grave, and her womb always enlarged with me. ¹⁸**Why did I come forth from the womb to see labor and sorrow, that my days should be consumed with shame?"**

Jeremiah had suffered so much that he found himself cursing the day he was born and the innocent people who brought the news of his birth to his father, etc. He was cursing the day of his birth while forgetting that God who is the author of that day of birth, is the one really responsible for the torture he was suffering. He cursed the innocent people who brought the news of his birth to his father, while forgetting that these innocent people were only instruments of God who did what they had to do, by bringing the good news of his birth to his father. He did not know that these innocent people were in no way responsible for the torture he was suffering, and that God alone was responsible for it.

So the poor man found himself indirectly cursing God through his day of birth and through the innocent, without realizing it. For who is the author of our day of birth, if not God? And what did the poor news carrier do in all this, if not what God expected him to do? The bearer of the news of Jeremiah's birth, on the day he carried the news, was convinced that it was good news he was carrying. He

could not imagine that 20 or 30 years later, this good news would be perceived by anyone as bad news. So, he cannot be held responsible for the way God chooses to test His servant Jeremiah. No curse can thus be attributed to him.

When Jeremiah said, *"Why did he not kill me in my mother's womb?"*, who else but God could kill him in his mother's womb? Who really has the power to kill? You understand there, beloved, that the suffering was excruciating, this by the only will of God. And during this time, the agents of satan were saying to whoever wanted to hear them that God had abandoned Jeremiah, and that it was them, the false prophets, who had become the new servants of God. It is the same language that the agents of Hell are using against us at present.

8.2.4- Job's Case

Job 1:1-20 "There was a man in the land of Uz, whose name was Job; and that man was blameless and upright, and one who feared God and shunned evil. ²And seven sons and three daughters were born to him. ³Also, his possessions were seven thousand sheep, three thousand camels, five hundred yoke of oxen, five hundred female donkeys, and a very large household, so that this man was the greatest of all the people of the East. ... ¹³Now there was a day when his sons and daughters were eating and drinking wine in their oldest brother's house; ¹⁴and a messenger came to Job and said, "The oxen were plowing and the donkeys feeding beside them, ¹⁵"when the Sabeans raided them and took them away-- indeed they have killed the servants with the edge of the sword; and I alone have escaped to tell you!"

¹⁶While he was still speaking, another also came and said, "The fire of God fell from heaven and burned up the sheep and the servants, and consumed them; and I alone have escaped to tell you!" ¹⁷While he was still speaking, another also came and said, "The Chaldeans formed three bands, raided the camels and took them away, yes, and killed the servants with the edge of the sword; and I alone have escaped to tell you!" ¹⁸While he was still speaking, another also came and said, "Your sons and daughters were eating and drinking wine in their oldest brother's house, ¹⁹"and suddenly a great wind came from across the wilderness and struck the four corners of the house, and it fell on the young people, and they are dead; and I alone have escaped to tell you!" ²⁰Then Job arose, tore his robe, and shaved his head; and he fell to the ground ..."

Job 2:7-13 "⁷So satan ... struck Job with painful boils from the sole of his foot to the crown of his head. ⁸And he took for himself a potsherd with which to scrape himself while he sat in the midst of the ashes. ⁹Then his wife said to him, "Do you still hold fast to your integrity? Curse God and die!" ¹⁰But he said to her, "You speak as one of the foolish women speaks. Shall we indeed accept good from God, and shall we not accept adversity?" In all this Job did not sin with his lips. ¹¹Now when Job's three friends heard of all this adversity that had come upon him, each one came from his own place - Eliphaz the Temanite, Bildad the Shuhite, and Zophar the Naamathite. For they had made an appointment together to come and mourn with him, and to comfort him. ¹²And when they raised their eyes from afar, and did not recognize him, they lifted their voices and wept; and each one tore his robe and sprinkled dust on his head toward heaven. ¹³So they sat down with him on the ground seven days and seven

nights, and no one spoke a word to him, for they saw that his grief was very great."

Job 3:1-12 "After this Job opened his mouth and cursed the day of his birth. ²And Job spoke, and said: ³"May the day perish on which I was born, and the night in which it was said, 'A male child is conceived.' ⁴May that day be darkness; may God above not seek it, nor the light shine upon it. ⁵May darkness and the shadow of death claim it; may a cloud settle on it; may the blackness of the day terrify it. ⁶As for that night, may darkness seize it; may it not rejoice among the days of the year, may it not come into the number of the months. ⁷Oh, may that night be barren! May no joyful shout come into it! ⁸May those curse it who curse the day, those who are ready to arouse Leviathan. ⁹May the stars of its morning be dark; may it look for light, but have none, and not see the dawning of the day; ¹⁰because it did not shut up the doors of my mother's womb, nor hide sorrow from my eyes. ¹¹Why did I not die at birth? Why did I not perish when I came from the womb? ¹²Why did the knees receive me? Or why the breasts, that I should nurse?"

Job had suffered so much that the agents of satan who were jealous of him boasted of it, and said that God had rejected him. Even his wife, at the sight of the horror that had befallen him, believed that God, whom she believed to be true, had become false, and suggested that Job curse God and die. Job's friends, who feared God, believed instead that Job had done something wrong in the eyes of God. No one could imagine that God, the true God, the Almighty God, the God of love and compassion, could treat one of His true Servants in such a way, without any reason.

This example helps us understand that God, for reasons that no one can explain, often subjects His true Children to excessive torture, at the hands of satan and his agents. This kind of torture is often such that if the child of God is not firm enough, he will even doubt his spiritual nature, and ask me, "**Please Apostle, tell me; am I a demon?**" Was Job a demon for having undergone all this torture at the hands of satan with God's permission? Was he abandoned by God? Was he rejected by God?

Job, in his frustration, found himself cursing the day of his birth. He cursed the day of his birth while forgetting that God, who is the author of this day of birth, is the real responsible for the torture that he underwent. The poor man found himself indirectly cursing God through his day of birth, without realizing it. For who is the author of our day of birth, if not God? And everyone knows that the day itself has done nothing. The day is not responsible for anything. When Job said, "*Why did I not die at birth? Why did I not perish when I came from the womb?*", who else but God could kill him in his mother's womb? Who really has the power to kill? You understand there, beloved, that the suffering was at its height, this by the only will of God. And during that time, the agents of satan were saying to whoever wanted to hear them, that God had abandoned Job, and that Job was no longer a servant of God.

So be careful, beloved, in your moments of extreme suffering, not to curse the days, for it is God who created all these days. And in reality, no day has ever done anything to deserve to be cursed. The days themselves have no power.

When God chooses to test us, He remains the only one responsible for it, and cursing innocent days or people, amounts to cursing God. Whether God passes through satan in person or through his agents to test us, He remains the only one responsible. It is moreover for this reason that in our trials, we must say thank you to God, because no agent of satan can be stronger than God to reach us without God's permission. No misfortune befalls us without the Lord's permission. ³⁷Who is he who speaks and it comes to pass, When the Lord has not commanded it? ³⁸Is it not from the mouth of the Most High that woe and well-being proceed?" **Lamentations 3:37-38.**

So, you true Children of God, seeds of God, the extreme sufferings to which you are sometimes exposed, should no longer plunge you into doubt about your true spiritual nature, or even lead you to believe that God has forsaken you, and that He has even rejected you. No! The cases of these few Servants of God that we have just read, show us that God often chooses, for reasons that we can neither understand nor explain, to let satan and his agents consider themselves gods over the Children of God, and mistreat the Children of God by subjecting them to a degree of torture that would cause every normal person to wonder if God is really God. God is really God, beloved, but His logic is unfathomable, His methods are incomprehensible to us.

If therefore you belong to the Lord Jesus Christ, if you are a seed of God, and make the effort to walk according to God in Jesus Christ, do not worry when God allows trials to befall you. He is in control. And when you are precious in the sight of God, these trials may be beyond human comprehension. But in all this, God remains God. So be calm, be still, be strengthened! The hour of our deliverance is near.

I really want here to warn the agents of satan and other deceivers: This message of encouragement and assurance that I have just addressed is intended for the true Children of God who fear God. Therefore, do not dare to console yourselves with my encouragement when God strikes you because of your witchcraft and your rebellion against His word. So, before attributing the suffering you are enduring to a trial that would come to you from God, make sure that you are of God, and that you fear God. Before saying that God is testing you as He tested Job, make sure that you are in God's eyes, what Job was in the eyes of God.

8.3- Conclusion

These elements of discernment that I have just given in this teaching, concern only those who have already given their life to Jesus Christ. If you say you are already born again Christians, baptized in water and even perhaps in the Holy Spirit, and if in addition to the fruits already mentioned throughout the teaching on Discernment, you bear these other fruits that I have just cited, then the answer to your question is **YES**. You are not of God.

If you are still pagans, that is to say if you have not yet accepted Jesus Christ as Lord and Saviour, these elements of discernment that I have just given do not concern you. Even if you bear these fruits, you cannot quickly conclude that you are a demon. These fruits that you bear can come from the demons that dwell in you. When you are possessed, the fruits that you bear are not very different from those that demons bear.

Finally, remember, dear brethren, that the Discernment as I have taught it, must be applied only to the religious, that is, all those who have already heard the Gospel of Jesus Christ, and who already know who Jesus Christ really is. True pagans, that is, truly ignorant pagans, those people who know nothing of the things of God and who have no knowledge of the Gospel, cannot be easily judged by this discernment. It is difficult to apply discernment to such people. These people are still generally very much possessed, and their actions and even their thoughts are often guided by the demons that possess them. Since Discernment as explained in this teaching cannot allow you to determine the spiritual nature of pagans, it is mainly by revelation that you can know if they are not of God.

"We demolish arguments and every pretension that sets itself up against the knowledge of God, and we take captive every thought to make it obedient to Christ." 2Corinthians 10:5.

9- CONCLUSION

"99I have more insight than all my teachers, for I meditate on your statutes. 100I have more understanding than the elders, for I obey your precepts." Psalm 119:99-100.

9.1- Can demons be delivered?

In John 6:70, we read, ***"Then Jesus replied, have I not chosen you the twelve? Yet one of you is the devil!"*** We all know with what power of deliverance the Lord Jesus accomplished His ministry on earth. All those who came to Him with demonic possessions were delivered. The question we can ask ourselves is this: Why did Jesus not deliver Judas Iscariot? The answer is simple: Judas Iscariot was a demon, and not a demonic.

It is important at this level, to establish the difference that exists between a demon and a demonic. A demonic is a person possessed by demons. Such a person can be delivered. Whereas a demon is a seed of satan as we have studied. One cannot transform a seed of satan into a seed of God. That is why Jesus did not transform Judas Iscariot into a seed of God by delivering him. Therefore, a demon cannot be delivered.

Yet, thousands of men of God spend their time today doing what they call deliverance, by blindly trying to deliver demons. How these poor pastors suffer, to the point of sweating. Some shout until they lose their voice, because they have been taught that it is by shouting that the demon goes out. Others perform deliverance by stages. They do the first step, take a break, continue another day with another stage, and so on. What a pity! ***The lack of discernment is more than a disease.***

9.2- Consequence on Evangelism

Ignorance makes us waste time; the lack of discernment makes us suffer unnecessarily. When we understand this teaching on discernment well, we grasp more easily the meaning of the instructions that the Lord gave us in relation to Evangelism:

Matthew 10:5-6 ***"5... Do not go among the Gentiles or enter any town of the Samaritans. 6Go rather to the lost sheep of Israel."*** What Jesus calls here Gentiles or Samaritans, has nothing to do with all His true children who do not yet know Him. The Lord already has them in His plan of salvation. Rather, He is talking here about those to whom even if the Gospel were preached, it would be of no use.

Matthew 10:14 ***"If anyone will not welcome you or listen to your words, shake the dust off your feet when you leave that home or town."***

Matthew 15:24 ***"He answered, "I was sent only to the lost sheep of Israel."***

Marc 6:11 ***"And if any place will not welcome you or listen to you, shake the dust off your feet when you leave, as a testimony against them."***

Luke 9:5 ***"If people do not welcome you, shake the dust off your feet when you leave their town, as a testimony against them."***

You find many Christians today, including pastors, who spend years evangelizing the same people. Others allow in the church for years people who are obstinate and refuse water baptism, saying that they want to be patient with them. They will tell you that "god" sometimes needs many years to touch the hearts of some people. Understand that they are talking about their god and not our God. Our God says, *"²⁶But you do not believe, because you are not of My sheep, as I said to you. ²⁷My sheep hear My voice, and I know them, and they follow Me."* John 10:26-27.

To whom in the Bible did Jesus spend years preaching the Gospel while waiting for him to believe? To which person did the disciples spend years preaching the Gospel while waiting for him to believe? Those who are of the seed of God do not need years to recognize the voice of their Shepherd. They simply need to **hear** that voice. Have you ever seen Jesus worry because someone heard the truth and got angry? Go through the Gospels. Have you ever seen Jesus change either His message or His tone to please the people listening to Him, or to make them feel a bit at ease? Did you see Him panic when people were unhappy to hear the Truth? Since we all read the Bible, answer me. I invite you to meditate with me on the following passages:

9.2.1- Matthew 15:1-14

¹Then the scribes and Pharisees who were from Jerusalem came to Jesus, saying, ²Why do Your disciples transgress the tradition of the elders? For they do not wash their hands when they eat bread." ³He answered and said to them, "Why do you also transgress the commandment of God because of your tradition? ⁴For God commanded, saying, 'Honour your father and your mother'; and, 'He who curses father or mother, let him be put to death.' ⁵But you say, 'Whoever says to his father or mother, "Whatever profit you might have received from me is a gift to God" -⁶then he need not honour his father or mother.' Thus you have made the commandment of God of no effect by your tradition." ⁷Hypocrites! Well did Isaiah prophesy about you, saying: ⁸These people draw near to Me with their mouth, and honour Me with their lips, but their heart is far from Me. ⁹And in vain they worship Me, teaching as doctrines the commandments of men.'" ¹⁰When He had called the multitude to Himself, He said to them, "Hear and understand: ¹¹Not what goes into the mouth defiles a man; but what comes out of the mouth, this defiles a man." ¹²Then His disciples came and said to Him, **"Do You know that the Pharisees were offended when they heard this saying?"** ¹³**But He answered and said, "Every plant which My heavenly Father has not planted will be uprooted.** ¹⁴Let them alone. They are blind leaders of the blind. And if the blind leads the blind, both will fall into a ditch."

9.2.2- Matthew 23:13-35

¹³But woe to you, scribes and Pharisees, hypocrites! For you shut up the kingdom of Heaven against men; for you neither go in yourselves, nor do you allow those who are entering to go in. ¹⁴Woe to you, scribes and Pharisees, hypocrites! For you devour widows' houses, and for a pretense make long prayers. Therefore you will receive greater condemnation. ¹⁵Woe to you, scribes and Pharisees, hypocrites! For you travel land and sea to win one proselyte, and

when he is won, you make him twice as much a son of Hell as yourselves. ¹⁶Woe to you, blind guides, who say, 'Whoever swears by the temple, it is nothing; but whoever swears by the gold of the temple, he is obliged to perform it.'

¹⁷Fools and blind! For which is greater, the gold or the temple that sanctifies the gold? ¹⁸And, 'Whoever swears by the altar, it is nothing; but whoever swears by the gift that is on it, he is obliged to perform it.' ¹⁹Fools and blind! For which is greater, the gift or the altar that sanctifies the gift? ²⁰Therefore he who swears by the altar, swears by it and by all things on it. ²¹He who swears by the temple, swears by it and by Him who dwells in it. ²²And he who swears by Heaven, swears by the throne of God and by Him who sits on it. ²³Woe to you, scribes and Pharisees, hypocrites! For you pay tithe of mint and anise and cummin, and have neglected the weightier matters of the law: justice and mercy and faith. These you ought to have done, without leaving the others undone. ²⁴Blind guides, who strain out a gnat and swallow a camel!

²⁵Woe to you, scribes and Pharisees, hypocrites! For you cleanse the outside of the cup and dish, but inside they are full of extortion and self-indulgence. ²⁶Blind Pharisee, first cleanse the inside of the cup and dish, that the outside of them may be clean also. ²⁷Woe to you, scribes and Pharisees, hypocrites! For you are like whitewashed tombs which indeed appear beautiful outwardly, but inside are full of dead men's bones and all uncleanness. ²⁸Even so you also outwardly appear righteous to men, but inside you are full of hypocrisy and lawlessness. ²⁹Woe to you, scribes and Pharisees, hypocrites! Because you build the tombs of the prophets and adorn the monuments of the righteous, ³⁰and say, 'If we had lived in the days of our fathers, we would not have been partakers with them in the blood of the prophets.' ³¹Therefore you are witnesses against yourselves that you are sons of those who murdered the prophets. ³²Fill up, then, the measure of your fathers' guilt."

³³Serpents, brood of vipers! How can you escape the condemnation of Hell? ³⁴Therefore, indeed, I send you prophets, wise men, and scribes: some of them you will kill and crucify, and some of them you will scourge in your synagogues and persecute from city to city, ³⁵that on you may come all the righteous blood shed on the earth, from the blood of righteous Abel to the blood of Zechariah, son of Berechiah, whom you murdered between the temple and the altar."

9.2.3- Mark 10:17-23

¹⁷Now as He was going out on the road, one came running, knelt before Him, and asked Him, "Good Teacher, what shall I do that I may inherit eternal life?" ¹⁸So Jesus said to him, "Why do you call Me good? No one is good but One, that is, God. ¹⁹You know the commandments: 'Do not commit adultery,' 'Do not murder,' 'Do not steal,' 'Do not bear false witness,' 'Do not defraud,' 'Honour your father and your mother.'" ²⁰And he answered and said to Him, "Teacher, all these things I have kept from my youth." ²¹Then Jesus, looking at him, loved him, and said to him, "One thing you lack: Go your way, sell whatever you have and give to the poor, and you will have treasure in Heaven; and come, take up the cross, and follow Me." ²²But he was sad at this word, and went away sorrowful, for he had great possessions. ²³Then Jesus looked around and said to His disciples, "How hard it is for those who have riches to enter the kingdom of God!"

9.2.4- John 6:23-26

"²³However, other boats came from Tiberias, near the place where they ate bread after the Lord had given thanks - ²⁴when the people therefore saw that Jesus was not there, nor His disciples, they also got into boats and came to Capernaum, seeking Jesus. ²⁵And when they found Him on the other side of the sea, they said to Him, "Rabbi, when did You come here?" ²⁶Jesus answered them and said, "Most assuredly, I say to you, you seek Me, not because you saw the signs, but because you ate of the loaves and were filled."

9.2.5- John 8:30-32, 37-47

"³⁰As He spoke these words, many believed in Him. ³¹Then Jesus said to those Jews who believed Him, "If you abide in My word, you are My disciples indeed. ³²And you shall know the truth, and the truth shall make you free ... ³⁷I know that you are Abraham's descendants, but you seek to kill Me, because My word has no place in you...."

"⁴⁴**You are of your father the devil**, and the desires of your father you want to do ... ⁴⁵But because I tell the truth, you do not believe Me. ⁴⁶Which of you convicts Me of sin? And if I tell the truth, why do you not believe Me? ⁴⁷He who is of God hears God's words; therefore you do not hear, because you are not of God."

As you have noticed by reading the passages above, when the Lord preached the Gospel, He did not beg people to accept it. He was not surprised to see several people rejecting His Gospel, and He did not worry to see people going away while murmuring. He knew that those who were of His Father could not reject His Gospel. He also knew that those who were not of His Father could never appreciate the words of His Father. Evangelism was thus easy for Him. He did not suffer unnecessarily, because He had discernment.

Do not forget that the Gospel is a treasure, it is in fact the greatest treasure that man can have on this earth. When you preach the Gospel, you should not then give the impression to those to whom you preach that they believe for your sake. Do not give them the impression that they believe to do you some favour. Each one believes for his own salvation. No one believes for the other. Those who want salvation must believe, and those who want Hell, are free to choose. You should therefore not make people believe that you are forcing the Gospel on them. Just preach, with the aim of giving to those who want to repent, the opportunity to do so in order to escape from eternal fire.

Remember all the same that nobody is obliged to believe, and each person is free to lead his life as he sees fit. The aim is eternity. Each person will bear the consequences of his choice in the next days. And the Lord who created us, knows that His true Children will recognize His voice, when His Gospel is preached to them. **Therefore, avoid forcing the Gospel on those who do not want it**, and do no longer deceive yourselves by preaching the Gospel to the same people for years, believing that it takes years to convert a man. The Gospel of Jesus Christ is for those who are of the seed of Jesus Christ, and they accept it without difficulty.

I heard a pastor one day giving an abominable testimony, saying that he preached the Gospel to a woman who did not want to believe. Later on the woman came to the church, they preached everything to her, but she refused to believe. They left this woman in the church, and encouraged her every day. She spent six years in the church, and finally, after six years, she believed. And this blind pastor was giving this testimony to boast that he was doing a very good work as a pastor.

This is real seduction. Beloved, I warn you against these types of satanic testimonies. It is pure seduction. It is with this type of seduction that these pastors of satan induce Children of God to believe nonsense. Once you teach them what is written, they tell you that such a pastor or such a "man of god" had one day given a testimony that... For them, testimonies come before the Word of God. I will end again with this marvellous passage of 2John 8-11 *"⁸Watch out that you do not lose what you have worked for, but that you may be rewarded fully. ⁹Anyone who runs ahead and does not continue in the teaching of Christ does not have God; whoever continues in the teaching has both the Father and the Son. ¹⁰If anyone comes to you and does not bring this teaching, do not take him into your house or welcome him. ¹¹Anyone who welcomes him shares in his wicked work."*

9.3- Final Word

Beloved, the time has finally come, when ***"you will again see the distinction between the righteous and the wicked, between those who serve God and those who do not."*** Malachi 3:18.

With the trumpet about to sound, the Lord is purifying His Bride, and preparing her for the great day, for that glorious day. All those who are of the seed of God are waking up; they are getting ready for the meeting with their Master. By so doing, all are running away from the seduction that is practiced and lived every day in apostate assemblies and churches, in churches founded on greed and false doctrine.

Do not be astonished that while you are waking up, while you are revolting against the abomination that is practiced in broad daylight in the so-called christian milieu, others around you are rather at ease in these satanic structures and actively fight the Truth.

That should not surprise you, because the Lord warned us. They are workers of iniquity, they are sons of perdition, they are the wicked. They are all darkened in their understanding (Isaiah 6:9-10) and none of them can understand the signal of God, as the Lord reveals to us in Daniel 12:9-10. *"⁹He replied, Go your way, Daniel, because the words are closed up and sealed until the time of the end. ¹⁰Many will be purified, made spotless and refined, **but the wicked will continue to be wicked. None of the wicked will understand, but those who are wise will understand."***

Many brethren rebuked me by saying that I should have started with this teaching. And I know that many among you will ask me why it is only now that I am giving you these teachings.

Beloved, as I have mentioned at the beginning of this teaching, the battle has not been easy. When one starts a work like this one, which denounces the works of the devil from every angle, satan does not let go. That is why you should pray a lot for us. You true Children of God, if you want to see the work of God advance, you should constantly fast and pray for the few true men of God who still want to serve God without compromising, and who expose their lives by committing themselves to the way of the Truth. **"Unlike so many, we do not peddle the word of God for profit. On the contrary, in Christ we speak before God with sincerity, like men sent from God."** 2Corinthians 2:17.

Satan and his agents were always after me so that this work should never be done, so that this teaching should never be available to you. But if in their pride they can declare themselves strong before us, we, in our humility, can declare them Weak before our Master Jesus Christ. Is it not written that, **"the one who is in us is greater than the one who is in the world?"** 1John4:4.

Beloved, to end this teaching, I again bless the Lord Jesus Christ for His great faithfulness. It is with all confidence that I can say like our brother Job: **"I know that my redeemer lives, and that at the end He will stand upon the earth."** Job 19:25.

HYMN OF THE SOUND DOCTRINE

*Give me that sound doctrine of Christ,
 That sound doctrine of Christ,
 That sound doctrine of Christ,
 It's good enough for me.*

1. The gospel of prosperity,
 The gospel of false miracles,
 And the gospel of false healing,
 It is not what I want.

2. The empty gospel of belly,
 The gospel full of deception,
 The gospel of idle talkers,
 It is not what I want.

3. The ecumenical gospel,
 The gospel full of compromise,
 The gospel of tithes and offerings,
 It is a dead gospel.

4. The Gospel of John the Baptist,
 The Gospel of the Lord Jesus,
 The Gospel of Simon Peter,
 Yes that is my Gospel.

5. Very few can listen to It,
 Only a few can accept It,
 Many cannot hold on to It,
 The authentic Gospel.

6. None of the wicked shall
 withstand
 The true Gospel of Jesus Christ,
 But the righteous shall be joyful
 Every time It is preached.

7. The only Gospel that sets free,
 The real Gospel that delivers,
 The Gospel of Paul and Silas,
 It's good enough for me.

8. The Gospel that is not peddled,
 The Gospel simple and perfect,
 The Gospel of the first Brethren,
 It's good enough for me.

9. The undiluted pure Gospel,
 The doctrine of the Lord Jesus,
 The only truth that can set free,
 It's good enough for me.

10. The Gospel of self denial,
 The Gospel of full contentment,
 The Gospel free of greediness,
 Yes, that is my Gospel!

11. The true Gospel of discernment,
 The only truth that does divide,
 The sound doctrine of Jesus Christ,
 Yes, that is my Gospel!

12. Thank You Lord Jesus for Your
 grace,
 Thank You for the revelation,
 And thank You for the discernment,
 Glory to You, O Lord.

Grace to all who love our Lord Jesus Christ with an undying love!

Invitation

Dear brothers and sisters,

If you have run away from fake churches and would like to know what to do, here are the two options available to you:

1- See if around you there are some other children of God who fear God and desire to live according to the Sound Doctrine. If you find any, feel free to join them.

2- If you do not find one and wish to join us, our doors are open to you. The only thing we will ask you to do is to first read all the Teachings that the Lord has given us, and which are on our website www.mcreveil.org, to reassure yourself that they are in conformity with the Bible. If you find them in accordance with the Bible, and are ready to submit to Jesus Christ, and live by the demands of His word, we will gladly welcome you.

The grace of the Lord Jesus be with you!
