Jesus Christ is the True God And Eternal Life

***But you, Daniel, shut up the words, and seal the book until the time of the end; many shall run to and fro, and knowledge shall increase.
Daniel 12:4***

Go your way, Daniel, for the words are closed up and sealed till the time of the end. Many shall be purified, made white, and refined, but the wicked shall do wickedly; and none of the wicked shall understand, but the wise shall understand.

Daniel 12:9-10

TESTIMONY OF LAURA WANMA

(Updated on 01 01 2024)

Before reading this testimony, we encourage you to read an important warning that we have made concerning testimonies. This warning entitled "Warning Testimonies" can be found on the website www.mcreveil.org.

Dear friends, despite the fact that we have already read several testimonies from Hell, we always find it edifying to read new ones, especially when we consider them credible. That is why we deem it necessary to provide you with this testimony of Laura Wanma (Lala), a young Indonesian girl aged 12 to whom the Lord Jesus Christ showed a bit of Heaven and a bit of Hell, by giving her a message for Churches and for the world. This testimony as the others that we have already put at your disposal, is quite edifying. You should do your best to share it around you, so as to warn as many people as possible.

The Lord Jesus took me to Heaven

The first day of the Lord's visit to Lala: During praise and worship, my hands were lifted up by themselves, and I told my mother: "Mom, I cannot put my hands down, they are lifted up still." And I saw a lot of angels in the room, and suddenly there was a very bright light and from the light, the Lord spoke to me. (The Lord said to me that one of my closest family members would die. Afterward the Lord spoke to me: "Go and tell your closest brother, that he has to return to Me, because I still have mercy on him, for his life has been far away from Me."...)

While my mom and I were still worshipping the Lord Jesus, suddenly an angel came and took my spirit, we flew up, and then we stopped and stood on a rock. And the angel showed me several beautiful cities and, I could see: Nabire, Serui, Biak, Manokwari. The angel spoke to me: "God told you to go and stand in those cities to deliver a message from the Lord. **They must repent** because **there is no more time, Jesus is coming very very soon.**" And I asked the angel: "Who are you?" and he replied: "I am Gabriel, an angel of God." Then the angel sent my spirit back into my body.

While I was on my way from Abe to Entrop, I arrived in Kotaraja and was still in a taxi when an angel came, picked me up, and we flew over the city of Jayapura, and the angel said to me: "Try to look down!" And I saw a lot of people standing; they wore black clothes, covering them from head to toe. And their eyes were black and there was fire in their eyes. I saw them everywhere, in the hospital, at the road sides, in the middle of the street, in the market, at the front of houses, they were everywhere. I saw their hands were holding large forks; then I asked the angel: "Who are they?" And the angel told me that they were the angels of death. When we were still flying spiritually above the city of Entrop, I saw a group of young people drinking alcohol in the street, I was very sad because the death was surrounding them.

Afterward the angel said to me: "Lala, if something happens to you, and you feel in danger, you can say two things: **"The Blood of Jesus"** and **"In the Name of Jesus"** because they are very powerful".

The angel took me and we continued to fly up through the clouds. The earth below me became smaller and smaller. We flew on and passed through a narrow and dark tunnel. I was very scared and the angel held me. Then I saw a bright light and that was Heaven. The angel and I arrived at the gate. There were two guardian angels in front of the gate. The gate was decorated with pearls and crystals and it opened itself; then both of us walked into the garden.

There was an open door and through it I could see a long table neatly arranged and it looked like there would be a party (Holy Communion) soon. An angel stood behind each chair, each of the angels held a trumpet in his hands, and it looked like they were going to blow the trumpet very soon. Then I continued to walk again inside the Heaven. In the garden I saw different kinds of trees and various kinds of fruit. I saw flowers which were very beautiful; the angel Gabriel came to me and said: "Your time is up and you have to go back". And I said to him: "I am so happy here and I do not feel like going back because here I feel so peaceful", and suddenly there was a voice coming from the Throne of Light and Glory, the voice said to me: "Lala, you have to return now" and the angel Gabriel escorted me back.

From above, I was watching over a red taxi, the one that was transporting me. It went passed the local government office toward Entrop terminal. And the angel sent my spirit back into my body and I woke up and said: "Hallelujah!" All passengers were shocked and looked at me; they asked: "Sister, are you okay ...?" I was really surprised because I was leaning on the shoulder of a passenger, and she rubbed some oil on my nose because she thought that I was fainting. I stopped the taxi when I reached the destination.

Around 11 pm while I was sleeping, an angel came and took me to the Lord. We entered the gate of Heaven, and I saw a man standing and He was wearing a very long white robe. He opened His hands to me, I walked toward Him and He carried me, and I know that He was Jesus. Then we both walked in Heaven. ***The Heaven is so wonderful*** and full of kinds of flowers, which I have never seen here on the earth. Everything is there, my heart felt very peaceful in that place, there are shady trees bearing fruits, and there is also a very clear flowing river.

The Lord Jesus told me: "Lala, would you like trying to put your feet in the water?" And I put them in the water. God spoke to me again: "You may drink the water." (When I drank it, I felt so peaceful at heart) and the Lord Jesus spoke to me again: "You can immerse your head into the water, and you will be able to breathe." What the Lord Jesus said was right. There were lots of fish coming around me, I said to Jesus: "I live on the earth and I cannot catch a fish, it will flee if I try." The Lord Jesus said to me: "The fish here can talk to you, Lala."

Furthermore, I kept walking with Jesus and I asked Him: "How can You watch the whole world with the sins that people commit, while the world is so big, how do You see all?" Jesus told me to come with Him, for Him to show me how. Jesus and I kept walking and He showed it to me. There was a large glass table and I saw the world was so small. I could also see what sins people were committing. I was surprised and when I saw someone that I knew, I said to Jesus: "Lord, I can see below." My mother and I were lying in bed. Then He answered: "Yes, I know, there is also an angel standing in your room."

The Lord Jesus and I walked again, I saw there was a room and there were two angels standing there. There was a big book on the table, and I asked the Lord: "God, what kind of book is this? The Lord answered: "This is The Book of Life". I asked again: "Can I see inside the book?" The Lord answered: "Yes, you can." And the two Angels were ready to open the book page by page. On the first page I saw the name of my brother and I said to Jesus: "God, this is my brother's name and the Lord Jesus replied: "Yes, I know his life. Now he is here and he is praising the Lord." The angel opened the following page, I saw the name of a person I also knew and I said to Jesus: "This is my uncle". The Lord Jesus said: "Yes, he is here." I embraced Jesus and cried. Then Jesus and I continued to walk in the garden when I saw two people coming towards me, the older one was around 18 or 19 years old while the younger one was 2 years-old, the little boy ran and hugged me but I felt he went through since we both are in spirit form.

The older boy, who was 18-19 years old, looked so much like my mother, they looked like twins. Then I remembered my mother once told me that I had an older brother who had passed away when I was a baby. Then I knew that he was my brother. After that, both of them went back to their own rooms.

Then I saw a beautiful flower and ask the Lord Jesus: "Lord, can I pick this flower ...? I would like to give it to my mother, for my mother loves flowers". Jesus said: "The time has not come yet for you to get the flowers and fruits from this place, My child!" And afterwards Jesus and I were still walking, when I saw a house whose door was open. I asked the Lord Jesus whether I could get into the house, the Lord Jesus said: "Yes, you can." When I got to the front door of the house, I could not enter the house because the floor was made of gold. I said to the Lord Jesus: "Wow God, ... The floor is very beautiful; gold is very expensive on the earth". And the Lord Jesus smiled and said: "This is your house; there are some houses which are similar to this one." I asked: "God, may I go into the next house?" Then the Lord Jesus said: "The houses whose doors are closed belong to others." The Lord Jesus said: "Follow Me."

The Lord Jesus took me to Hell

The Lord Jesus held me and we both flew into a wide tunnel. As we continued I could smell very horrible odour and I felt the air was very hot. Far ahead I saw a three-legged demon that was holding a trident. And when he saw Jesus, he bowed down. The Lord Jesus and I continued to move on to a place and the Lord allowed me to see a very deep well full of men being tortured by devils. The devils tormented them until their flesh came apart but they could not die.

We walked again and then I saw a table with a book on it on which it was written "Adultery". I saw people naked in a lake of fire. They saw Jesus and called: "Father, Father", but Jesus did not look at them. I still walked with Jesus, and we noticed a servant of God. Then I asked the Lord Jesus: "God! **Why is there a servant of God in Hell?**" The Lord Jesus said: "I chose him, but he never delivered My message." Then he saw the Lord Jesus and shouted: "Father, Father, please take me just for a minute out of this place, for I want to repent." Then the Lord Jesus said to him: **"It's too late now..."**

We went on and I saw a lot of people being tortured, and Jesus said to me: **"These people were not faithful with the Tithes."**

And I also saw so many young people who were dancing on the nails to the rhythm of the music. If the rhythm of the Rock music was heard, they had to jump faster and were not allowed to stop for a moment. If they stopped, the devils would come and torment them.

Then we went back to Heaven through the wide path. After we arrived in Heaven, the Lord Jesus said to me: "Lala, what you have seen, you have to tell My people." And the Lord Jesus carried me and said: "Lala, you have to surrender your life to Me, **you must be baptized**... Tell My servant Ronald, I entrust him to write your book."

Jesus looked at the angel Gabriel, and the angel Gabriel bowed down to worship at His feet. Then the Lord said to the angel Gabriel: "Bring My child back." And the angel Gabriel took me and we walked to the gate and another angel came and spoke to the angel Gabriel in a language I did not understand... On our way back, the angel Gabriel asked me: "What did you talk about with the Father?" And I replied: "There are a lot of things Jesus told me." And I asked the angel: "What do you do in Heaven?" The angel answered: "I am at the service of our Lord Jesus Christ. Whatever He asks me to do, I do it all".

As we got closer to my house, we walked and saw a lot of angels of death standing on the left and right side of the road. When we arrived, I saw one standing in front of the fence. And at the front door of our house there was one angel of God guarding the house. The angel of death was very nervous as he wanted to get into the house but could not, because there was an angel of God guarding our house. After that, the angel of death went to the back of the house and tried to get in, but still he could not succeed because there were two angels of God guarding the back door of our house. The angel of death tried in vain to get in for the second time but he was thrown away. He fell down and disappeared like dust in the blowing wind. The angel Gabriel escorted me back to my bedroom and my spirit went back inside my body physically at 06.00 am. After that, I returned to my daily activities as a student.

Another day we had a service in the house of one of our church's members, the angel Gabriel came to pick me up, and took me to the Lord Jesus. Then the Lord Jesus showed me the city where I had to go. He asked me to deliver the message to a catholic church in Wamena.

The angel came again the following day to pick me up and took me to the Lord. The Lord Jesus delivered a special message for the church in the village "Harapan" and said: "Tell the church: Do not be late for a service. **Those who are always late will not enter the Kingdom of Heaven.** When the service is going on, none is allowed to stay outside the church. Send a message to the mothers whose children are still babies and toddlers that **they have to sit inside the church with all their children and listen to the Word of God.** Never let the children stay in the day care room. **Everybody has to participate in the service.** Even if there is no seat left, sitting on the floor should not be a problem. Everybody has to respect My Word."

During the day after we finished prayer and fasting, I delivered the message of the Lord Jesus to the Sunday school teachers. On the way back home from the church, the angel of God took me to the Lord Jesus and He said to me: "Thank you Lala for delivering My message to the Sunday School Teachers." And He spoke to me again: "On Sunday, you will have to deliver the message to the church members. You must not only deliver the message to the church and your family, but you have to deliver the message to other religions as well: Buddhism, Islam, Hinduism, etc. since they also should receive salvation. (John 14:6) Deliver the message as soon as possible, because I'll take you out to other cities."

At 7.00 pm, the angel came to take me to the Lord, and the Lord Jesus told me: "Lala, faster, faster, faster, run and tell all My people, My Time is almost up! And the Lord Jesus showed me the time of Heaven. I saw the short hand pointed to a number and the long hand was very closed to it. However, I could see the number on the clock. The Lord Jesus said to me: "Lala, run fast and send the message to My people, My time is almost over". And the Lord Jesus said to me again: "Lala, no angel has ever seen the time in Heaven. I allow you to see the time of Heaven so that you can convey what you have seen to My people."

At 8.30 pm, the angel came to pick me and took me back to the Lord and the Lord Jesus showed me once again the time of Heaven which is very short. The Lord Jesus said to me: "Tell your classmates, your teachers, your neighbours, and anyone you meet to repent and turn to Me."

The following Saturday, I was with my mother and my aunt. We were at Wilson Sentani family's residence. At 1.00 pm, while my aunt was praying for the Wilson's family and I still lying in the room, the angel came. I could see the angel because my spirit was out of my body and was sitting on the bed. I called the Angel to enter the room but the angel did not. He remained out of the room and I called him again. The angel pointed to my aunt who was praying. I called the angel once more, and the angel said to me: **"I cannot enter the room, (he pointed his finger to my aunt), since the servant is talking to the Father. I have to wait until she finishes praying and says Amen"**. When my aunt finished praying, the angel then came to the room and took me to the Lord Jesus. After we arrived in Heaven, the Lord Jesus gave me a message to deliver.

At 12.00 pm, my body became heavy and I wanted to sleep because an angel would come to pick me, but my mom kept telling me to get my clothes ready for tomorrow morning service. Once I fell asleep, an angel came to take me to the Lord. And the Lord Jesus started to speak to me. "Lala, tell your mom to allow you to sleep when your body is heavy, because I want to tell you something very important."

On Sunday morning, with the mercy of the Lord Jesus, I could stand and testify to deliver the message of the Lord Jesus to the church of Barachiel. After I finished with my testimony, **I was baptized in water** (to die and rise with Jesus) and after the service, we were called to attend a meeting during which a Revival service was going to be discussed. I also participated in the meeting, and an angel came to pick me up, and took me to the Lord Jesus. Jesus said:

"Tell My servants to go on with the Revival service, and I will come down to intervene."

At 4:00 pm, I was still in the pastor's house. I was taken by an angel to see the Lord. The Lord Jesus showed me a big hole which was deep and dark. I saw a lot of people being pulled into the hole. They tried to resist, but failed and fell into the hole.

At 06.00 pm as usual, an angel picked me up and took me to the Lord. Again the Lord Jesus showed me a big dark hole. Jesus told me: "The hole that you see is the place where the unfaithful people are going into for 3.5 years of great persecution (Rev 13), while for My faithful people I will move them to a place that I have prepared, away from the eyes of the snake."

At 08.00 pm, an angel picked me and took me to the Lord, and He said to me: "Lala, do not argue with your mom, never go against my 5th commandment which says that you have to honour your father and your mother."

When I heard it, I felt guilty and cried. I also saw the Lord Jesus crying and looked so sad. I saw the tears dripping from His eyes. The Lord Jesus said to me: "Lala, do not cry, I want you to listen and obey my 5th commandment (to honour your parents) so that you may live long and be blessed. Then Jesus said to me: **"Delete all the worldly songs from your mobile phone"** (James 4:4). And He continued: "You should be quieter in school. How can I deliver a message to you, if you are not quiet?" And I replied: "Lord Jesus, I cannot remain calm because friends always come to bother me and ask me to play with them. Will it not be better if I do not go to school and just stay at home?" And He answered: "No, you have to go to school."

The following day at 10.30 am, the angel took me to the Lord, and the Lord Jesus said to me: **"There is no more time.** You have to deliver the message to My people urgently."

At 07.00 pm, I was at a Worship Service and as usual, an angel picked me and took me to the Lord Jesus. I saw Jesus standing in front of the gate and waiting for me. Once I got there, Jesus said: "You have to go to Wamena urgently and deliver My message to My people. They have to repent because time is up. You need to go there to Wamena." The Lord Jesus said that with His face full of sadness, with a downcast face. He cried and His tear dropped and fell on a large glass table where Jesus can see everything that people say and do. I asked the Lord: "Why do you cry?" He did not answer my question, but His tears kept falling on the table and I wiped the tears with a white robe that I wore. When I was in Heaven, I always wore a white robe that I had never put on before.

Then the Lord Jesus told me while still crying: "Lala, tell My people urgently, they have to turn to Me quickly, **time is absolutely over.**" The Lord Jesus said again: "I desire no one to be lost, but I want them all sitting on My lap."

Grace to all who love our Lord Jesus Christ with an undying love!

Invitation

Dear brothers and sisters,

If you have run away from fake churches and would like to know what to do, here are the two options available to you:

1- See if around you there are some other children of God who fear God and desire to live according to the Sound Doctrine. If you find any, feel free to join them.

2- If you do not find one and wish to join us, our doors are open to you. The only thing we will ask you to do is to first read all the Teachings that the Lord has given us, and which are on our website www.mcreveil.org, to reassure yourself that they are in conformity with the Bible. If you find them in accordance with the Bible, and are ready to submit to Jesus Christ, and live by the demands of His word, we will gladly welcome you.

The grace of the Lord Jesus be with you!
