# TESTIMONY OF BERNARDA FERNANDEZ

(Updated on 01 01 2024)

***Before reading this testimony, we encourage you to read an important warning that we have made concerning testimonies. This warning entitled "Warning Testimonies" can be found on the website [www.mcreveil.org](http://www.mcreveil.org).***

Dear friends, the story you are about to read, is the testimony of a woman, Bernarda Fernandez, who had the privilege of being taken by Jesus Christ to visit the next world. This testimony has awakened us, and we believe that it will not leave you indifferent. Please read it, and also share it around you.

## **1- This is the testimony of my first journey**

As I was not feeling well that morning, my husband refused to leave me on my own and go to work. I told him that I was not alone. After he left, I felt that I was dying. So I decided to phone some of my friends, and my mother-in-law. My mother-in-law answered: "Bernarda, God will bless you today, do not be afraid". The same answer came from another brother in Christ that I phoned, but he added: "Bernarda, get up from your bed and praise the Lord, cry to Him and glorify Him". So, in spite of my lack of strength I cried to the Lord saying: "Lord You are my strength, come and help me". I tried to stand up, but my strength left me. My voice could no longer be heard but in my soul I was crying to the Lord to help me since I was dying. Suddenly my room was lit up of a light which looked like a fire. Immediately my fear vanished and I saw angels descending into my room. I heard them speaking to each other, and suddenly a marvellous being appeared, more marvellous than angels. He was dressed in white with a golden sash. On His chest was written in gold: "**Faithful and True**". His face was showing gentleness and Love. Jesus was in front of me, the King of kings and the Lord of lords.

Jesus approached me, touched my head and told me: "I am Jesus who died for you. Look at these marks in my hands, they are still there for you. I came down from my throne of glory to speak to you; there are many things in your life to put right. You are lazy and quick-tempered. Moreover, I do not want 25% Christian nor 95%, but 100%. If you want to go to Heaven, you have to be holy as I myself am holy; I came to take you for a journey". I asked Him: "Lord is it a missionary journey?" He answered "No". Then He took me by my hands and lifted me up, and talked to me with simplicity and Love. He brought me as far as my windows, He looked at the city of New-York and I saw sadness on His face. He wept and said: "My Word is well preached, but people do not listen. The sin of this city has reached my Father". ***The city was full of homosexuals; among them were Politicians.*** The Lord told me: "It's another Sodom, but I am alive and the judgements of my father will soon fall on this city. Then I knelt before the Lord while crying and He told me: "Do not be afraid. When judgement falls on this world, my Church will no longer be on earth". He then led me again towards my bed and asked me to phone a brother from my congregation. He gave me the name of that brother. He then asked me to tell him that my spirit would come out of my body, and that they should not bring my corpse to the

hospital or to any funeral ceremony. Instead, they should tell my husband to trust the one who is the Resurrection and the Life.

The Lord told me again: "I who give life, I take your spirit but you will come back and tell the peoples to trust me fully. The one who believes in me will never die". John 11:26. He stretched His hands and I saw that another body came out of me. I was dressed in white and I was shining like the Lord, He told me: "Look! This is the body that Christians who obey my Word will soon have". I realised that I could go through the walls. The Lord who was holding me by my hand said: "Look"! When I turned, I saw my body without spirit. He explained to me that my physical body was worthless, it was nothing but dust, and that at death it will become dust again, as any physical body. He added that the new body I had was a glorious one which is the spirit He gave to man.

I thought He would lead me straight to Heaven, but it was not the case. We descended through a tunnel below the earth, and when approaching a certain place I could perceive an unbearable smell. I said: "Lord I do not want to go into that place". But we went in; that place was dark and not worth living. I heard people suffering, weeping and screaming. When we got to the end of the tunnel, we sat on a rock and the Lord told me: "Look"! I saw people suffering. ***In Hell, people spend their time crying, and no one cares about others.***

Dear brothers and sisters, I just came to realise that **Hell is Real**. I wept and wept, and when I looked at the Lord, He told me: "Hold on to what you have seen, and do not forget it". I was looking at the Hell, and people were screaming Ouch! Ouch! It's for ever! it's for ever! Pain and hatred for ever and ever. I turned toward the Lord and asked Him: "Is there anyone from my family in this Hell?" He answered me "I will not allow you to see a member of your family". I asked Him again: "Lord is there anyone that I know here?" "Yes", said the Lord and I will allow you to see him. Suddenly I saw a young man coming from the depths of the Hell: It was Alexander. I knew this young man at a crusade my husband and I attended in Dominica Republic. During that crusade, I heard a voice saying to me, "Get up, go and meet Alexander who is passing by. Tell him not to reject this message, for I'm giving him a last chance". This voice was the voice of the Lord even though I did not see Him.

I told Alexander what the Lord told me. This is how he responded: ***"You Christians are all fools. You deceive people by telling them that Jesus Christ is coming, I, Alexander, do not believe this to be the truth"***. I told him: "Alexander, God gives life and takes it away when he wants; Alexander, you will soon die." He answered: "I am too young to die, I still have many good years of festivities on this earth." ***This chance was well and truly the last for Alexander. Dear reader, what do you know about yourself?*** Three weeks later, Alexander died while he was drunk. His destination was this place of torment where I saw him, Hell. The Bible states clearly that drunker will not inherit the kingdom of God. Galatians 5:21. When looking at people in Hell, I could see Alexander attacked by two big worms. He was screaming Ouch! Ouch! Ouch! He was tormented. He recognised me and told me: I neglected my last chance. I am here today, suffering. Please, when you return to earth, go to my house and tell my family to believe in Jesus Christ and to obey His word, so that they will not come to this place of torment.

Then the Lord showed me thousands of people who were suffering in Hell, and He told me: "You see, some of these people knew Me when they were on earth. There are still a lot of people on earth who walk on the street without knowing where they go. Know that the way to Heaven is very narrow, and it will be narrower again. There will be difficulties on earth, so that you will be as pure as gold, but fear not for I am ahead of you like a mighty warrior". I asked Him: **"Are there Christians in this Hell?"** He answered: **"Yes**, do you know why? They believed in Me but they did not walk according to my Word. There are many, those Christians who only behave well when they are in the temple, in front of their pastors and their family. But they are greatly deceiving themselves. ***The eyes of my Father see everything and He understands every word, wherever you are***". Tell my people that it's time they lived a holy life before my Father, before the devil and before the world. **Let the devil has no right to accuse my people; and let the world not pointing finger at my people.** It's high time we sought holiness and consecration."

Then we went somewhere where there was a lake of fire. As we were approaching the lake, I perceived a very bad smell and the Lord told me: "What you see there is a lake of fire, which is already ready for the devil, the false prophet, and the antichrist. I did not prepare this place for men, but all those who do not believe in Me as their Saviour and those who do not live according to My word will go there". At that moment I saw Jesus weeping and He told me again: **"There are too many those who are lost than those who go to Heaven"**. Then Jesus showed me the number of people who were dying in a minute and He told me: "Look! How many are lost! My Church is sleeping despite the fact that she has received my power; she has my word and the Holy Spirit, but she is sleeping. On earth there are people who preach that Hell does not exist. **Go and tell them that this place is real**". I was very far from that place, but I could feel the heat. We left the Hades and we went to Heaven. We kept on going and went to the second Heaven. In that Heaven the Lord showed me the sun and the stars and He told: "Look at these stars, I call each one of them by its name. Do you see this sun? It's by My power that it shines both on the righteous and the wicked. But there will come a day when the sun will no longer shine, everything will be darkness".

We went further and reached the Heaven where God lives. There, were beautiful houses. The walls of those houses were very high, of pure gold and of precious stones. There were twelve gates of pearls, with twelve angels at the gates. I thought I could not go in, but the Lord looked at me and said: "Do you want to go in? Oh yes Lord! I really want to. Then get in, for I myself am the door". At that moment I went in through a precious gate and I saw a garden of magnificent flowers. "Do you want to go in the garden? Then go in for I've prepared this for you and My people". When I stepped in, I started to pick some flowers and to arrange some bunches. I was running in the garden like a little girl. The flowers I picked had many colours with a very nice smell. After that, Jesus called someone. It was an angel, strong and very beautiful. The Lord told me: "Do you see this one, he is the Archangel Michael, he is the one who leads my army. Look again! I saw a mighty army on horses and Jesus told me: "It's not a Human's army, but my Father's. This army is at the disposal of Christians who are **really** born again; do not fear, for it is more powerful than the one which is in the world".

Then He showed me another angel. "This one", said the Lord, "is the messenger of Christians who obey my word". I was happy to hear that. Jesus told me: "Be attentive! I am the God of Abraham, the God of Moses, the God of Elijah, the One who caused fire to fall from Heaven; I have not changed. I am going to show you the condition in which my people live in these last days they've got left". The Lord told me: "Be very careful about the things I'm going to show you". I saw Christians who were weak and tired. The Lord asked me this question: "Do you believe that I can take this Church away in its present state?" Then He told me, "**Christians that I will take away with me will be glorious, triumphant, spotless, blameless.** Among my people, there are lies, lack of love, my people is divided. I showed you the condition of Christians in these last days. Now I'm going to show you how the early Church lived.

Those brothers and sisters were filled with the glory of God. They constantly fasted and prayed; they preached my word without any fear. Whereas **present's Christians think that I've changed, they also think that the Holy Spirit has changed. The big mistake of Christians today is the fact that they live a routine life, planned by human being. Therefore they've forgotten that the messages are from the Holy Spirit and from above. Tell my servants, the pastors that time has come to put behind those routine's programs. If they do,** you will see the power of God in your midst, the Holy Spirit who was manifest in the early Church. He will perform signs, miracles and wonders in great number, causing the dead to rise. The Holy Spirit is still the same, it's you who have changed". **Christians, it's high time you came back to the life of the early Church.** I then left this beautiful garden and went to the lovely street of gold and the Lord told me: "Touch! Yes it's pure gold. Go and tell my children that **very soon,** they are going to walk on these streets of gold by the hand of the One who gives life" Revelation 21:10-15.

Oh! How great it is to walk on those streets of gold! After that I saw a splendid Throne surrounded by Angels, Archangels and Seraphs. They were continually praising God, the One who was on the Throne, saying: "Holy, Holy, Holy is the Lord God Almighty; Heaven and earth are filled with his Glory. Amen!" Time has come to lift up holy hands unto me and praise Me". At the same time I saw the river of the water of life flowing from the Throne. I also saw the tree of life and at the other end I saw the rainbow and the river of crystal. Then, I asked the Lord: "Who is on the throne?" He answered: "It's my Father, the Lord of Host". I told Him: "Can I see the Father", "No it's not yet time", the Lord answered. Even though I did not see the Father, the One who was on the throne was Mighty. I saw thunder and flashes of lightning coming from the throne and I heard praises. Jesus told me: "Do you hear these praises? These are the praises of those who are redeemed".

I saw seven angels, each one of them holding a golden bowl; and seven others (angels), each holding a trumpet. "Lord, who are these angels?" The Lord answered: "The seven bowls that the angels hold are filled with the wrath of God. They will soon be poured out and when the trumpets sound, my Church **(those Christians who live according to the will of my Father)** will be caught up. They will no longer be on earth during the great tribulation. Before the antichrist manifests himself, this man of sin, my Church will hear the last trumpets' sound, and they will meet me in the air.

I was there, dear friend, in front of a great throne, and I did not have any notion of time. A moment later Jesus showed me how His Church (**the true believers**) will be caught up! I saw in this vision, thousands of people disappearing. This happened world-wide, and TV and radio gave the news of the disappearance. Newspapers with (big headlines in red), also brought out the news. The Lord told me: **"The news will soon happen"**. If the judgements of my Father have not yet come upon the earth, it's because of the faithful Christians, those who really love me." After that, I saw the appearance of the man of sin. He was saying to the inhabitants of the earth: "I'm bringing you peace and safety" **and immediately people forgot the event that had just taken place.**

Jesus told me: "Look carefully!" I saw in the vision the seven angels with the seven bowls. Dear friend, what was happening was difficult to describe; I saw the angels pouring out the seven bowls of the wrath of God on the earth. Trumpets started sounding. God was pouring out His judgements on the inhabitants of the earth, and whole countries disappeared. The Lord told me: "Look! All these people were part of my Church, some were pastors". Because I did not fully understand this, I asked Jesus: **"How is it that your people have been left so numerous in the great tribulation? How is it that there are also pastors among them, those who preached your word?"** Jesus answered: "Yes, they had preached my word, but they were not living in accordance with my word. Then the Lord allowed me to see another multitude of pastors, and He told me: "Those pastors were not preaching my word as it is written. They thought that my word was not adapted to their century. They had too much favour towards those who were given a lot of tithes, because they were more interested in materials. Go and tell my servants that I am the One who called them, and that Silver and Gold belong to me and I give them according to my greatness and glory. **Tell them to preach my word as it is written.** They are many, those who give another interpretation to my word. My word is my word, and no one can change it. It must be preached as it is written. There are many among my people who distort my word for their own profit".

After that, we entered a lounge in that New Jerusalem and the Lord told me: "What you see is paradise". In Paradise I saw the apostles and I asked the Lord, Lord, where is Abraham? I was expecting to see an old man, but suddenly I saw a young man aged about 25 approaching and Jesus told me, this is Abraham, the father of Faith. The Lord called a very beautiful woman with an unspeakable beauty, like all those I saw there, and He told me: "This is Mary! **Go and tell everybody that Mary is not the queen of Heaven.** The King of Heaven is Me, the King of kings, and the Lord of lords; the One who says: **I am the Way, the Truth and the Life.** It is only through me Jesus Christ that one comes to Heaven (John 14:6-7). **Go and tell this blindfolded mankind that there is no purgatory,** for if there was one, I would have shown you. Instead, there is Hell, the lake of fire, the precious Jerusalem, and the paradise which I showed you. But tell them that there is no purgatory; tell them that **it's a lie from the devil, there is no purgatory**".

Then Jesus led me to a store of crowns. "These are crowns of life". The Lord asked me: "What do you see?" I saw my local Church, the believers of that community, singing and preaching, then I asked Jesus: "Why are the names of

the believers of my community not written in this book? And He told me: "Because of their wrongdoing on the earth". After all this the Lord allowed me to come back on earth.

## **2- Now, I am going to talk about my second journey**

One day we were at a prayer meeting, we were twenty in number. As usual, we started by praising and worshipping the Lord. Suddenly we felt the presence of God. It was so powerful as if we were on the day of Pentecost. I remember that my husband's mother, who is well advanced in age and very devoted in the work of the Lord came to me and said: "Bernarda, let's keep the noise down during the praise for we're making a lot of noise". She was right, because the praise was like a sound of waterfall. As I was about to ask my brothers to keep the noise down, I heard the Lord telling me: "Don't say anything! In the world, when people are making noise, nobody cares, why then should you stop the praise?"

We then carried on praising and worshipping the Lord, and I felt that something great would take place. Suddenly I remembered what the Lord told me on my first journey: "I'll come back for you". All of a sudden I saw a bright light flooding my home. My brothers also saw the light, and they all knelt down before this True and Faithful God. I did not know what to do, and I just stood still. That light became brighter, and took a human form. I had in front of me the Lord Jesus Christ whose look was beautiful and full of love. On earth, I have never seen such beauty on a man's face. He came closer to each of my brothers. As I was about to tell my brothers that the Lord came for me I started speaking in tongues (1Corinthians 14:39-40).

The Lord came closer to me. Just by looking at me, my spirit left my body. I was in the air and I saw what was happening in my house. I saw people ringing my door's bell, and when my husband went to answer, two policemen were at the door. The policemen said: "We heard that a lady died here; that's why we came". My husband told them no, here we meet to worship and praise the Lord. The policemen did not really believe, but they could not enter. They said: "OK, carry on but do not make a lot of noise". I was in the air when I saw all this. Jesus took me by hands and we went towards the Dominican Republic. When we reached the city, the Lord told me: "There are two great sins this country commits before my Father, witchcraft and idolatry". I saw the people of that country running after sorcerers and fetish...

After that the Lord brought me to Venezuela and to Mexico. In Venezuela, I was in the air with Jesus, but I saw people turning to magic, fetish, and to witchcraft. In Mexico I saw people meeting and worshipping demons. The Lord told me: "The horror of this sin has reached my Father. The first sign I give as a warning is that there will be an earthquake in Mexico if the inhabitants of the country do not repent and come back to me". When I came back on earth, I went to Mexico and gave the message. The people did not listen and recently there was a terrible earthquake in Mexico.

When we were still in the air, the Lord told me that the hands of his Father have been stretched out upon the inhabitants of the earth. I saw the sea with gigantic waves, resembling a monster. I also saw hurricane happening on earth. I asked

the Lord: "Lord what will become of Christians when all this happen?" He answered: "Go and tell them that, for those who are faithful to me, none of their hair will be touched". After that the Lord brought me to another place, I saw places where the earth was split. The Lord told me: "Many countries will soon be wiped out". Then we left that place and went to another place where waters were in motion. We went by these waters through a tunnel and reached the depths of the earth. I saw great doors. It was not the same as those I saw during my first journey. On these doors were big chains. The Lord went towards the doors, and after he had removed the chains, He let me in through the tunnel.

Dear brothers and sisters, I saw thousands of people, with their head down, wearing torn clothes. They were chained, with big chains whose noise could lead to deafness. Then I said: "Lord, what does this mean?" He answered: "All these men and women are on their way to Hell". Among those who were on their way to Hell, I saw my husband's senior brother, Adolfo. He was a difficult man, he used to get married and divorced when he wanted, and he used to curse God. Then I started pleading with the Lord to let me go back on earth and warn Adolfo that he was going to Hell, but the Lord did not answer me. Again I saw Adolfo and his wife walking through the tunnel. They were at the edge of Hell. I pleaded with the Lord again to let me go back on the earth and tell people what I have seen. The Lord lifted his hands up and said: "Go and tell them that time is nearly over". He said again: "Thousands and thousands of people will go to Hell, Adolfo's time is over, he is going to die".

When I came on earth, my brother in law, Adolfo did not want to change his way of living. One day, he quickly came home from work and said to his wife: "I can't work any longer, something is telling me that I'm going to die". His wife answered: "It's because you are drunk as usual that you're saying this". Both of them went to bed. Some minutes later, she had a vision. In her vision she saw her husband and she in a tunnel, clothed with shabby clothes, and going to Hell. She heard the Lord telling her: "Time for both of you is over". When I was still in the air the Lord told me: "Do you know why I brought you here for a second time? It was to show you that during your first visit, the number of lost was less than this time". Suddenly, Jesus and I left that place to the first Heaven, and then to the second Heaven. When we reached the third Heaven, I saw angels bustling from one side to the other; then I asked the Lord: "Why are these angels in motion?" Jesus answered: "It's true that my angels are in motion here, but I'm going to show you how the earth is also in motion. Be careful because many demons have invaded the earth. The devil is furious against Christians because he has little time left".

The Lord allowed me to see those demons in a terrible anger, and He told me: "Those demons you see are demons of adultery. They will attack thousands of My servants and many will fall into that sin. ***Do you know why the devil succeeds in causing my servants to fall?*** It is because my servants do not give me all the glory. They steal my glory and become proud. ***On top of that, their wives live in a great spiritual disorder.*** They did not build their homes with wisdom." I saw thousands of angels that I could not count, there were many of them ready for the battle. Then Jesus told me: "Now I'm sending these thousands of angels on the earth to protect My people. In these last days, I will

double the protection. Satan also will double his attacks, but you should not forget that I am great and mighty. If you are attached to Me nothing will happen to you".

Jesus then brought me to another place. There, I saw a huge table rounded with golden chairs. On each chair, a name was written, and a robe of fine linen was also placed. In front of each chair, on the table I saw crowns. Then I noticed that there was a chair that was bigger than others. In front of that chair was a huge cup in gold. Jesus told me to go and see what is in the cup. It was full of wine, ready to be served. Jesus told me: "Do you know why the wine is ready to be served? Go and tell my people that I am at the door, ***I'm coming soon***". Jesus gave me a robe of fine linen and a crown. I wore the robe and the crown, then the Lord brought me to another place where I saw things like in a mirror. He told me: "There's neither stain nor crease on your robe, isn't it? None will enter through this door nor take place at this table, unless he is clothed like this. Some among my people on earth have dirtied their robes. Others have crumpled robes, and still others have put theirs aside, and have forgotten them. Tell my people that it's time they washed their robes, ironed them and took them back. Christians should ask the Holy Spirit to help them keeping their robes in good state, because the King will soon celebrate the Marriage Supper in His Father's kingdom".

I come from a divorced family and I grew up with my father. My mother was a very religious woman. As for my father, he believed in nothing. I have a sister who is in a catholic convent, but I know that Jesus will soon take her out of that and she will preach the Gospel with me. I pray a lot for her. When I was thinking about my mother's life in that mystic religion, during my first journey in paradise, I cried before the Lord and told Him: "Lord my mother is lost, yet I've preached the Gospel to her but she won't listen. More and more she is clung to that pagan religion". The Lord answered me: "I will save your mother, but I will take her home immediately otherwise she will fall back into sin and go to Hell. For this reason, as soon as she is converted, she will die sometime later and come here, in paradise".

When I came back on earth, I prayed, cried, sighed, reminding the Lord the promise he gave me, but I saw my mother who was more and more involved in the idolatry of her religion. One day God used my son to convert my mother. Just three days after her conversion, she died; praise God! During my second journey in paradise the Lord told me: "Look, ***what my mouth says, my hands fulfil it***". I saw my mother in that beautiful paradise; she was among other women. Then the Lord led me in an area in the paradise. There I saw thousands of children clothed in white who were praising and glorifying the Lord. Jesus told me: "***These children are those who have been aborted by parents and criminals doctors***. Babies that people killed whilst they are still in their mother's womb, and that are found in dustbins and rivers, are here in Heaven."

***Dear brothers and sisters, contrary to what you think, for the Lord a foetus is a human being from conception, from the first day of pregnancy.*** Jesus told me again: "Bernarda, work for I am your strength. This message has to be published into the whole world. It's a message for Christians, pastors, and for all the inhabitants of the earth, including you. Let him who is

holy continue to be holy". At that moment the gates of Heaven were opened. There was a beautiful escalator. Jesus called thousands of angels who came, and then the Lord accompanied me to my home. When we got home, I saw my husband and the Christian brothers who were waiting for my spirit to come. I looked at my physical body that remained on earth, and I told the Lord that I do no longer want this body. The Lord told me: "You cannot go back to Heaven with me for it is not your time yet. You have to tell my people first what you saw in order for them to get ready". With a powerful voice, He told me: "Enter and receive life, I am the resurrection and the life, he who believes in Me, though he may die, he shall live (John 11:25-26). **[End of testimony]**."

### 3- Call to Repentance

Dear friend, you who have just read this testimony, I call on you to meditate again on the life that you are leading. As you have come to realise, contrary to what you thought, Hell is a reality. No vocabulary can describe the degree of torment that is in Hell. Now is the time to flee this terrible eternal punishment. If you think it's pointless for you to repent because your sins are numerous, so many that God cannot forgive them anymore, I'd like to reassure you that you're wrong. It is precisely because of our many sins that Jesus Christ came to die on the Cross.

You who believe that forgiveness can no longer be granted because your sin is too serious, I would like you to know that apart from the blasphemy against the Holy Spirit which is the only sin that God will never forgive, no another sin is too serious to be forgiven by God. Repent! **Jesus Christ** the only Saviour and the only Lord is ready to forgive you, regardless of the gravity of your fault. And if you want to know what the only serious sin that God will never forgive is, I invite you to read the teaching "**Blasphemy against the Holy Spirit**", which you will find on the website [www.mcreveil.org](http://www.mcreveil.org).

You who are in the sect of the Illuminati, or in Freemasonry, or in the Rosicrucian Order, or in the Order of Malta, or in the Eckankar sect, or in the Maïkari, or in any occult circles, do not believe you are already condemned forever. I know that according to the pacts you signed in your lodge, you are supposed never to retreat under pain of death, you are supposed never to betray the secrets of the sect under penalty of being murdered, you are supposed to be condemned forever to serve lucifer to burn with him in Hell after your death. I want to reassure you that everything you have been made to believe in your sect is false. You can back down without dying, you can expose the secrets of the sect without being murdered, you can give up all the pacts you signed with lucifer, without burning with him in Hell after your death. You just have to repent and accept **Jesus Christ** the Saviour and only true Master, and He will annul all the pacts that bind you to the devil, and save you. If you want to know how to renounce satan and be totally delivered by Jesus Christ, I invite you to read the teaching "**How to Leave the Camp of satan**" that you will find on the website [www.mcreveil.org](http://www.mcreveil.org).

You who are shaman, or seer, or medium, or marabout, or sorcerer, or diviner, or visionary, know that all that satan has promised you for the service you are rendering him is nothing but a lie. You will have nothing of all that he has

promised you. Hell is waiting for you if you do not repent. And in Hell, it is still Satan that you serve with great zeal, who will make fun of you, and will torture you with extreme ingratitude. Renounce witchcraft, renounce clairvoyance, renounce all satanic activity, and believe in Jesus Christ now. He will save you.

You who are homosexual, lesbian, transsexual, paedophile, prostitute, or any other sexual criminal, recidivist, or even a multi-recidivist, know that your case is not yet sealed before God. Since you are still alive, it is not too late to escape Hell. Confess your deeds and repent. Jesus Christ is always ready to forgive you and save you from Hell.

You who are a member of one of these service clubs such as Lions club, Rotary club, Rotaract club, Junior Chamber International, etc. which at first sight is not suspicious or dangerous, know that you are in a satanic club. Get out of there immediately and accept Jesus Christ as your Lord and your personal Saviour, and you will escape Hell.

You who call yourself animist, and remain attached to ancestral traditions on the pretext that Christianity is the White Man's religion, know that in matters of Salvation, there is neither White nor Black. The fire of Hell does not take into account the colour of the skin. If you continue to believe that a statue, an animal, a dead person or some bones of the dead, or any other object, can be your god, it is about time you came back to your senses. Every mentally balanced man must adore a God only because that God created him. You who adore a dead person, or an animal, or any object, or even a mortal man, please answer these questions: When did a dead person create you? When did an animal create you? When did an object create you? When did a mortal man create you? When you choose to worship a dead person, or an animal, or an object, or a man, you accept and demonstrate, even without realising it, that it is that dead person, that animal, that object, or that man, who created you. Are you really the creature of a dead person, or an animal, or an object?

You who call yourself Atheist and continue to deny the existence of God, know that you are making a great mistake. Give it up before it gets too late. Everything around you proves the existence of God. If you continue to be stubborn, it is in the terrible torments of Hell that you will admit that God exists, but it will be too late for you. Now is the moment to repent.

**You who believe to be a Christian, this message concerns you: *Hell is real, and it is eternal.*** The title of Christian is not an assurance that you have already escaped Hell. It's the life you lead that will determine everything. If you are one of those who have classified sins as great sins and small sins, know that you are mistaken. Hell distinguishes neither small sin nor great sin. The Bible tells us in Romans 6:23 that "***The wages of sin is death.***" It did not say that the wages of adultery or homosexuality is death, but it does say "the wages of ***sin.***" So run away from what you thought were small sins, repent and put your life in order before God. No sin is too small for Hell.

You who believe you are a Christian and still spend your time chasing money, know that money will not be useful to you at the very moment you want to count

on it. And if you're still comfortable with forgery, corruption and scheming, stop! God expects holiness from you. What you think are small sins, are bigger than you think.

You who believe that you are a Christian and are still in witchcraft and magical practices, stop immediately. And if you are the kind of illegally married Christian living in concubinage, stop immediately, and repent. Even if you are in a church that admits that kind of madness, know that God will not accept madness because your church accepts it. Know also that God will not change His word to conform to your desires and way of life.

You who believe you are a Christian and have a heart full of hatred and resentment, repent now and forgive all those who have wronged you and have asked you for forgiveness. Hell is so horrible that you would not let someone who offended you and who wholeheartedly asked you for forgiveness go there. Do not forget that by forgiving people, you release them and give them the opportunity to obtain forgiveness before God, in order to escape Hell. Do not forget either that the lack of forgiveness will also lead you to Hell. Also seek forgiveness from those you have offended. (Matthew 5:23-24).

You who were about to make a false marriage, that is to say a marriage with impure motives, be careful! And if you were with a girlfriend who is pressurizing you to marry her and who herself is taking the lead for your marriage, do not fall into that trap. Otherwise you will regret it forever. Know that you are dealing with a witch who wants to swallow you before you have time to think. And if you are planning to get married to a divorced partner, or if you are planning to remarry after your divorce, stop this madness while there is still time. I urge you to read the teaching "**Marriage**" that you will find on the website [www.mcreveil.org](http://www.mcreveil.org).

You who believe to be a Christian while you are still not baptized in water yet, that is to say by immersion, know that you are mistaken. To be a Christian, one must believe in Jesus Christ **and** be baptized in water for the forgiveness of their sins. If you die in your state, Hell is waiting for you. I urge you to read the teaching "**Baptisms**" that you will find on the website [www.mcreveil.org](http://www.mcreveil.org).

You who believe you are a catholic Christian, know that **Catholicism is the largest satanic sect on earth**. If you stay in this satanic circle, you will find yourself in Hell in the coming days. And as you have just learned, **Hell is real, and it is eternal**. I know you often do not like being told the truth. But in the face of the urgency of Hell, I cannot help but make you aware of the sad surprise that awaits you in the coming days, if you remain in your hardening. And if you persist in defending Catholicism as you like to do, know that this sect will be unable to defend you when you are in Hell.

You who are part of the Jehovah's Witnesses sect that teach that Hell does not exist, get out of there before it gets too late. Hell exists, Hell is more real than you think. All the Jehovah's Witnesses who on earth claimed that Hell did not exist, are currently in that Hell being tortured night and day. It was when they found themselves in the flames of Hell after their death that they realised that it was a terrible thing to challenge God. They are now screaming incessantly, and some of them are constantly asking the Lord Jesus to give them a little

permission, to come and tell the other blinded people of the satanic sect of Jehovah's Witnesses, to believe Hell's existence, to believe that Jesus Christ is God, and to ask Him for forgiveness to escape eternal torment.

You who are in the Mormon sect, still called the Church of Jesus Christ of Latter-day Saints, or in any other sect that uses a bible different from the Holy Bible, get out of there immediately if you value your salvation. These sons of the devil made their own bibles to lead the maximum number of people to Hell. You are warned, ***Hell is real, and it is eternal.***

You who are in the Brahnamist sect, or in the sects called United Pentecostal Church International, and Progressive Church of our Lord Jesus Christ, or in any other sub-branch of these satanic sects where they teach that Jesus Christ is at the same time God the Father, the Son, and the Holy Spirit, get out of there quickly. For these demons, Jesus Christ, who had spent all His time on earth speaking only of His Father, was only a common liar. I urge you to read the teaching ***"Is Jesus Christ God the Father, the Son, and the Holy Spirit?"*** on the website [www.mcreveil.org](http://www.mcreveil.org).

You who are in the kind of church where there is what they call **tithes book**, get out immediately. These agents of satan make you lose your blessings and make you sin against God. The Bible says, ***"Do not let your left hand know what your right hand is doing."*** (Matthew 6:3). And if you are in the kind of church where the message must be interrupted during each service to collect tithes and offerings, get out quickly. Know that greed is the main motive of these pastors. Know that you must give **at least** your tithes and offerings to the Lord. And as you have read in this testimony, there are people in Hell who are there because they were stealing God, by refusing to give their tithes and offerings to God. It is therefore stealing God by choosing not to give tithes or offerings to God. ***Giving to God is therefore a commandment, and not an option.*** You must give to God so that His work is done. But God did not ask that in the churches we go through satanic methods to force people to give tithes. Rather, He has asked that His children be taught to give abundantly, freely, without restraint, and with joy.

You who are in the kind of Pentecostal sect where women do not cover their heads, as it is written in 1Corinthians 11:5-6, or in those where there is what they call women pastors or women evangelists, or women apostles or women elders, get out of there without wasting time if you want to escape Hell. And if you believe that the torment of Hell as you have just read it, is something that you can bear, stay in your stubbornness. You will understand it in the days ahead. I urge you to read the teaching ***"The Ministry of Women in the Church"*** on the website [www.mcreveil.org](http://www.mcreveil.org).

If you can read, know that you have a duty to read the Bible and to verify the teachings you receive. If you find yourself in any church that does not walk according to the doctrine of Christ, that is, according to what is **written** in the Bible, get out immediately. (2John 9). Above all, do not fall into the trap of demons who try to update and modernise the Bible, and who teach that one should not limit oneself only to what is written in the Bible, or that, trying to

understand the Bible literally would be dangerous. Know very well that the Bible alone has authority before God. Know also that **God will never judge us on what is not written in His word, the Bible.**

You, backslider Christian, come back to the Lord without wasting time. If death surprises you in your state, Hell has begun for you. Jesus Christ loves you, and is ready to forgive you again, no matter what you have done, as long as you have not involved yourself in the blasphemy against the Holy Spirit.

You who were about to commit suicide, you who find yourself in so much difficulty that you think of suicide as a solution, stop quickly. Suicide will lead you straight to Hell, in that degree of torment you have just read in this testimony. Suicide will lead you into that indescribable torment, and you'll never get out of it.

Finally, whether you are in Christianity, Catholicism, Islam, Buddhism, Hinduism, Animism, Sikhism, Judaism, Spiritism, Daoism or Taoism in Bahaism, in Confucianism, in Jainism, in Shintoism, in Zoroastrianism, in Atheism and Agnosticism, or in any other religion, know that **no religion saves.** All religions without exception lead to Hell. **Jesus Christ** alone saves from Hell. If you do not want to spend all eternity in this place of indescribable torment that you have read in this testimony, forget your religion now, and forget the war of religions. Accept Jesus Christ the only Saviour, and He will save you from Hell. If you want to know how to accept Jesus Christ, we invite you to read the teaching "**Salvation**" that you will find in the Teaching on "**Water Baptism**" on the website [www.mcreveil.org](http://www.mcreveil.org). Escape Hell while it is still possible to escape. Save yourself from eternal torment. Save yourself from eternal torture. **Hell is real, and it is eternal.**

***Grace to all who love our Lord Jesus Christ with an undying love!***

## Invitation

Dear brothers and sisters,

**If you have run away from fake churches and would like to know what to do, here are the two options available to you:**

**1- See if around you there are some other children of God who fear God and desire to live according to the Sound Doctrine. If you find any, feel free to join them.**

**2- If you do not find one and wish to join us, our doors are open to you. The only thing we will ask you to do is to first read all the Teachings that the Lord has given us, and which are on our website [www.mcreveil.org](http://www.mcreveil.org), to reassure yourself that they are in conformity with the Bible. If you find them in accordance with the Bible, and are ready to submit to Jesus Christ, and live by the demands of His word, we will gladly welcome you.**

**The grace of the Lord Jesus be with you!**
