#### **Message to all those who desire blessings**

To all those who desire blessings, the Lord is recruiting an army of translators to translate the teachings of [www.mcreveil.org](http://www.mcreveil.org) into any of the languages listed on the website.

The goal is to put all the wonderful teachings that the Lord has given us at the disposal of all, all over the world. So if you master any of the languages available on the website, know that you can put this at the service of the Lord. The Lord needs you to translate these teachings to make them available to people of every nation, tribe, race and continent.

Do not hesitate to put your talents at the service of the Lord, in order to spread His message throughout the world. And if you cannot translate the teachings, but know people who can translate them, encourage them to do so.

And if you have talent in reading audio and/or video teachings, or in any other area that can contribute to the advancement of the Lord's work, please feel free to contact us.

Your contribution will be most welcome. The Lord needs you to work for the advancement of His work. Now is the time to make yourself useful to Jesus Christ your Master and to accumulate your blessings in Heaven. If you wish to be part of this army of the Most High, please do not hesitate to contact us at the email address [mail@mcreveil.org](mailto:mail@mcreveil.org), indicating in which language you want to work.

***Grace to all who love our Lord Jesus Christ with an undying love!***
