Jesus Christ is the True God And Eternal Life

***But you, Daniel, shut up the words, and seal the book until the time of the end; many shall run to and fro, and knowledge shall increase.
Daniel 12:4***

Go your way, Daniel, for the words are closed up and sealed till the time of the end. Many shall be purified, made white, and refined, but the wicked shall do wickedly; and none of the wicked shall understand, but the wise shall understand.

Daniel 12:9-10

TESTIMONY OF CHIDUBEM OKWU

(Updated on 01 01 2024)

Before reading this testimony, we encourage you to read the important warning that we have made concerning testimonies. This warning entitled "Warning Testimonies" can be found on the website www.mcreveil.org.

1- Introduction

Dear brethren and dear friends, we want to share with you this sad testimony of a sorcerer pastor from Nigeria who, in his unbridled thirst for power, fame and wealth, had signed pacts with lucifer through his mermaids. The result is what you will read below. This testimony will help you understand the power with which the so-called great pastors, great prophets, and other so-called generals of "god" operate. These agents of satan sign pacts with lucifer and operate with a great satanic power that they succeed by their incantations in making the naïve believe that it is the power of the true God.

For lack of discernment, many people, including the so-called born-again Christians fall into the trap of believing that these agents of Hell are servants of God. This testimony confirms many of the teachings that we have already given, namely, "**Discernment**", "**Spiritual Warfare**", and "**The Church**", which we strongly advise you to read or to re-read. You will find them on the website www.mcreveil.org. We hope that this testimony will set you free, and we pray that this will be the case.

2- Beginning of the testimony

My name is Chidubem Okwu, I am a pastor, but I have disappointed God and I really don't know where to begin to tell my story. I must tell you the truth. I can't really say if I have a call or not. I was a Sunday school teacher in my church for 9 years at Kaduna. In 1999, I was led to start a church, but from the experiences I have gathered now, I cannot say I was actually led by the Holy Spirit to start that church. As at 2008, I was not making any progress both spiritually and materially. I saw many churches which began several years after mine and they were making waves and are still making progress.

At a point I did not know what to do again and after discussing with my wife I decided to approach the general overseer of a church that began 7 years after I started my ministry and explained to him that personally I was not making any headway and same with my ministry. My ministry would grow up to 200 people and after a short period it would shrink to 50 people and at time it would grow to 150 and shrink to 40 people. I approached him because **the growth in his church was fast**. He began the church in 2006 and by 2012 he was recording 11,000 people on a Sunday service and he was also making good money and riding great and big cars including the latest jeeps. After listening to me, he promised to help me solve my problem.

He said I needed to be empowered and that it is going to cost me some amount of money besides, **I need to have a big and strong heart**. Then he asked me if I have got a strong heart and I told him that I have as long as it is not going

to involve killing a fellow human being. He asked me thrice if I have got a strong heart and I consistently gave him the same answer. Again, he asked me if I want a single empowerment or double empowerment and I asked him which one is better and he said double empowerment is better but, it will cost me a lot of money and that after the empowerment I am going to be told how to maintain and renew the power.

This time I became afraid and I asked him if the maintenance and renewal involve any ritual, he said no that whatever the renewal and maintenance will involve are just normal things that I am already doing so I should not be afraid. He said I should go and raise three hundred and fifty thousand naira (350,000.00) which I had to borrow from my wife. The next day I handed over the money to him and he asked me to go and get ready that we shall be going to Lagos and Port Harcourt. I got ready and we took flight from Abuja to Lagos that same day. In Lagos we lodged at the guesthouse of a big ministry and at 11.30 pm we went out in a private car to the Bar beach.

At the Bar beach we were at the bank when **he spoke some unknown language** and told me that a woman was going to come out of the water and that I should do whatever she says. As soon as he said that, there was rumbling on the surface of the water and a mermaid came out of it. The general overseer told me not to be afraid that the mami-wata will not harm me so I picked courage when I saw her. When she came to the surface of the water, **the lower part of her body was fishlike**, but my eyes were transfixed at the sight of that lower part; **and as she was getting close to me it became human part**. Then she came to me and asked me to have sex with her, which I did in the presence of the general overseer. After having sex with her, she put her hand in her vagina and made a sign of the cross on my forehead and my palm and told me that she has empowered me and that I will see the difference. The mami-wata left me, went to the general overseer and brought out a golden cross and chain from her stomach and wore it on the neck of the general overseer who gave her some money. The mami-wata thanked him and went back into the sea. All the time she spoke in English language.

When we eventually got back to the ministry's guest house, the general overseer told me that we have to go to the church of that ministry because they were having night vigil and when we got there, I was given an opportunity to minister in the church and as I raised my hands from the altar the members began to fall on themselves and some were tumbling on others and I must say I was almost embarrassed because I never expected the manifestation of the mami-wata power to be so soon. After the all-night service, we went back to the guesthouse and the general overseer asked me if I was happy the way the power manifested and I said yes. He told me that we should go to bed and take some sleep because we shall be going to Port-Harcourt that evening.

In afternoon as I was sleeping that same mami-wata I had sex with at the Bar beach came to me in my dream and told me that **to maintain and also constantly renew the power I must be having sex with a virgin once a month**, so this jolted me out of sleep. I went to the general overseer's room to explain what I saw and heard in my dream and he said it is no problem. When I asked him how I was going to be getting the virgins he said he was going to

assist me get them, but I need to pay for his service. Honestly apostle after this I wanted to back out, but I had no courage to say or do so.

At the Bar beach I saw many pastors who came there with other senior pastors. It is like a tradition. There must be a senior pastor bringing in younger pastors and I believe each senior pastor had a particular mami-wata they relate with because **I saw up to ten mami-wata attending to some other young pastors.** In the evening, we were at the local airport in Lagos and took a flight to Port-Harcourt. At Port-Harcourt, we lodged in the guesthouse of another ministry and at mid-night we got out eventually arriving in a very big compound of a woman called Eze-Nwanyi inside the compound were many houses. **We met many pastors there** including first generational churches' pastors. When it was my turn, the general overseer paid some money and itemized what should be done for me. When I went into the room, I was surprised it was a woman again and as I was thinking - woman again! I found myself on top of the woman on a bed in an adjacent room.

Honestly, I have not been able to recall how I found myself on that bed. I had sex with her and also sucked her breasts. After the sexual session she made some animal cry and administered some stuff into my eyes and I began immediately to see into the spirit world and also discussed with some spirit beings. After that she gave me a bottle of olive oil which she called **"do as I say"**. She said **with this the members of my church will do whatever I ask them to do**. She also gave me another bottle of olive oil, which she called **"all seeing oil"**. She said **with the oil I can see deep into people's secret** and a bottle of olive oil which she called **"slaying oil"** for slaying people during prayer. She finally gave me two more bottles of olive oil. The first one is **"crowd pulling oil"** and the second one is **"touch and follow"** - which I will be using **to hypnotize women especially virgins because I will be having sex with them and married women to renew the empowerment.**

She said I could have sex and immediately after that I could go straight into ministration without having my bath. **She bound me with oath of secrecy.** We left that same midnight and went back to the lodge and the general overseer told me to rub the "touch and follow" oil and we went to the vigil of the church we were lodging in their guest house and I was allowed to minister and **I burst into prophecy** to my own astonishment. In the morning, two virgins were sent to the general overseer and he gave me one so we took them to the guesthouse and had sex with them. What really surprised me was that **the young girls never asked where we were taking them to and why we were taking them there**, which is unusual for virgin girls.

When the girls left, the general overseer told me that from now **I have to concentrate my sermons around prosperity and stop salvation and righteousness messages.** He said I should be sending tithes to him and that he knows how part of the tithes will get to the woman at Port-Harcourt. Eventually we left Port-Harcourt to Abuja and back to Kaduna. When I began service after my return things began to change. Money began to come, the crowd also began to come and within one week miracles, deliverance followed by prosperity began to happen in the church, the spirit of prophecy came in like I had never seen it in my life.

I have been having sex with virgin girls and married women and things have been working out fine for my family and the church for the past six years, but I have gotten to a stage in which I am no longer feeling comfortable with the whole thing. ***I have had dreams in which I saw myself burning in Hell.*** I have had this dream of Hell seven times and in one of the dreams, I woke only for the same dream to continue when I went back to bed. I have been having sleepless nights and many nights I got raped by that same mami-wata. I have lost two of my children mysteriously, but through the same pattern. For the past three months I have not been able to get virgin girls and this has affected the power as it is going down.

I want to get out of this whole issue even if it means closing the church. ***I have gone to the general overseer and he said it was too late for me to get out.*** He threatened me with mysterious death. He said it is not possible for me to turn against the mami-wata and Eze-Nwanyi because they are already part of my life. I told him that I will do everything positively possible to get myself out of this. Three days later two men approached me and told me that if I love my life I should vanish from Kaduna because they have been paid by the general overseer to eliminate me, so I had to close the church and leave the town finally after two days. As I am writing to you now, I have nothing to hold on to but, only God Almighty.

The problem is that God seems to be very far from me no matter how much and fervent I have been calling on Him and asking for His mercies. I know I have offended Him, but I know He is a God of second chance. I have read one of your writings on how to overcome the queen of the coast and I strongly believe you are the only one that God can use to help me out of this physical hell I have put myself into. ***I am really afraid of going to meet any other person (man of God) because those who are using devilish powers are more than those who use the power of God.*** For some time now I have not been sleeping at night and I also at times hallucinate. Sir, I urgently need your help because I believe time is running out for me as the attack from the marine kingdom increases.

No other pastor has exposed them like you. I know I have transferred many spirits into so many people and I want to know what I can do so that those people can be free from these wicked and evil spirits. Apostle, it is really unfortunate that the Church of our Lord Jesus Christ has been taken over by Mami-wata. ***The number of pastors using marine spirits is alarming and more of them are getting initiated daily into this wicked kingdom*** so are these pastors initiating their spiritually illiterate members. Before I messed up myself spiritually, I had always wondered why members of churches follow their pastors sheepishly, but now I know better. ***The marine kingdom is working day and night to overtake the church and unfortunately the church is sleeping.*** In the last two months I have had four car crashes and I know they want to eliminate me, but God has been my helper and my only hope.

They have killed my two children and now they want me dead. I am becoming afraid of staying alone because of some bizarre spiritual appearances I see, and things have begun to move in my brain and body. Any time I start praying the movement would start and sometimes I feel the movement in my marrow. The

greatest need I have now is to be forgiven by God. If I can get His forgiveness I don't mind dying after that because I really don't want to go to Hell. I have been misled by the general overseer just as so many young pastors have been misled by their general overseers and senior pastors.

Sir, I know you are a very busy person. I will appreciate if you find time to pray over this my problems and seek the face of the Lord on how He will use you to help me out. I know that if I am forgiven, my deliverance will be easy. I regret selling my soul to marine spirits. The Eze-Nwanyi is also a very strong mami-wata agent. I look forward to hearing from you.

Your co-servant in the Lord,
Pastor Chidubem Okwu.

3- Response of the apostle

When I received this letter I called the number he gave me over three times, but it was switched off so the next day I called and it went through. A woman took the call and when I asked to speak to pastor Chidubem, I was told that he had died in a car crash the previous day and I was dumbfounded. I just expressed my condolences to the woman who later told me that she was his wife, that she has to amend her ways with the Lord and move ahead with her life and she expressed gratitude and thanked me. **[End of Testimony]**.

4- Warning

Dear brethren and all of you who have just read this sad testimony, we would like to warn you against these agents of lucifer that out of ignorance you call servants of God. Know that when these demons call themselves servants of "god" or generals of "god", they do not speak of our God. They speak of their god lucifer. Remember once and for all that these sorcerers are of their god and of their father the devil. You will never see a single Servant of the true God clamouring with so much zeal for the gospel of satan, as these serpents who give themselves all possible titles do.

Some of these titles that they give themselves and on to which they firmly cling are titles given to them in the world of darkness. You should therefore not be surprised if some of these demons bear titles that you cannot find anywhere in the Bible, such as "superintendent", "general superintendent", "general of god", "general overseer", "chief apostle", etc. We give you below some elements of discernment that will help you to recognize these servants of the devil who have signed pacts with mermaids, and who work under the influence of the power of lucifer.

Keep in mind that **all** the so-called servants of God who preach prosperity, are agents of satan, **all of them without exception**. You will never see a single true Servant of the true God preaching prosperity. The gospel of prosperity is the gospel of the devil. It is a Gospel that is imposed on the agents of satan to the detriment of the messages of salvation, of sanctification, of the renunciation of the things of the world and of vain glory. You cannot find the gospel of prosperity anywhere in the Bible. It is indeed the opposite that the Bible teaches

us, as you can read in 1Timothy 6:3-12 *"If anyone teaches false doctrines and does not agree to the sound instruction of our Lord Jesus Christ and to godly teaching, ⁴he is conceited and understands nothing. He has an unhealthy interest in controversies and quarrels about words that result in envy, strife, malicious talk, evil suspicions ⁵and constant friction between men of corrupt mind, who have been robbed of the truth and who think that godliness is a means to financial gain. ⁶**But godliness with contentment is great gain. ⁷For we brought nothing into the world, and we can take nothing out of it. ⁸But if we have food and clothing, we will be content with that. ⁹People who want to get rich fall into temptation and a trap and into many foolish and harmful desires that plunge men into ruin and destruction. ¹⁰**For the love of money is a root of all kinds of evil. Some people, eager for money, have wandered from the faith and pierced themselves with many griefs. ¹¹But you, man of God, flee from all this ..."*****

Also keep in mind that **all** the so-called servants of God who preach a sermon of power and who spend their time pushing people to the ground, under the pretext of delivering them, are agents of satan, **all without exception**. You will never see a single true Servant of the true God pushing people to the ground by an alleged power. **The true Servants of the true God have no power for the show**, and they never exhibit their power, because in reality they have no power as such. The power that the real Servants of the true God has, is not their own, but rather that of Jesus Christ their Lord. Whenever their God and Master Jesus Christ finds it necessary to do some miracles through them, He does them.

This so-called power that these sorcerers manifest each time by pushing people to the ground is none other than the power of satan, controlled and manipulated from the world of darkness. The unclean spirits are behind this power, and they further possess people who have the misfortune to allow those sorcerers to pray over them. In reality, this means that all those who accept the so-called deliverance of these sorcerers, rather than being delivered, are possessed by new demons that are more powerful, and that will again bind them, blind them, and make them more incredulous to the true Gospel. He who has ears to hear, let him hear.

Therefore, whether we talk in terms of material wealth, or in terms of power or glory, the Bible instead asks us not set our mind on high things. Romans 12:16 *"Be of the same mind toward one another. **Do not set your mind on high things, but associate with the humble. Do not be wise in your own opinion.**"* If these demons spend their time speaking only of material wealth, it is because they know that they will not enter Heaven. They know very well that they will have no part in the real wealth and the true glory that await the true Children of God in Heaven. It is therefore in their interest to do everything to make the most of the earth. That is why they have embarked on an unbridled race for power, wealth and the glory of the world. **Therefore, if you treasure your salvation, flee from these agents of Hell, and come out from all the so-called churches in which these practices are done.** Just like the gospel of prosperity, the gospel of the demonstration of power, is the gospel of the devil. It's actually the only stock-in-trade of these pastors and other generals of lucifer, improperly called servants of God.

5- Call to Repentance

For you, so-called servants of God who have signed pacts with satan for money, fame, power and glory, the case of this Nigerian may scare you, and prevent you from seeking repentance. You should not be afraid. You must act with wisdom. If you want to escape from that world of darkness, here is what you need to do. Inform neither your superintendent, nor your senior pastors or spiritual fathers of your desire to repent. Keep your intention in your heart, and contact us quickly at mail@mcreveil.org. With the grace of God, we will help you to free yourselves from these satanic pacts, in the name of Jesus Christ.

Grace to all who love our Lord Jesus Christ with an undying love!
