THE SOUND DOCTRINE

PROFESSOR JEAN-BERNARD

FOURTILLAN RELEASED

(Updated on 10 01 2024)

Dear brothers and dear friends, thanks to the energetic action that we had undertaken, and to the spiritual warfare that we had waged, the reptilians who think they are gods in this world had no other choice but to quickly and unconditionally release Professor Jean-Bernard Fourtillan.

Know therefore that Professor Fourtillan is free. We rejoice in this, and we bless all those who were involved in this fight. Nevertheless, let us remain vigilant.

Grace to all who love our Lord Jesus Christ with an undying love!
